

REGULARS TAKE TO THE DOGS

Desertion in Face of Enemy
Adds Realism to the
Mimic Warfare.

OFFICERS MUCH WORRIED

Scores of Infantrymen Take French
Leave—Wild Rumor That They
Have Been Lured Away to
Work in Logging Camps.

GENERAL FIELD HEADQUARTERS,
American Lake, Wash., Aug. 13.—(Staff
Correspondence.)—Actual loss of troops is
adding a flavor of realism to the mimic
campaign on the American Lake field of
action. This loss is nearly as heavy as
in time of skirmish firing in actual war-
fare. It is due to desertions from the
ranks of the regulars, and these desertions
have become so numerous as to
arouse some concern in official circles.

While precautions have been taken to
withhold the exact facts, it was learned
today from an authoritative source that
between 50 to 100 men have failed to re-
turn from leave of absence since camp
was established, and are regarded as de-
serters. Officers of one regiment, the
Twenty-second United States Infantry,
admitted today that they had lost be-
tween 30 and 50 men. Non-commissioned
officers of the Twenty-second say the
number will easily reach 60 men missing.

Disappeared After Pay Day.

These men disappeared from camp im-
mediately after being paid off a few
days ago. Two or three desertions have
occurred each day since then. Believ-
ing that dissatisfaction had been
aroused by heavy routine camp duty, the
men were relieved of many tiresome
tasks. This, however, is not now re-
garded as the real cause of the trouble.
Information has been given out that un-
scrupulous employers in the logging in-
dustry are offering them large wages to
work in the logging camps. To offer a man \$3 a day when he has
been getting \$1 a month from the Gov-
ernment might prove a strong temptation
to those who were not in love with the
service. Of course, in all commands there
is an esprit du corps which keeps a ma-
jority of the men in the service, even
after their first terms of enlistment have
expired.

An infantry regiment, the name of
which cannot be given, is known to have
lost 29 men at Chehalis, Wash., while
en route to American Lake, a few days
ago. The train stopped for about 15 min-
utes and there was a sudden scurrying
of the enlisted men out the doors. Resi-
dents of Chehalis and members of the
train crew say 29 men made good their
escape.

Many Rumors are Afloat.

There are many reports afloat concern-
ing the total number of desertions. These
rumors are branded in official circles
however, as exaggerations of the real
facts. It is said the Twenty-second In-
fantry has sustained the greatest loss
and that the loss of material consequence.
Many of those missing from the
Twenty-second have not been out the
door limit yet and can return at any
time with no more serious consequences
than a reprimand and punishment for over-
stay. It is not regarded as probable,
however, that they will return.

Today has been a busy one throughout
the whole camp, and the men are gen-
erally tired and can return at any time.
The day has been taken up with
minor maneuvers, each regiment and in-
dependent companies, and in the evening
problems in advance and in rear-guard
work. The woods and open glades have
been dotted early this morning with
uniforms. This morning was given up to
regimental and battalion exercises in ex-
tended order and to regimental drills.

Devoted to Instruction Work.

The advance and rear-guard maneuver-
ing occupied the afternoon. There was
no firing, the exercises of the day being
in the nature of work in instruction pre-
liminary to the big sham battle of Thursday
and Friday. Tomorrow will be devoted
to similar work.

The Oregonians showed off to fine
advantage in the field today and demon-
strated that they are as well equipped
for action as they are for the establish-
ment of a model camp. Their day's work
was executed without a hitch, and all
orders were carried out with none of
that puzzled hesitation that marks inex-
perienced soldiers.

Marching to and from the field, the
Third Regiment and separate battalion
travel with the easy swing of regulars.
The regulars march in column, the bat-
talion by column, and the separate bat-
talion by column. The local club agrees
to pay \$500 to the photographer, regard-
less of the length of the fight, and to
keep the negatives. Nelson and Gans are
each to get one-third of the proceeds, the
balance going to the club.

Harvard Crew Again Training.

BOURNE END, England, Aug. 13.—The
Harvard crew again performed light
work this morning, and this evening
Pauker replaced Richardson. They will
go to Putney August 22.

All Oregon Boys Well.

All troops in the Oregon camp continue
in good health and spirits. There have
been no breaches of discipline. The men
are relaxing their outing, and when not
in the field busy themselves swimming,
swapping yarns or playing pranks on one
another.

SUSPEND MANAGER KELLEY

Pending Inquiry Into Owens Gam-
bling Charge—Makes Sharp Reply.

INDIANAPOLIS, Aug. 13.—Manager
Michael Kelley, of the Minneapolis base-
ball team, today received a telegram from
President O'Brien, of the American Asso-
ciation, notifying him of his indefinite
suspension pending an investigation of
his share in the recent charges of gam-
bling against Umpire Owens. Kelley im-
mediately answered by wire as follows:

You have no grounds for suspending me as
manager of the Minneapolis Club except per-
sonal prejudice. Your action in this matter
is in line with your decisions in other cases
in which the Minneapolis Club was interested.
In suspending me before trial you are simply
taking advantage of your position as presi-
dent of the American Association and you are
hereby notified that I shall take action to
protect my interests.

of the third round, Duray was leading,
with Henriot second, Wagner third and
Gabriel fourth. Duray, who won in 5
hours and 38 minutes, averaged 106 kilo-
meters (66 miles) per hour, which estab-
lishes a world's record. Henriot was sec-
ond, Rougier third, Bartiller fourth, Ga-

WINS FIRST HEAT

Spokane in Race for Roosevelt
Yachting Cup.

