An Old Story

The man who pays rent for ten years pays nearly the criginal cost of the property and in most cases the appreciation is more than the interest on the investment.

The EAST SIDE has the most HOMES, has the GREATEST population, is growing the most RAPIDLY, and the GREATER PORTLAND MUST and WILL be there.

Holladay's Addition Is the geographical center of the city, and is the most DESIRABLE residence district, and much of this will become BUSINESS preferty. Do not overlook these FACTS when making investments and call and inspect the property, for seeing is believing. The Oregon Real Estate Company
