SEATTLE, Wash., Feb. &-(Special.)-SEATTLE, Wash., Feb. 8.-(Special.)-Seattle Elks have begun a campaign to secure the 100 meeting of the grand lodge. J. J. Alexander, W. M. Moore, Richard Saxe Jones, D. E. Multigan, Will H. Parry and C. A. Reynolds have been named as a committee to make the fight. An effort will be made to enlist the co-operation of the Elks' State Association, organized a year are organized a year ago,

Faces Serious Charge.

EUGENE, Or., Feb. 8.-(Special.)-Dep-uty Shariff C. C. Hammond returned from Florence tonight with John Ford, whom he arrested on a statutory charge, the complaining witness being Stella Ridg-way, 16 years of age. The girl was brought to Bugene on complaint of neigh-bors and committed to the Boys' and Girls' Aid Society Home. Ford is a sin-cle man 50 years old gle man 26 years old.

Poor Showing for Lane County,

EUGENE, Or., Feb. &.-(Special.).-The official report of Dr. J. W. Harris, Health Officer for Lane County, to be made to the County Court tomorrow, shows more cases of contagious disease in this county than were ever known since a record has been kept. There were reported 7i cases of typhnid fever. H of measles, t of diph-theria, 5 of smallpox and 1 of scarlet fever.

Fishing Law Violated.

ASTOBIA. Or., Feb. 8. - (Special.)-Twenty-eight sturgeon under four feet in length were sched by Water Bailiff Settem last evening from Otto Grinde and C. Smith at Quinn's landing. They were brought to this city and sold to St. Marr's Hospital. Mary's Hospital. Warrants have been issued for the arrest of Grinde and Smith on a charge of violating the state fishing laws.

Tooze Looking After Fences.

CORVALLIS, Or., Feb. 8.-(Special.)-

Waiter Toose was in town for an hour between trains seaterday. He was met at the train by local statesmen, and was in conference with a number of his sciends during his mich stay in town. The under-standing is that he is to return for a longer stay next week.

Clatsop County Taxes.

ASTORIA. Or., Feb. 8.-(Special)-The 1965 tax roll was completed by County Clerk Clinton today and turned over to

Hill Milliary Academy several years ago. He spent four years at the University of Oregon, from which institution he was graduated last June. Sherk was a popu-lar man in college, was a member of the so fath

known here, having graduated at th

graduated last Jane. Sherk was a popu-lar man in college, was a member of the Bigma Nu fraternity and was president of his class during his senior year. He was a man of good habits, a bright atu-dent and his jovial disposition made him a favorite with all who knew him. Sherk was the eldest son of George W. Sherk, a prominent business man of Huntington, and besides his father and mother, leaves two brothers and a sister. The family will arrive from Huntington noday. The body, accompanied by J. H. Templeton and Ray Goodrich, two college friends of the decasted, will reach the city this afternoon.

GAFFNEY'S DEED SET ASIDE

Gets Back Property Conveyed by Him When Drunk.

OREGON CITY, Or., Feb. &-(Special.) -A decree for the plaintiff was today ren-dered by Judge McBride in the suit of any rendered by Judge McBride in the suit of any rendered by Judge McBride in the suit of a large sheepshearing plant. John Gaffney against Michael Gaffney, Duniel Gaffney, Bridget Gaffney and John Gaffney Jr., by which the court direct that the deeds he set aside by which Gaffney, the father, in 1905 transferred about 70 agres of farm land of the esti-mated value of \$14,000 to the defendants. The decree further provides that the de-fendants Michael and Daniel Gaffney, within 60 days, execute and deliver to the property according to the spirit of the decree, but in case of their failure to do so, the decree shall stand as a muniment of tide in line of a stand and Ariington, Or.-Two of the leading physi-cians of the morth-bank road were in Ar-lington Wednesday. They have decided to establish a hospital here, a large house having been feased for that purpose. There will be three hospitals between Wallmia and Portland for the workmen, one at Arlington, one at Columbus, Wash., and one at Cape Horn.

occree, but in case of their failure to do so, the decree shall stand as a muniment of little in lien of said deed. Besides being given judgment for his costs and disburgements in the sult, the decree entities the plaintiff to recover from Bridget Gaffney the sum of \$160.

from Bridget Gaffney the sum of field, which, it was alleged, he paid her through missepresentation. The elder Gaffney based his suit to have the deeds to this property cancelled on the grounds that his two some Michael and Daniel, fraudulently obtained his sig-nature to the deeds after they had man-aged to get him intoxicated. The suit was vigorously contested.

COMPENSATION IS IN DOUBT

In Clause in County Health Board

Act Obscure.

