Three things were potent factors in bringing victory to these McCredie stalwarts at yesterday's baseball matinee. The first of them was the presence of Joseph Hutchinson, of Boise, Idaho, who at one time expressed an opinion to the effect that Knell would be more effective as a pullbearer at a funeral than an umpire.

There was nothing doing to either side in the first round, with the innings opened. In the second, Hildebrand hit for two sacks, Benny Henderson, after slinking two Seals, took a flurry and jolted Seals on the funny bone with an inchnut and drilled one into Parke Wilson's belt.

Amid the shouts of their schoolmates and admiring friends, the athletic grammar school boys of the city pulled off the long-deferred track meet on Multnomah field yesterday afternoon. The meet was an unqualified success, and a brilliant surprise even to the optimistic promoters, for some records were made to which many an older athlete might well take off his hat.

Think of one lone boy making 22 points for his school, and coming within a hair's breadth of making more points than any other team. This was what Matthew Deady, of Oakley Green, did. Think of a grammar-school boy doing 17 feet 19 inches in the broad jump. This is what the same boy did. Not only that, he won the low hurdles, did 5 feet 1 inch in the high jump and to cap the climax ran a good second in the fast half-mile.

It would take too long to enumerate all the encouraging features of the meet and to tell of all the good records. Outside of young Deady's remarkable performance, Erwin, of Hawthorne, ran a fast hundred yards in 11 seconds, and Burns of North Central made the almost wonderful time

of 2:34.1 in the half-mile. This boy Burns is a runner of great promise. Without being hurried he ran this distance in a time which many an interscholastic man cannot make. Burns is the younger brother, in the Y. M. C. A. race, ran two miles, and did the second mile faster than his fresh opponent.

There were several hundred enthusiastic schoolboys present, and Professor Knorr, through whose efforts the meet was largely promoted, is enthusiastic over the outcome.

Results: 50-yard dash (2 years and under)—Burdrick, Hawthorne; Krohn, Hawthorne; Grant, Couch; time, 0:12. 75-yard dash (2 years and under)—Barber, North Central; Smithson, Woodlawn; Taucher, Hawthorne; time, 0:19.

100-yard dash (2 years and under)—Young, Williams-Avenue; Eachrich, Ainsworth; Hardy, Couch; time, 0:29. 150-yard dash—Phren, Hawthorne; Wild, Hawthorne; Deady, Oakley Green; time, 0:41.

100 yards, low hurdles—Deady, Oakley Green; Holden, Hawthorne; Harreschau, Aikinson; Johnson, North Central; Grant, Couch; time, 0:24.

Half-mile run—Burns, North Central; Deady, Oakley Green; Hirschler, Hawthorne; Williams, Williams-Avenue; time, 2:34.1.

Relay race, 4 laps—Hawthorne School, North Central School, Couch School; winning Hawthorne team composed of Holden, Taucher, Hale and Wylie; time, 2:23.

High jump—Deady, Oakley Green; Phren, Hawthorne; Johnson, North Central; height, 5 feet 1 inch.

Broad jump—Deady, Oakley Green, 17 feet 19 inches; Phren, Hawthorne, 17 feet 8 inches; Custis, Falling, 17 feet 1 inch.

Pole-vault—Vinstrand, Williams-Avenue, 8 feet; Deady, Oakley Green; Vesper, Woodlawn.

Meet officials—Professor Robert Krohn, Dr. F. H. Damasch, A. C. Warriner, Morris Dunne, Hopkins Jenkins.

To the North Central team, for securing the most points, goes a banner. To the winning Hawthorne relay team goes a silver cup, and to all first and second place winners go bronze medals, provided no man shall receive more than one medal.

The summary of points for the schools: Hawthorne, 27; Oakley Green, 22; North Central, 12; Williams-Avenue, 10; Woodlawn, 4; Ainsworth, 3; Aikinson, 1; Falling, 1.

SMALL FIELD FOR BIG RACE

ONLY ELEVEN HORSES WILL START FOR SUBURBAN.

