Prolific Orchard Land Is desired by many who are not in a position to surrender their present incomes and devote their time to the making of a commercial orchard and who are unable to purchase established orchards. For such as these we have arranged a plan whereby some of the finest apple land in the famous Mosier district may be secured upon the payment of small sums down and monthly or quarterly installments without interest on deferred payments, or taxes. The land will be cleared, set with standard apple trees, cultivated and cared for during a period of five years, or until final payment is made, by a competent orchardist who will build up his own place along with a popular place.
