NORTH YAKIMA, Wash., May 4.-NORTH YAKIMA, Wash., May 4.-(Special.)-April was the driest month since the weather observatory was es-tablished here in 1892. Not a drop of rain was recorded and the dry season has extended for over six weeks. Al-though the Spring has been dry the precipitation is one inch more for the four months ending May 1, 1906, than for the same period a year ago, which Advocates of New Law Find It Says He Was Hired by the Liquor-Costly, Especially in Sparsely-Dealers to Beat Rev. H. W. Settled Communities-Works Kemp Also-Local Man The SATURDAY Is Implicated. Well in Towns, **The MANY SPLENDID FEATURES** for the same period a year ago, which was 1.76 inches. SPECIAL KELSO, Wash. May 4.-(Special.)-A barroom loafer from Portland, giving the name of "The Cockney Kid." was arrested here today by Sheriff White, of Rainier, Or., charged with assaulting W. C. Fisch-er, assistant editor of an Anti-Saloon League paper published at Rainier. The prisoner has made a confession, and said yosterday that his only regret was that he had not also succeeded in assaulting Rev. H. W. Kemp, editor of the paper. The fellow is in fail at St. Helens, Or., where he will be held for trial. In his confession, only part of which will be given out, but all of which is in the Engineer T. A. Noble to Wed. ALBANY, Or., May 4.-(Special.)-Costing almost a dollar for every vote cast in Linn County, the direct primary law has NORTH YAKIMA, Wash., May 4-(Special.)-Engineer T. A. Noble, who has charge of the Tieton irrigation pro-Which combine to make up the construction of the Buck's Stoves and Ranges are the product of the world's most skilled builders of Stoves proved one of the most expensive luxuries the voters of this section have ever en-joyed. The County Commissioners' Court, fact, has secured leave of absence for 30 days, and will leave here tomorrow for Everett, Wash, where he and Miss Charlotte Brownell, of Rhode Island, will be married. The bride is a sister of F. H. Brownell, of Everett. These Stands or Center and Ranges. The above illustration represents one of the many expoyed. The County Commissioners Court, which today completed its essations, audit-ed and allowed claims against the county, charged to the election account, which ag-gregated \$1715, and the end is not yet. Hills always come in for nearly a year succeeding every election, for work, sup-plies and incidentals. It is estimated that when these are all paid the total will run from \$1800 to \$2000. Tables in polished quarter clusive features of the Buck's construction-the cup lid. This clearsawed oak or mahoganized ly shows how the inner ring extends down below the interior surface birch. They are 30 inches of the fire-box, thus collecting and concentrating the heat where most essential. This is strongly demonstrated by placing a single match against the center of the lid, the small space of time consumed during high and have top 24 inches he will be held for trial. In his confession, only part of which will be given out, but all of which is in the hands of the Rainier District Attorney. "The Cookney Kid" admits that he was employed by the Liquor Dealers' Associa-tion of Rainier to "beat up" Fischer and Kemp, He was to have received \$100 ff he accomplished both jobs successfully. He admitted having made the assault upon Fischer, and showed a blood-bespattered hat as evidence of the success of his at-tempt. While driving from Kelso to Rai-nier he is said to have cursed Rev. Mr. Kemp, asying that his only regret was that he had been unable to "get him, too." In his confession the "Kid" implicated "Mysterious Billy" Smith, who runs the Atlantic Cafe, at Third and Pine streets, in Portland. It is said at Rainier that Smith was made the agent of the Rainler Liquor Dealers' Association, and hired "The Cockney Kid" to do the work. He was to have been paid \$100 by Smith on Sunday, it is said, if he succeeded in "beating up" both Kemp and Fischer. "Feeling is strong åt Rainier and at St. Helens against this man who assaulted Mr. Fischer," said Dr. Kemp last night. "Through his confession we have complete evidence that the assault was made at the instance of the Rainier Liquor Dealers' Association." IN SEVEN DEVILS BOOM square; also lower shelf. Exceptionally good value here at \$2.75. No mail or from \$1800 to \$2000. the burning of the match being sufficient to heat the lid through and from 41800 to \$2000. In the primary election in Linn County there were poiled but 2086 votes. Figuring upon the cost, nearly a dollar a vote, many are inclined to think the law is a through. This inner ring also acts as a brace, thus preventing the lid from warping. upon the cost, nearly a dollar a vole, many are inclined to think the law is a inxury-that it is not really necessary, or worth the expense. Others favor the law, Opinion is divided in Liam County, But many people who favored the law before the primary election, thinking it would get out a more representative vole, are open in their disapproval. The majority of the votes were cast in the towns, where people could visit the polls and vote lines few minutes. In city precincts votes did not cost the county a dollar each. But when the returns from the large number of country precincies were larged many were found where but 8 to 20 votes were cast and an expense bill of 840 had to be paid by the county. Under the direct primary law the result was about the same as under the old convention system, only 11 cost more. Farmers worked in their fields on election day, but all preparations had to be made

day, but all preparations hud to be made and all the expenses of an election paid," whether votes were cast or not, and the suggregate cost is large enough to make many advocates of the direct primary law in Linn County doubt its value. Of the expense bills, \$1228 was for judges

Of the expense bills, \$1228 was for judges and clerks, \$355 for printing, and the re-mainder for putting up booths, distribut-ing boxes, etc. All this money was paid by Linn County. When the bills paid by the state for Linn County, which must be met by the taxpayers the same as those assessed directly against the county, are in, the expenses of a direct primary elec-tion in Linn County will be one of the big items of the bidential budget.

them of the blennial budget. The expenses that must be incurred by the candidates for nomination under the direct primary law add to the burden. Every candidate was forced to make a pretty thorough canvass in Linn County, pretty thorough canvass in Linn County, where he had an opponent, and that oc-curred in most instances on the Repub-lican ticket. At the close of the primaries candidates complained that the expenses of the primary campaign had been so heavy that they could not make the cam-paign they would like for the general elec-tion.

The first idea of the cost of the primary election to taxpayers of Linn County be-came known today when the court fin-lahed auditing expense bills.

Report That Work Has Been Commenced Creates Excitement

at Baker City.

BAKER CITY, Or., May 4 .- (Special.)-Great excitement prevails among local mining men over the report that three camps have been established on Snake River and that the construction of the long-talked-of railroad from Huntington to the Seven Devils copper country is last under way. No confirmation of this rumor could be obtained here today, but a number of mining men here who have claims in the Seven Devils have started Association."

claims in the Seven Devils have started for that country to confirm the report and to locate more ground if it proves true. Ground is given the rumor by the fact that it is practically assured that the Guggenhelmer smelter trust has pur-chased the Cornucopia mines. The rail-road, when built, will pass within 25 miles of the Cornucopia district and give that rich territory an outlet. The value of the Seven Devils country is well known. Members of the local Brewers' and Wholesale Liquor Dealers' Association re-sent any insinuation that the attack made on Fischer was by anyone connected with or employed by the association. or employed by the association. "We⁸ are old enough to know that acts of violence sanctioned by the association would hurt us." said Paul Wessinger, a member of the association's executive board. "We always hear of such attacks with displeasure, and if such attacks are made it is always by people who are in no way connected with us. We have re-ceived information recently which proves conclusively that the attack on Paul Rader, at Salem, was a pure and simple "fake." Seven Devils country is well known, and, with transportation, money cannot purchase some claims in that locality which have been lying idle for years, the

when have been tying the reliroad. People here believe that the Guggen-heimers are behind the rallroad, and that they either intend to erect a shelter at Baker or in the Cornucopla district, probably in the latter place, and need the rail-road as an outlet.
