Carload of Railroad Men Perishes in Wyoming.

TRAIN THROUGH BRIDGE

Whole Construction Gang Thrown in Jcy Water on Northwestern Road.

Relief Party Braves Snow Storm to Rescue.

CASPER, Wyo., March 26.—Melting snow and high water this morning caused the worst wreck in the history of the Wyoming division of the Chicago & Northwestern Railway.

The wreck happened at 5 o'clock, as the train was crossing the bridge. The engine passed over safely, but its weight broke down the piling, which had been undermined by the flood waters.

Many of the passengers were caught under the wreckage, and it was hours before they were taken out. One or two were drowned, and several were killed outright.

Word was sent to Casper as quickly as possible, but it was 38 hours before relief could be extended to the injured. The weakened condition of the bridges, due to floods, made it unsafe to send a train to the scene, and handcars were pressed into service.

GAPON ISSUES MANIFESTO

Priest Answers His Defamers and Threatens Suit Against Them.

ST. PETERSBURG, March 26.—Father Gapon, in a frank, open letter, replying to the attacks on his public and private life, announces that he has retained a lawyer, M. Margolin, to bring an action for defamation of character against his detractors.

Gapon explains that, refusing to follow the rule of the orthodox church, prohibiting the remarriage of those who have divorced, drives the clergy to secret immorality.

Continuing, Gapon declares that of the \$100,000 which Premier Witte gave through former Commerce Minister Timiriazoff for the re-education of the laboring classes, he only received \$200,000.

Regarding the charge of gambling at Monte Carlo with "mysterious money," Gapon says:

"During the bloody uprising at Moscow I received money for literary work, and while abroad, out of simple curiosity, I played for small stakes. A review of my connection with the workmen's movement will prove that I never was an agent of the government, and that I labored solely in the interests of the workmen."

When he returned to St. Petersburg, Gapon admitted that he communicated with Count Witte, who gave him permission to live here, considering that his work was "constructive," and not "destructive."

Gapon concludes with an expression of his firm belief that history will demonstrate that "the unrocked pope" lived for his country to the last drop of his blood and died a sentinel over the rights and liberties of the workmen and oppressed.

The letter made a good impression, but Gapon's sincerity is sneeringly attacked by the Russ, which calls Gapon a friend of General Pullon, formerly of the police, and a pensioner of Count Witte.

Emperor Nicholas, in receiving a deputation of peasants from Kasan Province, today employed a new and stronger tone. He said nothing about satisfying their land hunger, and spoke only of the inviolability of property.

The papers continue to be filled with rumors of peasant revolts in Kasan, which they say has been offered to the Emperor, but not acted upon.

Tortured Girl Defies Tyrants.

MOSCOW, March 26.—M. Teslinko, counsel for Mile. Spiridonovo, the 17-year-old girl who shot M. Lashinofsky, chief of the secret police at Tambouf, has returned here from Tambouf, where his client was found guilty of the charges brought against her.

She declares that she was tortured by the Russian Revolutionaries while taken when compared with the cruelty of Mile. Spiridonovo has been subjected to. He gives a thrilling account of her ordeal and sprang speech to the judges who condemned her, telling them that

the victory of the oppressors of the people would be short-lived, and saying: "You can kill me, but death will be welcome if it means the liberation of my fellow-sufferers."

The prosecution of Abramoff and Khandanoff, the officers charged with maltreating Mile. Spiridonovo, commenced here today.

CURRY REPORTS VICTORY

PULAJANES ARE PUT TO FLIGHT AFTER BLOODY FIGHT.

Half of the Constabulary Killed or Wounded—Troops Will Exterminate Treacherous Enemy.

MANILA, March 26.—Governor Curry, in a report to the Government of the recent engagement with Pulajanes at Magtatan, says:

"Had a hard fight, in which Captain Jones, of the constabulary lost half of his command, gaining a magnificent victory in the face of overwhelming odds. The Pulajanes, under a flag of truce, and while promising to surrender, immediately opened fire, charging the constabulary. The leader of the Pulajanes ordered his men first to wipe out the constabulary and then to capture myself and the other Americans."

"I have requested a company of Federal troops immediately and later on, when joined by this additional force, will prepare to wage a war of extermination against the fugitives, which is the only alternative."

"The constabulary did splendidly, though their inferior firearms, which were minor bayonets, placed them at a disadvantage. With the assistance of the Federal troops we will be able to exterminate the fugitives, who are now in the mountains, and will destroy the crops."

"The natives of Samar, with the exception of the Pulajanes, are in sympathy with us and are assisting us. Every town is endeavoring to assist in the extermination of the fugitives."

"Several prominent Filipinos were present and witnessed the treacherous action of the Pulajanes."

"Judge Lechner and all the other Americans are safe."

