man, of the Agricultural Department at Washington, D. C., formerly dean of the agricultural department of the Washington State College, is in attend-ance. The exercises opened with an ad-dress of welcome by President Bryan, of the college. His remarks were some-what extended, covering in detail the work of the agricultural college of the country. The awarding of the "W" to the athletes of the different ath-letic departments of the college by Colonel Sapp, president of the college athlatic association, followed. The college band gave a concert, fol-iowing which Professor Waller made a tolowed by Dr. Nelson, who spoke on "Yeterinary Science," and Professor Se-verance, who give a short talk on "Tarming on Scientific Lines." This afternoon the time until 4:30 of the various buildings of the college, fol-lowing which the college cadets gave an exhibition dril. The evening at 8 o'clock the visitors gathered in the auditorium and lis-tened to an address by Professor Spilli-ma. LOOT FIVE STORES PLAN Man-Hunters Must Wait. Seattle Manufacturers Would Burglars Make a Systematic OREGON CITY, Or., June 8.-(Special) -Bills aggregating \$600 for expenses al-leged to have been incurred by members Seek Markets in Oregon. Raid at Clarkston, Idaho. leged to have been incurred by members of the various posses that participated in the pursuit of Frank Smith, the des-perado, filed with the Clackamas County Court, were this afternoon passed over until the next term. The court in the meantime will confer with the Marion County Court and the Oregon City and the Woodburn City Councils. The court in this county has already paid a bill of 8000 for the special train that conveyed the main posse to Woodburn on the morn-ing of the fatal shooting of Sheriff Shaver and Captain Henderson, and feels that any additional expense items should be shared by Marion County and the two City Councils. VISION OF RAINBOW HUE GET AWAY WITH PLUNDER Will Ask Northern Pacific te Police Arrest John Ward, a Travel-Grant Low Rate to Portland. ing Horsetrader, With His Wife

and a Male Companion, on Suspicion.

LEWISTON, Idaho, June &- (Special.)-LEWISTON, Idaho, June 8.-(Special)-Burglars at an early hour this morning made a raid on the business houses of Clarkston and succeeded in securing about 200 in cash and other articles of value, making their eachpe and leaving no clew to their identity. In all, five of the larg-est stores in the town were enfored, the heaviest loser being the Clarkston Com-mercial Company. The burglars gained entrance to the stores by breaking the glass in the doors and turning the night, latches, re-

doors and turning the night latches, re-moving the money from the safes, which were unlocked, then quietly making their exit. From tracks found there is reason to believe that three men did the work. They were evidently experienced crimi-nals, as their first act was to cross telehone wires so that the alarm could not e sent to the county officials at Asotin City

### Sleeps While They Steal.

One remarkable instance of their succes was their work in breaking into the Clarkston drug store and carrying away the cash register, the proprietor of the store remaining asleep in the back room undisturbed. He did not discover his loss until the hour for opening business ar-

Tived. Late tonight the Clarkston police, as-slated by Lewiston officers, arrested John Ward and his wife and a young com-panion, named Aubrey, who were camped below the bridge in Clarkston and who are suspected of having been implicated in the burgiaries committed there this machine

Ward is a former jockey, and he and his party seem to be traveling through the country. They claim to be horme-traders, but the police think this is only a blind. They deny all knowledge of the crim

urban Line.

man,

NORTH YAKIMA, Wash., June &- (Spe cial.)—A movement is on foot here to or-ganize a syndicate of business men to build and operate an electric rallway system for the city, connecting with other towns of the valley. The business men who are about to enter the scheme will put up \$100,000, and all money needed above that amount will be raised by a a disastrous effect upon Seattle's trade with Alaska. mortgage on the plant. At the next meet-ing of the Council a petition will be preunit in this stand, but the majority, which has interpreted the situation in that man sented for this franchise. The citizens propose to build it, with the idea of turn-ing it over to the city at some future time ner, has a new suggestion. This majority wants a fight inaugurated, either before the State Railroad Commission or the Interstate Commerce Commission, to com-pel the Northern Pacific to grant a simifor operation.

