RAVENS WILL NOT STOP.—The com-
mittee on the East Side Improvement
Association appointed to bring the Grand-
avenue bill before the Council was not
able to do so Wednesday evening, but it
interviewed most of the Councilmen, and
obtained assurances that the work on the
bill would not be stopped. H. H. New-
hall said that the contract of the Pacific Bridge
Company will enable it to go on with the
work regardless of the estimates of the
City Engineer, who were not final, as
to the amount of material required to fill
up the street. The estimate was that
21,000 cubic yards would complete the em-
bankment, but the contractor has not
known how much the embankment would
settle. If it required a less amount, then
the contractor would receive pay only for
the amount of material, but if more is re-
quired, then the contractor would receive
pay for above the 21,000 cubic yards esti-
mated. However, the committee will ap-
pear before the Mayor and executive com-
mittee and talk the matter over. Man-
ager Simon said yesterday that about 45-
00 cubic yards of material had been
dumped in the street, and that the em-
bankment appeared to have reached solid
ground.

REV. ANNA SHAW WILL SPEAK.—During
the lecturer's hour tomorrow afternoon
in the hall of Evening Star Grange, Pa-
trons of Husbandry, on the Union Line
road, all the pending legislative legisla-
tion will be discussed. Rev. Anna Shaw,
the distinguished equal suffrage advocate,
has consented to be present and speak.
She will talk on the equal suffrage amend-
ment. J. J. Johnson, master, will talk
about the Barlow road legislation; Judge
Lionel R. Webster will talk about good
roads, and tell what is contemplated in
this county and state. B. Lee Paget will
speak on the local-option amendment; C.
E. Welch will talk on some phase of pend-
ing Grange bills. There will be one or
two more short talks. During the pro-
gramme, which will be in charge of Mrs.
H. L. Yall, lecturer, the meeting will be
open to the public, and are invited to
hear the addresses. Before and follow-
ing the time given to the programme the
Grange will be in secret session. The
third and fourth degrees will be given.
The hall may be reached either from the
reservoir car on Hawthorne avenue or by
the Montavilla car, the ends of both lines
being about a mile from the hall.

FIRE IN TRUCK DISTRICT.—
Fire which threatened the restricted dis-
trict at 4:30 o'clock yesterday afternoon
partially consumed a building on Fourth
street, between Davis and Everett, which
one of the inmates, Annie Martin, who
had been suffering with rheumatism, had
been in the building, and she was carried
from one of the rooms in an ex-
hausted condition. The fire was not un-
der control quickly, and it spread to the
rows of shacks on each side of the
burned structure. Hundreds of curious
women, with the fire as a pretext for
going below the street, gathered around
the scene, and remained until the fire had
been completely extinguished. Although
the building was partially destroyed, the
loss will not amount to more than a few
hundred dollars.

EQUAL SUFFRAGE QUESTION BOX.—At
the People's Forum next Sunday evening
Rev. Anna Shaw, president of the National
Equal Suffrage Association, will con-
duct a "question box" for the purpose
of meeting and answering the objections
and arguments of the opponents of the
equal suffrage movement. All who wish
questions answered will be expected to
bring them to the meeting in writing.
Mrs. Abigail Scott Duniway will preside.
The public is invited.

EQUAL SUFFRAGE MEET.—A meeting
was held in Peninsula Hall last evening
in the interests of the pending equal suf-
frage amendment. Mrs. Skelton presided.
Addresses were made by Mrs. Ida
Porter Boyer and Miss Alice Stone Black-
well. In reply to the suggestion that the
bad women might outvote the good ones,
Mrs. Boyer said that in the State Prison
at Salem there were 36 men and but
three women. The vicious and criminal
class, she said, was comparatively small
among women.

HOME TRAINING ASSOCIATION.—The Home
Training Association held its weekly
meeting yesterday at the City Hall. After
reading the minutes of the previous meet-
ing, Mrs. A. D. Soper read a paper on
"Judicious Management of External
Outbursts," which was well received by
the members present. The association
will hold a mothers' meeting at Mount
Taber, West Avenue School, today at 2
P. M.

