Think! A Pretty White Lawn Summer Suit for 95c LESS THAN YOU'D PAY FOR AN AVERAGE GOOD HOUSE WRAPPER

But if you're one of the lucky women who get here in time to secure one from the bunch of about 20 that will be on the sales rack at 8 A. M., you can get a dainty lawn dress at that price. They are stop-overs from last season, have been rumpled and soiled some from much handling, but a clever laundress can quickly convert them to their pristine whiteness and freshness—and the owner has a pretty Summer frock that any woman might be glad to possess. They're in shirtwaist styles, dainty white lawn materials, attractively trimmed in embroideries, braids and platings. Skirts are gored and trimmed round bottom with ruffles and insertions. But—there are but 20—it's a clean-up. Be on the spot in Second-Floor Salons when the 8 o'clock gong rings, is our advice—if you'd become the owner of a pretty White Lawn Summer Suit for 95c

BATTLE IS BEGUN IN TROLLEY WAR

Thousands Assaulted by Company Ignoring Order of the Court.

POLICE STAND BY PEOPLE

Brooklyn Officials Support Passengers in Resisting Ten-Cent Fare to Coney Island—Company Relaxes Its Efforts.

NEW YORK, Aug. 13.—The determination of the people to resist payment of a 10-cent fare to the Brooklyn Rapid Transit Company for passage to Coney Island, Supreme Court Justice Gaynor having decided that 5 cents was the legal fare, led to further excitement today. Late tonight the Brooklyn Rapid Transit Company relaxed its enforcement of its rule that double fares must be paid. Numbers of passengers on cars bound from Coney Island who would not pay the extra 5 cents were allowed by conductors and inspectors to continue on their way.

Will Prosecute Conductors. That the officials of Kings County and the borough of Brooklyn were prepared to enforce Justice Gaynor's decision became apparent during the day. District Attorney Clarke, of Kings County, detailed one of his assistants to hear complaints from passengers of rough treatment by the company's employees because they had refused to pay an extra fare. Mr. Clarke also announced that prosecutions would follow every proven case of maltreatment.

points in Brooklyn to Coney Island, and the police in the affected district were ordered to be ready to quell any fresh disturbances.

Special Police Permit Revoked.

Meantime, Acting Police Commissioner Waldo revoked permits empowering the Company to employ special policemen to assist the regular men of the company. That off its cars passengers who resisted any demands for the extra fare, Mr. Waldo declared that the ruling of Justice Gaynor would be enforced and any rough treatment to passengers would meet with arrest.

Serious Injury to Many.

The attempt to enforce collection of the extra fare and the refusal of passengers to pay it caused a continuous riot when the Sunday crowds were going to Coney Island yesterday. Thousands of obstreperous passengers were forcibly dragged from cars and long lines of cars were stalled for hours.

French Opinion of Root's Speech.

PARIS, Aug. 13.—The Temps today devotes a leading article to Secretary Root's speeches in South America and the Monroe Doctrine. It says: "Latin-America feels the need of guarantees against the United States as well as against Europe. The Monroe Doctrine protects the republics against Europe, but it leaves them defenseless against the United States. The Temps says that Brazil favors the United States, owing to its coffee and rubber exports, adding: "But it is to be hoped that the Brazilian statesmen will not sacrifice Pan-Americanism to Monroism, except compatibly with what the Latin republics owe to Europe and owe to their destinies."
