Chicago Bank Swindlers Obtain \$10,000 on Forged Checks.

CHICAGO, Sept. 14.—Five members of a mysterious gang of forgers were arrested last night by city detectives and locked up at the Harrison-street station. The utmost secrecy was maintained by the police regarding the arrests. It is said that thousands of dollars were secured by the swindlers, and that many prominent banks have been losers.

It is said the passing of the forged paper became so easy that the swindlers became reckless, leading to their arrest. All were stylishly dressed. They would drive up to a bank in a large touring-car and one of their number would enter. He would present a check to the teller, and so perfect was the signature that the money was quickly forthcoming. In several cases when the swindler was questioned one of his companions would identify him.

At one bank the forgers secured \$500. No trouble was experienced and other banking firms were swindled in a similar manner. The men are said to have spent money lavishly, and in their set were looked upon as millionaires. It is probable that the sums secured by the forgers will amount to \$10,000, and may go even higher.

Fifty Take Involuntary Bath.

ST. LOUIS, Sept. 14.—Fifty spectators were precipitated into Laughlin's Lake this afternoon by the breaking down of a platform. Many saved themselves by clinging to the wreck of the platform and others swam ashore and dried themselves in the sun. Nobody was drowned or hurt.

SUSPECT CROOKED WORK

Failure of Another Philadelphia Trust Company to Be Probed.

PHILADELPHIA, Sept. 14.—District Attorney Bell, it has been learned, has been investigating the failure of the City Trust Safety Deposit & Security Company of this city, which closed its doors in June, 1905, with liabilities of more than \$600,000. Mr. Bell says he has discovered evidence of criminal liability, and intends to secure prosecutions.

Will Help Motherless Girls.

CATSKILL, N. Y., Sept. 14.—A plan for the establishment of clubs in various cities and towns of the country for the encouragement of motherless girls was announced last night by Mrs. Maggie Van Cott, 77 years of age, the evangelist and revival leader. "We hope to band together for mutual aid, sympathy and protection of motherless girls throughout the land," said Mrs. Van Cott. "Rescue missions are doing a noble work, but it will be the purpose of the clubs we are planning to reach the girls before they enter on the downward path and to safeguard them in every way. In New York, my native city, and in Boston, Philadelphia and Chicago, I expect to personally attend to the formation of the so-called Encouragement Clubs. I look upon this work as the crowning event of my life."

M., Chicago and other cities, was arrested here today by a deputy United States Marshal on the basis of an indictment returned in New Mexico in April last, charging him and others with being implicated in alleged Government land frauds in that territory.
