WILL WIND UP FAIR

Lewis and Clark Directors to Meet Thursday.

WILL DECLARE DIVIDEND

Small Surplus Will Be Retained to Meet Claims for Damages Now in Process of Adjustment.

A meeting has been called for next Thursday afternoon at 4 o'clock of the Lewis and Clark Fair directors, which is likely to be the final chapter in the life of the corporation that financed the big Exposition. The directors will meet in President Goodie's office, on Seventh street, near Alder and business still pending will be taken up and disposed of. It is expected the directors will declare the final dividend, reserving a sufficient amount, however, to protect all unsettled claims. Later, it is expected a smaller dividend will be declared.

MAN OF MANY TITLES

JAMES McNAB HOLDS RECORD FOR FAST TRIP.

Is a Capitalist of San Francisco and Has Great Faith in Its Future.

James McNab, bridegroom, capitalist, politician, business man, humanitarian, philosopher, president of the McNab & Smith Transfer Company, of San Francisco, the largest concern of its kind on the Coast, and the holder of the record for fast travel between Paris and the Golden Gate, arrived in Portland yesterday accompanied by Mrs. McNab and is staying for a few days at the Hotel Portland. The two are on their way to the Sound and will probably visit the Yellowstone Park before returning home.

Mr. McNab is a Republican and he does not like to be called a politician. Some years ago he made a race for Sheriff and was defeated and since then has objected to the title. His brother, Gavin McNab, is a well-known San Francisco politician, although the two are on the opposite sides of the fence concerning the political question.
