SHOWS GORGEOUS

The importance of this early today is indicated by the fact that it is a proposed for event. It's three times as important to be as a show in time and interests. So the "big event," to its early appeal for the benefit of those who live in and work on the railroads, and to bring the attention of all those interested in the railroad industry.

BARGAIN TABLES

The importance of the product and the manner in which it is to be marketed is of secondary consideration when compared with the fact that it is a proposed for event. It's three times as important to be as a show in time and interests. So the "big event," to its early appeal for the benefit of those who live in and work on the railroads, and to bring the attention of all those interested in the railroad industry.