Curry Found and Will Finish Job.

WASHINGTON, March 26.—Governor General Ide, in his official account of the battle with the Pulajanes, confirms the particulars already published, and adds: "Curry was lost 26 hours, but was eventually found. He withdraws application for leave of absence, and proposes to finish the pacification. He reports the natives in the province actively assisting him. Each found zealous to exterminate Pulajanes. IDE."

Piles Propose Plan to Ascertain Losses of Alaska Miners.

OREGONIAN NEWS BUREAU, Washington, March 26.—Senator Piles today introduced a bill authorizing the appointment of a commissioner to ascertain the losses sustained by various persons who were robbed by George E. Adams, the defauling cashier of the Seattle Assay Office. The bill provides that the findings of this commissioner shall be final, and that Congress shall make a sufficient appropriation to pay the losses, in the event that the sale of Adams' property fails to provide sufficient money.

HAID FIGHT ON WICKERSHAM

Nelson Leads Senators Opposed to Confirmation as Judge.

OREGONIAN NEWS BUREAU, Washington, March 26.—The Senate Judiciary committee spent more than an hour today considering the nomination of Judge James Wickersham, of Alaska, but was unable to reach any conclusion. The case went over until next Monday. Senator Nelson is making a strong fight on Judge Wickersham, and will file a minority report against him, but it is impossible to learn at this time how many Senators will stand with him. It is said that several Senators not members of the Judiciary committee desire to file papers in the case before action is taken, and it is partly to permit them to do so that the case was continued another week.

ST. PAUL BRIDGE BILLS PASS

Cushman's Absence Prevents Action on Three of the Six.

OREGONIAN NEWS BUREAU, Washington, March 26.—The House today passed three of the six bills authorizing the Chicago, Milwaukee & St. Paul Railroad to bridge navigable streams between Chamberlain, S. D., and Puget Sound. Strange to say, the three Washington bills introduced by Cushman were not passed, because Cushman, who is a member of the committee to which they were referred, was not on hand to see that they were reported or to call them up in the House for passage. The bills will no doubt go through at a later date. All passed the Senate last week.

Secretary of Agriculture to regulate stock shipments, permitting him to extend or shorten the periods as he may deem proper. Under this bill, the Secretary could continue to enforce the present 24-hour law, he could permit shipments for longer periods or could, if so disposed, require unloading of stock every eight hours, as demanded by some humane society officials.

The bill is not satisfactory to Western Congressmen, and an effort will be made to strike out the authority to shorten the periods of shipment. If this cannot be done, the bill will probably not pass. While Secretary Wilson would satisfactorily administer the law, it is feared that some subsequent Secretary might enforce it to the detriment of the stock interests.

Life-Saving on North Pacific.

OREGONIAN NEWS BUREAU, Washington, March 26.—Senator Piles today called up and passed his bill authorizing the construction of a \$200,000 ocean-going lifesaving tug for service on Puget Sound and the North Pacific Coast, also authorizing the construction of a lifesaving station at Neah Bay.

NO DOUBT OF AGREEMENT

Germany Still Protests, but Morocco Will Settle Affairs.

ALGERIANS, March 26.—The Moroccan Conference held an hour's session today, seeking definitely to adjust the police question. Austria proposed an amendment increasing the Inspector-General's control of the police, and Herr von Radowitz, the chief German delegate, declared that Germany considered the control of the police to be of supreme importance, and intimated that Germany must withdraw if such control is not adopted. The question was finally referred to the committee, which will meet today and discuss the revised police project.

The delegates generally are satisfied with the result of today's sitting and believe that the result is no longer doubtful.

Practically Agreed, Says White.

WASHINGTON, March 26.—A cablegram was received at the State Department today from Ambassador White stating that the Algerian Conference has practically reached an agreement upon the question of policing Morocco, which was the most difficult issue before the conference. No details as to the nature of the agreement are obtainable.

Deadly Battle With Greeks.

CHICAGO, March 26.—Two detectives were stabbed, one perhaps fatally and the other wounded with a knife in the hand of an assailant, and two Greeks were shot, one fatally in a fight between the policemen and Greeks at Halsted and Polk streets last night. The injured are: James Doyle, detective, stabbed in abdomen and back; may die. James Conalidin, detective, stabbed once. Joseph Katopoulis, shot in the abdomen; expected to die. George Karakinos, shot in the abdomen; severe. A third Greek is believed to have been shot, but he escaped.

One of the Greeks arrested, giving his name as Gus Stomakis, is believed to be the man who inflicted the wounds which may cause Doyle's death. Thomas Metakias is also under arrest. According to information obtained by the police, four men, all Greeks, accosted a woman at the corner of Polk and Halsted streets. Detective Conalidin and Doyle observed the act and attempted to arrest the men. The fight ensued.
