GIVES FROM ASHES

San Francisco Wires Funds to Help Valparaiso.

SUM OF \$10,000 IS SENT

Citizens' Committee Holds Meetings to Devise Other Means of Relief, and Public Subscriptions Pour In.

SAN FRANCISCO, Aug. 20.—Members of the committee of 40, appointed by Mayor Schmitz to devise ways and means for the relief of San Francisco during the fire of last April, met today to arrange for San Francisco's contribution to the stricken people of Chile. Within 15 minutes the individual members of the committee had subscribed \$255.

It was announced that the Canadian Bank of Commerce had already telegraphed to the President of Chile the sum of \$10,000, advanced at the request of members of the committee. This sum is now to be raised by public subscription.

A committee of seven, including James D. Phelan, W. J. Barnett, and I. W. Hellman, has undertaken to raise this amount, and additional plans of relief work will be considered at a meeting to be held tomorrow.

Transport Service to Remain.

SAN FRANCISCO, Aug. 20.—Word has been received from Washington by the local military authorities that the plans for the proposed transport dock and supply stations to be erected at Fort Mason have been approved, and it is expected that work will commence within the next few weeks. This means that San Francisco will retain all the Army business and the Government transport service and that \$500,000 will be spent here on the work of construction. In connection with the transport dock, a ferry slip will be built, and a much-desired approach by water to Fort Mason and the Presidio will be provided.

Victim of Careless Frenchman.

SAN FRANCISCO, Aug. 20.—The body of the late Lieutenant Clarence England, navigating officer of the cruiser Chattanooga, who was killed in the harbor of Chefoo several weeks ago, arrived here today on the Pacific Mail liner Korea. Lieutenant England was killed on his ship by a bullet fired from on board a French man-of-war engaged in target practice.

United Railroads Getting Ready.

SAN FRANCISCO, Aug. 20.—The United Railroads, anticipating a general tie-up of the system, is preparing for emergencies. The Sacramento-street car-house is being turned into a big bunk-house, and cots have been ordered for men who may be placed in the building. Directly behind this car-house is the old Fremont Railroad terminal, abandoned since the California-street electric line was installed, and a big kitchen has been built in an enclosure. In all, 1500 men can be accommodated in these quarters, that number of cots having been ordered.

MARE ISLAND NAVY-TARD, Cal.

Aug. 20.—Captain Giles Barber, commander of the Independence, made the following statement today:

Independence Officers Ask That the Truth Be Made Known.

It is reported that the Independence officers today made an official request, framed at a meeting, that a board of investigation may be appointed at once, in order that the plain truth may be ascertained and freely published in the press, the papers with but few exceptions having been publishing articles derogatory to their positions as officers and gentlemen, and also reflecting on the entire naval service.

Brutally Slain by Husband.

BLOOMINGTON, Ill., Aug. 20.—Mrs. William Thomas, wife of a miner at Pontiac, Ill., was today murdered by her husband, who cut her throat from ear to ear and smashed her skull with a hatchet. The murderer escaped to a cornfield and a Sheriff's posse is in pursuit.

Atkinson, for the transfer of the colored troops from Fort Brown, Texas, where there has been serious trouble between citizens and soldiers, to Fort Ringgold, Texas, which is about 100 miles above Fort Brown and is also on the Rio Grande. One company of the Twenty-sixth infantry, composed of white men, is ordered to Fort Brown to take the place of the colored troops.

Stackpole Not Satisfied

Convicted Murderer of Schick Will Demand Another Trial.

LOS ANGELES, Cal., Aug. 20.—Ernest G. Stackpole, convicted by a jury yesterday of the murder of Joel Schick, with a recommendation of life imprisonment, is dissatisfied with the result of his trial and has announced that his attorneys will appeal his case. Attorney Thompson, chief counsel for the defense, will present a motion for a new trial on the ground principally that the state had no constitutional right to break open Stackpole's safety deposit box and use the letters written by Mrs. Schick, which were found there, to convict the defendant.

PACIFICS LEAD MARKET

ADVANCE EARLY IN DAY, BUT DECLINE AT CLOSE.

BUYERS OF HARRIMAN STOCKS STILL ABOUT, BUT BOOM SPREADS TO OTHER WESTERN RAILS.

NEW YORK, Aug. 20.—Further excitement attended the opening of the stock market today. There was an unusually large attendance of members. The visitors' gallery was packed to its utmost capacity with sightseers.

