Installation will be held next Wednesday evening. The subject of the sermon yesterday morning was "The True Church." The speaker drew his lessons from the epistles of Paul, and said that the church should be careful to maintain its mission—the advancement of the kingdom of Christ.

How Is Your Heart?

Is your pulse weak, too slow, too fast, or does it skip a beat? Do you have shortness of breath, weak or hungry spells, fainting, smothering or choking spells, palpitation, fluttering, pains around the heart, in side and shoulder; or hurt when lying on left side?

Dr. Miles' Heart Cure strengthens weak hearts, and rarely ever fails to cure heart disease. Try it, and see how quickly you will find relief.

About January 1st, 1902, I took down with weakness and dizziness, and gradually grew worse. I was told by my family physician that my case was hopeless. My neighbors and family had given me up to die.

The story coming from St. Paul that there is a quarrel between the envoys is denied here. It is explained that three attaches were sent to California to examine educational institutions there. This gave rise to the story that three men were left behind. They will rejoin the party in New York.

Dr. Miles' Heart Cure is sold by your druggist, who will guarantee that it will cure you. If it fails he will refund your money. Miles Medical Co., Elkhart, Ind.
