# AXMINSTER

# CARPETS

Are retaining this Spring their usual and welldeserved popularity. The manner of weaving these carpets permits a greater variety of designs and a far wider color range than is possible in the finest Brussels. Their long, soft pile, moreover, adds to a room an air of luxury and richness obtainable in no other way.

To these virtues add great durability, combined with comparatively low cost.

We show a very large line of Axminsters, in all grades.

Prices, sewed, lined and laid, \$1.44 to \$2.20 per yard.
