THANKS OF NATION

President Calls for Them to Be Given Providence.

SETS NOVEMBER 29 AS DAY

Gratitude for Material Well-Being Due to Delty-Prosperity Only Foundation for Superstructure of Moral Life.

WASHINGTON, Oct 21-The Prest dent today issued a proclamation naming Thursday, November 19, as a day of thanksgiving. The text of the proclamation is as follows: "A proclamation.
"The time of the year has come when,

in accordance with the wise custom of our fathers, it becomes my duty to set aside a special day of thanksgiv-ing and praise to the Almighty be-cause of blossings we have received and of prayer that these blessings may and of prayer that these blessings may be continued. Yet another year of widespread well-being has passed. Never before in our history or in the history of any other nation has a people enjoyed more abounding material prosperity than has ours; a prosperity so great that it should arouse in us no smill of reckless wride, and least of all. spirit of reckless pride, and least of all, a spirit of heedless disregard of our responsibility; but rather a sober sense of our many blessings, and a resolute purpose, under Providence, not to for-

purpose, under Providence, not to forfeit them by any action of our own.

"Material well-being, indispensable
though it is, can never be anything but
the foundation of true National greatness and happiness. If we build nothing upon this foundation, then our National life will be as meaningless and
empty as a house where only the
foundation has been laid. Upon our
material well-being must be built a
superstructure of individual and National life lived in accordance with the
laws of the highest morality, or else
our prosperity liself will in the long
run turn out a curse instead of a blessing. We should be both reverently
thankful for what we have received
and earnestly heat upon turning it into
a means of grace and not of destruction.

"Accordingly, I hereby set apart Thursday, the 29th day of November next as the day of Thanksgiving and supplication, upon which the people shall meet in their homes or churches, devoutly acknowledging that which

they may in addition receive the power to use these gifts aright.
"In witness whereof I have hereunto set my hand and caused the seal of the United States to be affixed.

"Done at the City of Washington this 22d day of October, in the year of our Lord 1906, and of the independence of the United States the 131st.

Landgrabbers Who Used Soldiers' Widows as Tools Escape.

Ayers, John I. Newell, Howard A. Binford and John F. He made the complaint on his own behalf and on behalf of all other policy-holders of the company to restrain waste and diversion of the company's funds and to compel the directors to account for the large sums already spent in carrying on their campaign.

The action is the result of the company's alleged plan of campaign, by which the mutilated official ballots are alleged to have been sent out through the company's agents with the names of the candidates on the international committee ticket stricken of and all ballots containing the

number of an existing policy.

It is further claimed that every effort has been made by personal solicitation of the company's agents and by circular letters from various officials of more or less sence to induce the policy-holders to vote the administration ticket.