SALEM. Or., Feb. 1.-(Special.)-Some question has been raised whether county and city health officers, whose appoint-ment has been held to be mandatory upon county courts and city councils, are to receive 1½ cents per capita per year or 5 cents per capita per year. for the popu-lation, as compensation. The act of 1905

Mattress Factory Esta French Ship Loses Anchor

The Chehalls Mattress Factory has ju ASTORIA. Or., Feb. S .- (Special.) - As the French ship Jules Gommes, which was towed up the river this morning, was bought a site north of the furniture fac tory; and will add extensively to its lines tory and will add extensively to its lines. It manufactures woven-wire springs, does upholatering makes mattresses, etc. A lumber yard and planing mill will be run in connection with the new plant. The Chehalis Fir Gutter Company shipped 45 cars of output in 1995, and received 65 cars of raw material. J. C. Gardner has leased the plant of the Chehalis Milling & Manu-facturing Company, and will make wood ing her anchor, the chain broke and the fathons of it with the anchor were lost. the plant of the Chehalls Milling & Manu-facturing Company, and will make wood novelties, such as ladders, stepladders, Inwn swings, etc., of spruce lumber. The Coal Creek Lumber Company, with its mill in the north end of town, has just begun operations. Its daily capacity is 50,000 feet. A logging railroad is now building. A shingle mill and dry kins are soon to be built. The Chehalls Shingle & Lumber Company cuts 20,000 feet of lum-ber daily at its mill east of the city. The Ratispell, Mont.—Lee Walton has been ar-rested for killing deer out of season at Swan Lake. The animals were destroying prop-erty at a Summer home, of which he was caretaker, and he set a bear trap for them. Albany, Or.—Vernon Jones, who was in the Bridal Vell wreck, is visiting his sister. Mrs. Hugh Cummings. Mr. Jones, when the collision occured, was hurled over three seats, outting his head and face and wrench-ing his neck. company, because the independent con-cern gives the rates that business men demand. It is declared that unless the her daily at its mill east of the city. The local factories use the output. R. M. Sha-ver will start another mill east of Cheing his neck. Eugene, Or.-The citizens of Springfield have decided to vote on the question of whether or not \$10,000 bonds shall be insued to erect a new schoolhouse here, the pres-ent building being crowded to overflowing. big corporation reduces its rates business men will throw out the phones. halls February 20, the output of which the Chehalis factories will use. It will cut 15,000 feet daily.

The St. Heiens Condensing Company, manufacturer of canned cream distributes monthly to the dairymien of the Chehalis and Newsukum Valleys about \$5000, be-sides its payroll at the plant. All the Chehalis output is now contracted for Besides this plant, there is a splendid creamery at Chehalis, and dairying is a growing industry. The Chehalis Brick & The Works is building a new down-draft kim with a capacity of 100,000 brick. Forty-seven car-bads of brick and one carload of tile were

capacity of 100,000 brick. Forty-seven car-loads of brick and one carload of tile were shipped in 1995, and 600,000 brick and 25,000 feet of tile sold locally. The American Flax Fiber Company is developing a most promising industry for the Pacific North-west. Last season it was demonstrated that flax can be grown in the Chehalis and Newaskum Valleys as well as any-where in the world. The company con-templates planting a large area in flax. A carload of fiber is soon to be shipped to Eastern spinning mills to show what spiendid results have been attained. The field offers great promise for the textile when at Columbus, Wash., and one at Cape Horn.
Arlington, Or.-A. E. Grant, who has the contract to grade 22 miles of the north-bank railroad, will this week complete six miles of his grading work and will then more his foreign up the river a few miles. Another consignment of rails arrived here for him Wednesday.
Albany, Or.-The County Court Wednesday appropriated \$500 toward the publication of the book "Oregon." in preparation by the Portland Board of Trade. The contract calls for 16 pages of matter relating to the re-sources of Linn County, 500 copies of the book to be delivered to the County Court.
Fondiston, Or.-The stath annual conven-tion of the Knights of Pythlas of Umatilla County in Engles' Hail Wednesday might was attended by a large number of members from the six ledges of the county. Initiatory work in the three ratks was followed by a languet. field offers great promise for the textil industry in the Northwest and at Che halls.

Iron Works Coming Next.

The Sound Iron Works, of Everett, soon to move to Chehalis, occupying building that is almost completed in north end of the city, C. F. Groenke

Son will operate the plant, and a comple-foundry and machine shop is this late acquisition. Chehalis district raised \$80,000 pounds hops in 1905. Chehalis leads the world chittem or cascars bark shipments. 1905 the Northwest Chittem Compa-shipmed \$80,000 pounds from this size. banquet. Aberdeen, Wash.-The Weslern mill now has improvements under may costing about 556,000, and including a dry kiln, an addi-tion to the mill a lumber shed, planing mill and som matchings: tion to the mill, a lumber shed, planing mill and hew machinery Haker City, On.—Building in Baker City this year promises to exceed that of any previous year. Three new structures have just been announced, totaling in obst more than \$50,000. Independence, Or.—Further steps toward organization of a Merchanis' Protective As-sociation resulted in the election of A. Hus-ten, president; E. Simon, secretary, and P. M. Kirkland, W. A. Messner and B. F. Jones a committee on constitution and hy-

1965 the Northwest Chittern Company shipped \$90,000 pounds from this city. The hark business in Eastern Lawis County will be an industry for years to come. Local coal deposits that are now oper-ated and that will be opened within a few months will add further to the pros-perity of the city. Bunkers are soon to be erceted near the new foundry, where coal that is mined in the city will be shipped. The new Cheballs electric light plant is located at the mouth of another coal mine on Coal Creek, giving a cheap fuel supply, and supplying the city with the finest lights.

Death Rate Very Low.

1

The city has over five miles of sewer-age and an abundance of water for all purposes Rates for utilities are reason-able. There were but II deaths in Che-halts in 1966, which, hassed on a popula-tion of 3500 people, makes but 6 to 1000, a record almost without a parallel. The city has miles of improved streets and miles of roads leading into the country. The state is soon to spend 350,000 and the conditions. It is a wonderful food for a mother and child.

Dr. W. Norton Davis

IN A WEEK
