ABDUCTED IN AUTOMOBILE

Ten-Year-Old Adopted Child Torn From Foster Parents.

DOVER, Del., June 29.—Annie Haas was abducted yesterday by two men in an automobile. They seized the girl almost before her mother's eyes, gazed her with a handkerchief and whisked away with her at the rate of 20 miles an hour. Haas acknowledged last night that Annie, who is 10 years old, is his adopted daughter, but insists he and his wife have had her in their care for seven and a half years and love her as if she was their own. Annie Haas is temporarily the ward of the Court of Chancery of Jersey City. The child was the daughter of Annie Hesselman, formerly a servant for E. H. Harriman. Miss Hesselman gave the infant in charge of a friend, Mrs. Hoffman, whose home was in Brooklyn. For two and a half years the latter paid the infant's board, and then, unable to longer stand the financial burden, advertised her little one for adoption. Mrs. Haas read

the advertisement. Mrs. Hoffman permitted her to take the child.

For seven years Annie Hesselman kept up the search for her daughter. Last February, through an advertisement, Miss Hesselman located her daughter in the Haas family, who then lived in Jersey City. Mr. and Mrs. Haas refused to give up the child. The mother brought suit for her child's custody in the New Jersey Court of Chancery and won it. Soon afterward the Haas family moved to Delaware.

Accused of Violation of State Laws.

ST. LOUIS, June 28.—Circuit Attorney Sager, acting for the State of Missouri, instituted quo warranto proceedings in the Circuit Court against the Celia Commission Company, of St. Louis, to oust that company and all its franchisees and privileges from the State of Missouri, and asking that its property be forfeited to the state. The petition alleges that the company has violated the laws of this state, and has perverted and misused its corporate authority. The company's officers are: S. J. Miner, president and treasurer; C. A. Tilles, vice-president, and S. A. Stephens, secretary.

RACING ACROSS ATLANTIC

French and German Greyhounds Are Matching Their Speed.

NEW YORK, June 29.—Properly groomed and "rubbed down," their bunkers stuffed with the most critically selected and hand-picked steaming coal money can buy, the crack greyhounds of the German and French flags respectively started on their trans-Atlantic race yesterday. The mighty Deutschland, record-holder of the ocean, dropped out from her Hoboken pier into the North River at 8 A. M., one hour and a half after her usual time of sailing. La Provence, of the French line, was unfettered 35 minutes later than her schedule hour for starting, 10 A. M. La Provence was clear of the bar at 12:11, when she slowed up for dropping her pilot and hooked up again. At 11 o'clock the Deutschland had passed out through the Gedney channel, clearing the bar into deep water. A haze had delayed her some down the bay. Thus the 37,000-horsepower ship has an advantage at the start of one hour and 11

minutes over the 20,000-horsepower Frenchman.

Firemen Deserted High in Air.

EAST ST. LOUIS, June 29.—Four firemen, hoisted in an electric crane, 20 feet above five enormous furnaces at the American Foundry Company's plant today, fighting a fire on the roof, were left stranded half an hour because the men operating the crane became frightened and left their post. The heat from the furnaces and burning roof became almost unbearable, and for half an hour the firemen pleaded to be let down. At last Fireman Mike Sullivan, in desperation, jumped to the ground between the seething furnaces, threw a rope to his comrades, and they descended, badly blistered. The fire damage was trivial.

Garbling Shut Down at Hot Springs.

HOT SPRINGS, Ark., June 29.—As a result of action taken at a mass meeting, Sheriff Williams today ordered all pool-rooms and all gambling-houses and questionable resorts to close. A reign of crime, in which scores of visitors had been robbed during the last two months, led to this action.

DEAD HAND AT THROTTLE

Engineer on Fast Pennsylvania Train Expires at Post.

PHILADELPHIA, June 29.—The Colonial Express, from Boston to Washington, on the Pennsylvania Railroad, arrived here last night with George Maxwell, the engineer, dead at the throttle. The train left Trenton, N. J., on schedule time. There are no stops between that point and the North Philadelphia station, but it is customary to slacken the speed at Frankford junction, in the northeastern section of the city. When this was not done James Hackett, the fireman, called to Maxwell at his post. Receiving no reply, Hackett climbed over to the engineer's side of the cab and found him dead, his fingers rigid upon the throttle. Maxwell's death was due to heart disease. He was 45 years old.

Lost in the Adirondacks.

LAKE PLACID, N. Y., June 29.—After a search lasting all Wednesday

night and throughout yesterday, Dr. J. D. Merrill, a prominent woman physician of Chicago, was found yesterday by Charles Martin, a local guide, on the summit of Mount Whiteface, where she had passed the night.

Company Increases Capital.

NEW YORK, June 29.—At a special meeting of the Hanover Fire Insurance Company today it was voted to increase the capital stock of the company from \$600,000 to \$1,000,000. This action was taken as the result of the losses sustained by the company in the San Francisco fire. The new stock will be issued at \$100 a share, thus adding \$700,000 to the company's resources.

Threats From Saloon Men.

KANSAS CITY, Kan., June 29.—In his mail today Attorney-General Trickett received several letters threatening that his life would be taken and his home destroyed if he continued his crusade against the saloons. In the face of this he issued writs of abatement against 20 additional saloons.

DUEL IN SOUTH CAROLINA

Prominent Men Quarrel Over Settlement of Newspaper Deal.

COLUMBIA, S. C., June 29.—W. A. Tatum, dispensary commissioner, has received information from Orangeburg that J. T. Parks, auditing clerk in the state dispensary, and R. H. Cover, business manager of the Orangeburg Patriot, were mortally wounded there today in a street duel. Both men were shot through the body. Parks formerly owned the Patriot and sold it to Cover. The shooting is the result of trouble over the settlement. Parks is secretary of the State Democratic executive committee.

Lodge's Secretary Found Guilty.

BOSTON, June 29.—Robert G. Proctor, formerly secretary to United States Senator Henry Cabot Lodge, was today found guilty of larceny in connection with a campaign contribution made by John G. Bestgen, of Quincy, in 1904.