There was an accumulation of over-Sunday buying orders, and the principal early trading was in the Harriman stocks, which had last week movement. Union Pacific opened with a block of 14,000 shares at from 134 1/2 to 134 3/4, later selling at 135. Southern Pacific started off with a block of 10,000 shares at an advance of 1 1/2 points over Saturday, a new high record. Amalgamated Copper opened with a block of 10,000 shares at an advance of 2 1/2. Other stocks that made substantial gains were Great Northern preferred, with 6 points; Northern Pacific 2 1/2; smelting 4 1/2; Anaconda 4 1/2; Atchafalaya 2 1/2; Reading 1 1/2; and Illinois Central 2 1/2. The buying orders were reported to have come from various out-of-town points. London was a reported purchaser.

Home for the Chorus Girls.

CLEVELAND, O., Aug. 20.—According to a report received here from the East yesterday, John D. Rockefeller has under consideration a proposition to endow a home for chorus girls to the extent of \$1,000,000. The project, it is said, was planned by Miss Marie Cahill, the actress, and through a clergyman acquainted with Mr. Rockefeller she contrived to present the matter to the oil king. His donation was conditional on a like amount being raised by Miss Cahill and those interested with her. The home will serve as a place where chorus girls will be trained and educated for their work, and also a home should illness or age prevent them from continuing their profession.

Railroads Are Short of Men.

PITTSBURG, Aug. 20.—Railroads entering Pittsburgh are in sore straits for men to man their trains. Some of them have raised the age limit established for new employes some years ago, while others are abandoning it altogether. The tremendous increase in freight business finds them all short-handed, while at the same time the Western roads are losing the Eastern market of all available men to help move the phenomenal crops. Advertisements are appearing in the local papers for men to fill positions as conductors and firemen, wages are being advanced and every effort made to increase the working force before the heavy rush of Fall freight business causes a complete blockade.

Mesaba Range Forests Burn.

DULUTH, Aug. 20.—Lack of wind is the only condition that now prevents a possible reign of terror from forest fires on the Mesaba and Vermilion Ranges. The Mesaba is a veritable furnace as a result of the fires that are still spreading over the parched surface of Grand Swamps. Millions of dollars' worth of property, towns and mines are in peril. People at various points are "back-firing."

Bryan Sails for New York.

GIBRALTAR, Aug. 20.—William J. Bryan and his party boarded the North German Lloyd steamer Frizza, leaving at 1:30 P. M. today, and the steamer sailed at 2 o'clock.

HIS "FRIEND" SUSPECTED

ALBANY RAILROAD MAN IS ROBBED OF HIS SAVINGS.

Invited Out for a Time, He Falls in Hands of Hold-Up Man. His Friend in Jail.

J. E. Burgess and F. Shadon were held up and robbed about 1 o'clock this morning on the corner of Park and Davis streets. Burgess had just arrived in town from Albany, where he had been working for the Southern Pacific, and he yielded his savings of several months to the amount of \$100. Shadon is a bartender in the Seattle Cafe. His possessions consisted of but \$2.20.

The police are working on the theory that the hold-up man was a pal of Shadon's and that the affair was a pre-arranged deal to relieve Burgess of his money. Accordingly, the barkeeper was locked up on suspicion, and the police hope soon to locate the third man in the game.

Burgess had made the acquaintance of Shadon early in the evening. He had been drinking and displayed the amount of his earnings to the barkeeper. The latter immediately became friendly and suggested a plan whereby they might go out for a time. According to the tale of Burgess, they had progressed but a short distance when a heavy-set, masked man stepped from a dark corner and ordered both to throw up their hands, with the threat, "I'll blow your heads off!" Shadon's hands were crossed up readily, but when Burgess showed fight, Shadon persuaded him also to be passive and submit to a search.

When brought before Sergeant Jones and Captain Bailey at the police station Shadon's nerve failed him and he shook like a leaf. Subjected to a rigid examination, he was unable to reply readily. Captain Bailey recognized him as having been mixed up in similar escapades and had him put behind the bars on short notice.

Lightning Breaks Up Service.

CHICAGO, Aug. 20.—Three hundred workmen at the Hugewich Swedish Lutheran Church, One Hundred and Thirty-second street and Ontario avenue, were thrown into a panic yesterday by a bolt of lightning, which set fire to the building. Axtel Anderson and Miss Anna Olson were thrown to the floor and rendered unconscious, but were later revived. The church was crowded up because of the heat, several of the windows had been opened to admit the air.

The bolt traveled downward and through the open window. The wood-work was set afire and the workmen fled from the place. None was injured, and, under the direction of the pastor, several men returned to the church and extinguished the fire.

Jury Finds No Indictments.

CHICAGO, Aug. 20.—The two grand juries which have been considering the Standard Oil cases in the Federal Court convened this afternoon, and after a 10-minute session adjourned until Thursday without returning any indictments.
