

MICHAEL'S HOMER TURNS THE TRICK

Portland Fielder Sends Ball Over Right Field Fence and Wins Game.

MIQUE FISHER LOSES BET

Manager of Raisin Eaters Must Burn His Hat Before the Crowd as Penalty for Loss of the Contest by Fresno.

PACIFIC COAST LEAGUE. Yesterday's Scores. Portland 3, Fresno 2. Seattle 13, San Francisco 9. Los Angeles 6, Oakland 3.

Have you ever been tuned to high "C" then have the string break? Have you ever telephoned your best girl and fixed a date with her only to find on your arrival the other fellow on deck, and seated in the cozy corner? Have you ever been presented with a board bill, with your kick as empty as a looted bank?

Ladies and gentlemen, this is not the only thing that pained in yesterday's 3 to 2 victory. Everybody knows Mique Fisher so there is no use to introduce him. Long before Mique's hair began to slip from his conning tower, some one called him the "Spendthrift Kid" and since then Mique has been trying to live up to the life. Honestly Mique is "awful" reckless. Why, once he bet Dr. Hanby \$10 that he could beat him running 100 yards. Mique didn't finish. Some one else was about to open at Oakland. Bet? Why, Mique would bet your eyes out, so he bet a man that if he didn't win the opening game he would burn up his hat. Mique won. The other games went to Oakland. Mique was still in the reckless mood yesterday. He bet his hat and the burning of it.

Mique to Burn His Hat Today. Come out this afternoon and watch Mique burn his hat. Fisher will keep his word. He will burn the hat near the catcher's plate and the City Physician will be there to see that the spot is thoroughly fumigated.

Franklin Benjamin Gum and Fitzgerald, first name unknown, were the mid-diamond attractions during the matinee. Both slabsters were hit hard at times, then again they were full of mystery. Truck Eagan, noted for his powers for hitting the stuff out of the ball, caught one on the seam in the second inning and jolted it over the rightfield fence. Eagan trotted around the circuit and this homer over the garden wall, followed by a couple of singles, netted the tamed tigers two runs. Mique Fisher took his 25 pounds of manhood under the shade of the grandstand and smiled when the bell tolled twice. Mique sat safe and serene until Mike Mitchell whanged one against the rightfield fence for two bags in the sixth section. He scored on Smith's hit to center.

Game Was a Fast One. Still Mique's hat was safe, and so were the microbes that abide therein. It was not until Sweeney had popped out and our fellow citizen Mitchell came to face Fitzgerald that the bacilli in Mique's head gear began to squall for help. Jimmy McHale was safe when the mighty Truck foisted his infield shot. Fitzgerald was unafraid, even if Fisher's toupee did begin to wiggle. Down the alley he shot one and bluff Mike Mitchell awaited their oncoming horse hide. Up went the ball and over the fence. You've heard of horses winning a race by an eye hair, well Mike's homer waited until the ball got over the fence before it took a sharp curve to the right. Ump Mahaffey didn't have to guess whether it was safe at that.

Two home runs is pretty good for one game, but when three fast double plays are tossed in, his going some. Sweeney, Kane and Lister figured in two that were corkers. They both helped some. The one that Delmas and Cartwright were mixed up in hurt. Yes and Gum mustn't be overlooked. A single came near causing several fans to die of heart failure when he hit for three bases. Its time for the score now.

MIKE FISHER BLAMES UMPIRE

Fresno Manager Explains Loss of Six Games to Seattle.

Michael Angelo Fisher, the Adonis-like manager of the Fresno ball team, explains his season of six games in Seattle without a single victory as a case of bad luck in which he suffered by the woeful lack of efficiency on the part of Umpire Derrick.

Mike thinks he has a phenom in the person of the tall young chap Hoag, who is one of the Fresno pitchers. According to the Fresno manager when the next day Mike says Happy Hogan pulled off one of the time-honored baseball gags on the new chap. In the berths of the "Pullman" are little fellows for the storing of clothing and the like, but Hoag had never been on a railroad train over night before and was not "hep" to the use the nets were put up when the Fresno team goes home for the last six weeks of the season.

In referring to the Seattle situation, Fisher stated that he intends to finish the season, but does not know Agnew's intention in the matter, for the latter is out of town.

NEGOTIATING FOR B. & O.

Kuhn, Loeb & Co. Say Sale Has Not Yet Been Effected.

NEW YORK, Sept. 18.—A representative of the firm of Kuhn, Loeb & Co. said today that the report that they have sold to the Union Pacific Railroad Company the stock of the Baltimore & Ohio Railroad Company that the firm purchased from the Pennsylvania Railroad is premature. Negotiations for the stock are under way but not completed, Kuhn, Loeb & Co. announce.

The announcement of Kuhn, Loeb & Co. is the first official report in confirmation of rumors current in Wall Street for some time to the effect that E. H. Harriman was seeking a large interest in Baltimore & Ohio. With their large holdings in Chicago & Alton and the control of Union Pacific and Southern Pacific, the acquisition of Baltimore & Ohio would give the Harriman interests control of a railroad line from the Atlantic to the Pacific. Mr. Harriman and his associates also would have a voice in the affairs of Reading, a large block of that company's stock being held in the Baltimore & Ohio treasury.

It is reported that 500 people are homeless. "Widespread damage has resulted from the inundation of Sinaloa. A report from Ahome, one of the towns situated near the mouth of the Fuerte River, states that there have been many deaths there from malaria fever."

INTERESTING FACTS.

For Nearly Every Man, Woman or Child. A short time ago we published an article recommending to our readers the new discovery for the cure of Dyspepsia, called Stuart's Dyspepsia Tablets, and the claim then made regarding the wonderful curative properties of the remedy has been abundantly sustained by the facts. People who were cautious about trying new remedies advertised in the newspapers and were finally induced to give Stuart's Dyspepsia Tablets a trial were surprised and delighted at the results. In many cases a single package costing but 50 cents at any drug store made a complete cure and in every instance the most beneficial results were reported. From a hundred or more received we have space to publish only a few of the latest but assure our readers we receive so many commendatory letters that we shall publish each week a fresh list of genuine, unsolicited testimonials and never publish the same one twice.

WEINHARD'S BEER STANDS FOR QUALITY

Most breweries produce their various brands of beer from one and the same malt. Our three brands, "Standard," "Columbia" and "Kaiserblume" are brewed from a separate and specially prepared kind of malt, each one different from the other and made expressly for each different brand of beer. Our mammoth malt-houses make this possible and is one of the principal factors in making our beer the most palatable and healthful beverage that it is possible to secure.

COLUMBIA—In the manufacture of this beer we use the Pilsen method. STANDARD—This brand, which has added much to the fame of our establishment, represents the best traditions of the "Vienna" school, both in the brewing and matting processes. KAISERBLUME—A beer that delights the epicure and satisfies the most-exacting customer, has the flavor and full quality of the most renowned "Munich" beer.