# ARMSTRONG IS EXECUTED ABERDEEN MAN HANGED AT WALLA WALLA FOR MURDER. Bitterly Protests Against Law's Injustice on Scaffold-Killed

Robert Patton, a Neighbor.

WALLA WALLA, Wash., June 8 - A. A. Armstrong, who killed Robert Patton near Aberdeen three years ago, was hanged at the penitenilary this morning at 5:26 clock. The execution was successful in every detail. The man's neck was broken by the fall and death came in 13 seconds Although 60 years old, he bravely me death. After the black cap had been placed over his head Armstrong said: "This execution is premature and isn't

right. A greater injustice is being don me and my people than ever I had done. Armstrong and Patton were rancher and neighbors, and the two became involved in a dispute over the dividing lines of their respective holdings. There had been frequent quarrels, and Armstrong had been under arrest one or more times for assaulting Patton. The day of the murder Patton was chopping wood on land on which Armstrong claimed he had no right. The men were on opposite sides of the Wynooche River, and Patton re-

never greater. There have been no wash-outs, the streams, although unusually high, having never caused any damage worthy of mention. F. S. Bramwell, man-ager of the Amalgamated Sugar Company, says the outlook for the best crop is the best he has ever known.

# Probable Tragedy of the Sea.

ASTORIA, Or., June 8.-(Special.)-A elegram was received here this after-oon stating that Columbia River fishing SEATTLE, June 8 .- (Special.)-Fear that Alaska buyers will become suspicious and boat No. 6967 was washed ashore on the beach a short distance below Aberdeen, Wash, yestarday. The boat was fully equipped with fishing gear and the mast cast about for new sources of supply is the principal reason the Seattle Manufacturers' Association has for disregardequipped with fishing gear and the mast was in place, but there was no trace of the occupants. The boat was owned and operated by Theodore Arvola, who fished for the Columbia River Packers' Associa-tion, and it is supposed he and his boat-puller, whose name cannot be learned, were drowned during the recent storm at the mouth of the Columbia River. ing the special rate granted by the Northern Pacific to Portland shippers engaged in the Alaska trade. If Seattle makes a protest, the Manufacturers' Association argues in an official report, it will indicate to the Alaskan merchants that this elty fears competition and is trying to bottle up the trade of the north. Such an impression allowed to go out would have

#### Yakima Criminal Court Cases.

NORTH YAKIMA, Wash., June 8.-(Spe-NORTH YARIMA, wash., June s.-(Spe-cial.)-Nevada Lillic, who was tried here today on a charge of assaulting L. M. Hilton at Granger, was found guilty by the jury. It was alleged that Lillie beat Hilton over the head with a hammer and came near killing him. "Black Mustache," the Indian charged with robbery and horse-stealing, forfelted his bond. The case against him was to have come lar rate on Seattle goods sent from this city to Portland. With such a ruling the manufacturers hold they would be able to compete with Portland along the Harriup for trial, but he disappeared. Officers are now looking for the Indian.

Harrigan Paroled by Mead.

#### nan lines in Oregon. Local jobbers made a fight at the time OLYMPIA, Wash., June 8 .- (Special.)the rate was announced to have it an-nulled, but were turned down by Traffic Manager J. \*M. Woodruff. To them Mr. Governor Mead today granted a parole to John Harrigan, alias Charles W. Hamiin, sentenced in Whatcom County in 1992 to 14 years for robbery. The Governor was the Woodruff intimated pretty plainly that the Northern Pacific preferred to grant an Prosecuting Attorney who brought about the conviction. Harrigan then was asso-ciated with Bud Cox, a notorious crim-inal, now a convict in Walla Walla, and exceedingly low rate to Portland shippers interested in the Alaska trade and have goods shipped by way of the Sound, rather than permit a rival steamship line to be was convicted partly on that account. Cox has made a statement exonerating Harrigan completely. established from the Oregon metropolis. Then the Manufacturers' Association stepped in and disclaimed any connection