Dandelion is favorite, with Cairn-crow or Go between Second Choice and To Kalon to Show.

NEW YORK, June 20.—With only 11 horses named to start, the 2d Suburban Handicap of \$20,000 will be run at Sheepshead Bay tomorrow. The Suburban presents striking evidence of the disappointments that have attended the present racing season. Fifty-three of the best horses in training, with ill-starred Sponby at the head of the list, were entered. That but 11 horses are named as contestants is the result of a combination of factors.

Three games were played yesterday in the tennis tournament at the Multnomah Club for the big events starting tomorrow. It promises to be one of the most successful shoots ever held.

Women's Tennis Championship.

PHILADELPHIA, June 20.—As a result of today's play in the women's National championship lawn tennis tournament on the grounds of the Philadelphia Cricket Club, two players reached the semi-final round in the singles—Miss Edith E. Roth, of Longwood Cricket Club, Boston, and Mrs. Barger Wallach, of New York.

The doubles and mixed doubles were begun, the first round in the former being completed and eight matches finished in the mixed doubles.

PSORIASIS 35 YEARS

Terrible Scaly Humor in Patches All Over the Body—Skin Cracked and Bleeding—Itching Unbearable—Cured by Cuticura in Thirty Days at Cost of \$4.75.

ANOTHER WONDERFUL CURE BY CUTICURA

"I was afflicted with psoriasis for thirty-five years. It was in patches all over my body. I used three cakes of Soap, six boxes of Cuticura Ointment, and two bottles of Cuticura Resolvent. I bathed with the soap, applied the Ointment once a day, and took the Resolvent as directed. In thirty days I was completely cured, and I think permanently, as it was about five years ago."

The psoriasis first made its appearance in red spots, generally forming a circle, leaving in the center a spot about the size of a silver dollar or about the size of a heavy dry scale of a white silvery appearance and would gradually drop off. To remove the entire scales by bathing or using oil to soften them the flesh would be perfectly raw, and a light discharge of bloody substance would come out. The scaly crust would form again in twenty-four hours. It was worse on my arms and limbs, although it was in spots all over my body, also on my scalp. If I let the scales remain too long without removing by bath or otherwise, the skin would crack and bleed. I suffered intense itching, worse at night after getting warm in bed, or blood warm by exercise, when it would be almost unbearable.

To sum it all up, I would not go through such another ordeal of affliction for thirty-five years for the State of Kansas. (signed W. M. Childster, Hutchinson, Kan., April 20, 1905.)

The husband of an Ohio woman brought home some packages of grape-nuts one evening, and there was much discussion, but let her tell the story.

"Two years ago I was thin and sickly and suffered so from indigestion, was very nervous and could not sleep at night, I was not able physically or mentally to perform my duties and was constantly under the care of my physician. I had tried all the best and all the different remedies recommended by friends, but got no better.

"One day my husband brought home two yellow boxes and said, 'The grocer we use to try this food and report how we like it, he thinks it will help you.' I read all it said on the boxes about Grape-Nuts and I remember how I laughed at it, for I thought it foolish to think food could help me. But the next meal we all ate some with cream. We liked and enjoyed the delicious, crisp and new flavor, so we kept on using Grape-Nuts, not because we thought it would cure me, but because we liked it.

"That time we had no idea what the results would be, but now I am anxious to have the world know that today I am a well and strong woman physically and mentally. I gained over 30 pounds, do my own housework and am in good health. I know that it is Grape-Nuts alone that I owe my restored health. They call me 'Grape-Nuts' here in the home and all of my friends have asked me the cause of it all. I have persuaded several of them to use Grape-Nuts and every one of them who has done so has been benefited and I wish it were in my power to induce everyone who is sick to give this wonderful food a trial. We still have Grape-Nuts three times a day and never tire of it." Name given by Postum Co., Battle Creek, Mich.

Ten days on this nourishing and completely digestible food will show anyone who is run down from improper feeding a great change, sometimes worth more than a gold mine, because it may mean the joy and spring of perfect health in place of the old ails. Trial packet free.
