Dr. Withycombe Addresses a Fine Audience at Eugene.

PAYS TRIBUTE TO PARTY

Judge Cake Makes an Earnest Talk for the Entire Ticket, and C. N. McArthur Shows Up Mistakes of Democrats.

EUGENE, Or., May 21.-(Special.)-A splendld audience assembled at the Opera-House this afternoon to see and hear Dr. Withycombe, Republican candidate Governor, who, with Hon. H. M. Cake, was met at the depot by a crowd prominent Republicans and the Junior

Band.

Senator Booth, after a short address, introduced Dr. Withycombe, who was enthusiastically received and repeatedly applauded throughout his quiet but convincing speech. He paid a tribute to the Republican party, assured the people of his loyalty to the State University, favored generous but judicious state appropriations and expenditures, anticipated the passing of the franchise amendment, proved the ridiculousness of the criticisms made by some as to his nativity and asked for the support of his hearers for himself and others of the state ticket on the grounds that they were exponents of the party to which the country owed its past success and present prosperity. Its pust success and present prosperity.

C. U. McArthur made a good talk for the party and the candidates, referring especially to the importance of strengthening the present administration by elect-

ing Republicans to the important state offices, and citing instances in which serious mistakes have been made by following the plan advocated at this time by the Democratic politicians.

Judge Cake followed with an entertain-

ing address showing just what the two parties have done for the country as a whole and emphasized the importance of returning a Republican to the Senate and electing a Republican Governor. He spoke earnestly for the whole ticket, and if the reception of Judge Cake's remarks is an adication of the sentiment for a straight Republican ticket here, the contest be one-sided in Lane.
