PLANING MILL COMBINE

Plants May Be Merged to Save Operating Expenses.

Leading planing mill owners of Portland are planning a combine of their holdings to effect cheaper operation and accordingly increase the profits of the business. It is hoped to effect a merger so that the entire trade of the city in planing-mill products can be handled through one headquarters. It is said the following Portland companies have agreed to join such a combine: Nicolai Bros. Company, North Pacific Planing Mill Company, Frank Schmitt & Co., Albina Planing Mill Company and George C. Ainslie & Co. By merging the different companies, it is expected to do away with several expensive positions. Collections and accounts would be handled through one office instead of several, and the forces in the various offices reduced materially. In this way alone much saving would be effected. By maintaining one buyer for all the

NOW IN LARGER QUARTERS

Commercial Club Takes Over Concordia Club's Old Rooms.

The quarters formerly occupied by the Concordia Club have been taken over by the Commercial Club. The Concordia Club has moved into its new building. The Commercial Club is fairly well situated now as the quarters vacated by the Concordia Club are in the same building and just over the Commercial Club Tavern. The Commercial Club will remain in its present quarters until its new building is erected, which will be some months. The subscriptions for the new building now amount to almost \$200,000, and no difficulty is anticipated in securing the necessary \$50,000 more. It is planned to expend \$250,000 in erecting the building. Many large subscriptions have been made, but it is expected that from now the money will be subscribed in smaller amounts. Manager Tom Richardson has moved

NEW COLOR FOR ANARCHIST FLAG

NEWARK, N. J., May 2.—Policemen broke up a socialist parade here last night and arrested two of the leaders because a red flag was planted in the van.

Chief of Police Adams had received word that the Socialists intended to use the red flag, and directed them not to do so. They denied they intended to exploit anarchy, and maintained that the anarchist flag was black and white.

STOLEN RIG RECOVERED

Fred Campbell, Who Took It, Now in County Jail.

Fred Campbell, a young man of good appearance, hired a team and buggy at the Fashion Stables on Monday afternoon. He did not return and on Tuesday it was learned that he tried to sell the rig to a farmer near the Sandy River bridge. The farmer suspected that Campbell was not the owner, and telephoned Sheriff Word, who instructed him to hold the man. Deputy Sheriffs Parratt and Moreland went after Campbell and reached Portland with him yesterday morning at 2 o'clock. He was locked up in the County Jail, and a charge of larceny will be filed against him. Campbell said he came here from Kansas, and offered no excuse for his crime, except that he was broke and needed the money. Spring humors, puns and bolts are credited by Hood's Sarsaparilla, the great blood purifier.