ZINN'S TROUPE ESCAPES LOSS.—A. M.
Zinn writes to The Oregonian requesting
the denial of the report that Zinn's Trav-
eling Company suffered in the San Fran-
cisco disaster. He says: "All members es-
caped without a scratch and saved all
costumes and street wardrobes. We are
under contract with John Curt, and open
at Uthava Park, Salt Lake, May 30, for
the Summer."

WILL REPAIR ROADWAY.—Timbers were
delivered yesterday for the repair of the
elevated roadway on Union avenue, near
East Oak street, which settled with the
weight of about 1000 cubic yards of earth.

HOLDS PARLOR MEETING.—Miss Kate
Gordon held a parlor meeting yesterday
afternoon at the home of Mrs. P. P. Bod-
ley, of Mount Taber, in the interest of the
equal suffrage amendment.

STREET-CAR AND AUTOMOBILE COLLIDE.—
A street-car and the automobile of P.
A. Staples came together yesterday at
noon, just south of East Morrison street,
on Grand avenue, with the result that
the automobile was crippled, but was
able to limp away. The automobile had
been close to the curb, behind a wagon,
which hid the approach from the north.
It was started around toward the middle
of the street, but as the car came around
from East Morrison street, and they came
together. The car was moving slowly
and was quickly stopped. The glass in the
canopy of the automobile was broken out
and one wheel was knocked out of line.
No one was hurt.

SELWOOD REPUBLICAN RALLY.—The Re-
publican campaign in Multnomah County
will be opened at Sellwood this evening
with a rally in Fremont's Hall. Local
Republican workers planned the rally and
will have charge of the proceedings, but
heretofore all rallies and open club meet-
ings will be held after consultation with
the chairman of the County Central Com-
mittee. L. R. Webster, Republican candi-
date for re-election as County Judge, will
be the principal speaker. This evening
all candidates are invited to be present.

NEWSPAPER MAILERS GIVE BENEFIT
DANCE.—The Portland newspaper mailers
gave a benefit dance at the Armory last
night, and quite a net sum was realized,
which will be sent to San Francisco. Four
of the San Francisco mailers were killed
in the earthquake, and many others lost
all they had. L. M. Kimmel and Ed. J.
Glosser composed the special committee,
and the reception committee consisted of
A. K. Stouffer, R. C. Putnam, J. H. Shere,
H. Proebstel, E. D. Dewey, M. B. Clark,
Glenn Raymond and L. Russell.

RAID OPIUM JOINT.—Acting Detective
Smith and Patrolmen Parker, Tichnor,
Anderson and Peterson raided an opium
joint at Fifth and Pine streets, at 11:45
o'clock Wednesday evening and arrested
four colored men. A full smoking outfit
was found, and the room smelt strongly
of the drug which the officers entered.
Bob Hicks, Louis Roy, Lewis Parker and
Will Jones were the names under which
the quartet were registered with Captain
Bailey.

SUCCESSFUL FIRE DRILL.—Principal Curtis
had a successful fire drill yesterday,
by which the 600 pupils of the Sunnyside
schoolhouse were marched from the
building in a little more than three min-
utes, without confusion or excitement. In
order to give the drill a realistic turn, a
smudge smoke was started in the base-
ment, and the firemen from Engine Com-
pany No. 4, near the schoolhouse, came,
but this did not cause confusion.

FUNERAL OF J. B. DEARDORFF.—The fun-
eral of J. B. Deardorff, a native-born
Oregonian and son of the founder of the
Deardorff settlement, took place yester-
day afternoon from the schoolhouse in
that neighborhood. The services were
largely attended by the residents.

NEW VAN WATERS WILL SPEAK.—The
Home Training Branch Society of the
Sunnyside School will meet this afternoon
at 4 o'clock, in the assembly hall, and
listen to an address by Rev. George B.
Van Waters, D. D. All interested are in-
vited to attend the meeting.

the Multnomah Democratic Club will hold
a joint meeting in Unity Hall this evening,
at which all Democratic candidates
who desire will be given an opportunity
to speak.

ERS.—The action concert for the benefit
of the San Francisco sufferers will
take place at Arion Hall, Second and
Oak streets, Tuesday evening. An elab-
orate programme has been prepared.

delivered yesterday for the repair of the
elevated roadway on Union avenue, near
East Oak street, which settled with the
weight of about 1000 cubic yards of earth.
