ALLY OF FIREMEN'S FUND

Directors Will Endeavor to Reach Terms With Creditors to Avoid Being Thrown Into Receiver's Hands.

SAN FRANCISCO, Cal., July 22 .--(Special.)-The Home Fire & Marine Insurance Company, a well-known lo-cal institution and companion of the Firemen's Fund, finds itself unable to meet obligations and will go into liquidation. A few days after the fire the Firemen's Fund made a loan to the Home of \$603,000. It was thought that this sum would be sufficient to save the smaller concern, but all the estimates were wide of the

mark. The assets of the Home Company, in-cluding the \$400,000, will reach only \$1,400,000. Against this, the company has a Hability of \$2,000,000, as a result of the fire. In addition the company has more than \$1,300,000 in reinsur-ance, which it stands but small chance of collecting. What makes this failure so signifi-cant is the close association of the concern with the Firemen's Fund. So far the Firemen's Fund has not been able to begin payment on any of its