# Duffy's Pure Malt Whiskey

is an absolutely pure, gentle and invigorating stimulant and tonic, builds up the nerve tissues, tones up the heart, gives power to the brain, strength and elasticity to the muscles and richness to the blood. It brings into action all the vital forces, it makes digestion perfect and enables you to get from the food you eat the hourishment it contains. It is in-valuable for overworked men, delicate women and sickly children. It strengthens the system, is a promoter of good health and longevity, makes the old young and keeps the young strong. Duff's Pure Mait Whiskey contains no fusel oil and is the only whiskey that has been recognized as a medicine. This is a guarantee. Sold by all druggists and grocers, or direct, in scaled bottles only: never in bulk. Price \$1. Insist on the genuine, and see that the "old Chemist" trade-mark is on the label. Beware of refilled bottles and spurious malt whiskey substitutes offered for sale by unreliable dealers. They are positively harmful and will not cure. Medical booklet and doctor's ad-vice free. #### TACOMA MAYOR UNCONVINCED

Indicates a Disposition to Veto the

New Saloon Ordinance.

TACOMA, Wash., June 8 .- (Special.)-Mayor Wright today again declined to say positively that he would veto the new saloon ordinance, but he made a statement that makes it appear certain that he will disapprove the measure. The Mayor will disapprove the measure. The Mayor in discussing the section pertaining to saloon and restaurant boxes, said:

"Nearly all of our best restaurants are run in connection with saloons, and they all have boxes. The proprietors put these boxes in to increase their patronage. If

business men meet at lunch time to talk over business, or if politicians meet to talk politics, they want a box where there is some privacy. If a man takes his fam-ily out to dine, he invariably takes a box where they are not subjected to the public 算過調約

This ordinance will not baffle the clous characters. I cannot see where the abolition of the boxes will do any rood

"In my opinion, the raising of the li-cense from \$500 to \$1000 will not elevate the moral atmosphere of the saloons. What we call dives are the natural re-sult of conditions. They are run to suit their patronage."

GRAND JURY INDICTS EIGHT

Echo Highwayman and Careless

#### Lawyer Held at Pendleton.

PENDLETON, Or., June 8.-(Special.)-The grand jury, which has been in sea-sion for several days, has concluded its jabors, and will report tomorrow morning. Eight indictments have been drawn, but six will not be made public until after the Sheriff has arrested the defendants. Robert Weddle, a notorious man, was indicted for larceny from the person. He is one of the hold-up men who beat a man into unconsciousness and robbed him of \$60 at Echo not long ago. A Weston lawyer named Stone was indicted for embezziement. He collected \$60 belonging to a widow and

converted it to his own use. William Wilson, the soldier who had charge of the boxcar burned near Foster some time ago, in which John Hus-ser was cremated, was released from custody. He had been held in the coun-ty jail on suspicion of having murdered Husser and burned the car to hide the

crime No evidence sufficient to definitely co nect him with the alleged crime could

bours after luncheon no less than a dozen of those who had partaken of the

meal were selzed with

One of the Chinese dining-room boys took umbrage at the fact that the guests attributed their sickness to the tarts, and in the presnes of some of the guests nd in the press who were not affected, ate one of to prove that they were good. The mo ment he ate the tart he fell to the floor in a swoon. When he recovered his senses he was selzed with violent vomiting, and had to be carried to his sleep The managers of the Otis refuse

SAN FRANCISCO, June 8.—It was an-nounced this evening that a committee from the City Front Federation will meet give out the list of those who taken sick. Superior Judge Boyd J. Tall-man was among them, however, and is unable to hold court. Percy H. Davis, the steamship owners Monday morning in an effort to settle the sailors' strike a Cherry-street jeweler, is still unable to get down town to his store. Mrs. Martha W. Fulton, mother of Walter S. which has resulted in a general lockout of the entire waterfront of the steamship and shipping men. Mr. Furuseth, pres-ident of the Sallors' Union, has declared Fulton, a well-known lawyer, is still very III from her experience. that the sailors are in favor of arbitration and are willing to meet the steamship men on a fair basis. The ships that are

#### Councilman's Mother III.

Among those most affected was the mother of Irving T. Cole, ex-member of the Legislature, and now City Councilman. She is still confined to her bed. Manager Hagen admitted that one woman was still in bed suffering much pain, but he declared her trouble was due to eating too many of the tarts. Had the tarts been served in the evening, the number of those poisoned would have been much larger. At noon many of the guests dine down town.