HARD FIGHT FOR VICTORY

Clark's Boat Contests With Windrim

Kid Till Last Leg, but Hayseed

Gets Ahead of Kid at the

Finish.

MARBLEHEAD, Mass., Aug. 13.—The

Spokane, a dark horse among yachts,

owned by Vice-Commodore Lewis F.

Clark, of the Eastern Yacht Club, won

the first of the trial races for the

defense of the Roosevelt cup today. Hay-

seed III, owned by H. L. Howden, fin-

ished second, and Windrim Kid, F. G.

Macomber, owner, was third.

Practically throughout the race it

was a battle between the Spokane and

the Windrim Kid, the Hayseed passing

the latter in the last three miles of the

race. There were 17 starters in the

race, which was the first of the series

of five races to decide the champion-

ship of the Eastern Yacht Club in se-

lecting three American boats to defend

the Roosevelt cup against the three

German challengers for the German

American championship. The contest

was sailed over a triangular course of

15 miles, five miles to a leg, and of the

17 starters 14 crossed the finish line,

the Cod dropping out on the first leg

when she carried away her spreaders.

Spokane Shows Good Tactics.

The day was ideal in every way for

yachting and the wind was just suited

to the Condor type of boat. It was a

beat to the first mark, a close race

to the second mark and a run to the

finish. Quite a fleet of pleasure yachts

surrounding the starting line when the

signal was given at 11:10 A. M.

The Spokane had a little the best of

the start but the Sally VIII, which

also away in good style. About half

the fleet followed the Sally VIII on

the starboard tack in toward the Mar-

chester shore, while the remainder

with the Spokane in the van, stood out

to sea. The latter move proved to be

the better one, for the boats soon gave

more weight to the windward.

The Spokane tacked around the first

mark at 12:41:55 with the Windrim 55

week, as prices on fine pianos are
sure to attract bargain-hunters. We
have what you want, no doubt about

we have a beauty for \$200, one for
\$218, another one for \$235, still others

than you can buy them for this week.

Why not take advantage of these
conditions and buy your piano now?
Our time is short. The Northern Pa-
cific Express Co. is to have posses-
sion of our store room on the evening
of August 18. No time for argument;
in fact, the prices and terms at which
you can secure a piano now is the

balloon jibs for the race to the second
mark, but the two leaders stuck to
their small jibs and for a while they
had a sharp tugging match. Slowly the
Windrim Kid gained on the Spokane
and within 50 yards of the second mark
she blanketed the Clark boat and jibbed
around the mark at the Spokane. The
Spokane was seven seconds behind her
and with spinnakers to starboard they slid
toward the finish line. The Spokane
drew quickly past her rival and fin-
ished the race one minute and 47 sec-
onds ahead of the Hayseed III, which in
the meantime had beaten out the
Windrim Kid. Summary.

Name	Elapsed Time
Spokane	3:44:18
Hayseed III	3:44:55
Windrim Kid	3:45:26

The other boats crossed the line
closely bunched, the last to finish, the
Alceto, being more than 15 minutes be-
hind the winner.

SCHILLERS TO MEET OAKLAND

Portland Amateur Champions Will
Play Professionals Today.

The Beavers will not arrive home until
tomorrow morning, and consequently the
series with Oakland will be delayed a
day. McCredie and his cohorts have been
cutting capers with Fresno at Los An-
geles, and because of the great distance
away it was impossible for them to reach
home on schedule time. Oakland came
to town yesterday, and this afternoon at
3 o'clock the veteran Van Halgren will
cross bats with Gardner's Schillers. The
local amateur organization, already a fast
one, will be strengthened by the addition
of Win French, ex-member of the Giant's
catching corps, who will be sent in to hold
down Rip and his team of sluggers. For
Oakland, Hopkins, the clever little south-
paw, will preside in the center of the
diamond.

This game should not be at all one-
sided, French is right at home in fast
company, and he is good at any in bend-
ing them when he feels so inclined. The
Schillers, by a string of victories broken
by one defeat, have demonstrated their
knowledge of the game and will give
French the best of support, as well as
holding their own at the bat.

Early in the season, with Roy Toren in
the box, the Schillers all but did up the
big leaguers one day at Recreation Park.
Not till the ninth inning could the Bea-
vers break the spell and finally win out.
It would be a great joke if the amateurs
should dispose of the paid crew this after-
noon. The line-up will be:

Oakland	Position	Schillers
Hopkins	P.	French
Hackett	C.	Bliss
Helm	1B.	A. Burns
Halley	2B.	Pay
Deveraux	3B.	Gray
Smith	LF.	R. Parrott
Van Halgren	CF.	Chapin
Kruzer	RF.	Oliver

CANADIAN WINS FISHER CUP

Zoroya Has Easy Victory in Second

Race of Series.

ROCHESTER, N. Y., Aug. 13.—The

yacht races for the Fisher cup were con-

cluded here this afternoon, when the Zo-

roya, the Canadian challenger, took the

second race, defeating the Iroquois, rep-

resenting the Rochester Yacht Club, holder

of the trophy. The Zoroya represented

the Royal Canadian Yacht Club of To-

ronto.

The race today was over a windward

and leeward course of 18 miles. The of-
ficial time of the start was: Iroquois,
12:30; Zoroya, 12:30:24. The Iroquois got
the better of the start, but the Zoroya
passed her in a short time and was never
