LABOR VOTE FOR HEARST

McCarren's Fight on Hearst Falls to Carry City of Brooklyn—Republicans Control Legislature, but Democrats Claim Gains.

NEW YORK, Nov. 7.—According to returns received up to an early hour this morning, Charles E. Hughes, Republican candidate for Governor, has been elected by 50,000 or more plurality. Outside of Greater New York, with 100 election districts missing, Mr. Hughes has a plurality of about 124,000. In Greater New York, with 63 election districts missing, V. R. Hearst, the Democratic and Independence League candidate, has a plurality of 76,000. Mr. Hearst carried all the boroughs of the greater city, despite the fact that the early returns seemed to indicate that he had lost Brooklyn.

No definite figures are yet available as to the results with regard to the subordinate state officers, and both Democrats and Republicans are claiming victories. Mr. Hearst is reported to have won the Lieutenant-Governorship. The indications are that the State Legislature will show little change in its political make-up.

The Tammany Judiciary ticket in New York County, with the exception of Otto Rosaksky for General Sessions Judge, Republican, has been elected. The Judiciary nominators' ticket was defeated.

State Chairman Max F. Ihmsen, of the Independence League, claims that Hearst has been elected. He sent out late last night telegrams to all Independence League watchers to be on guard to see that the full vote was counted.

HEAT BATTLE LOST AND WON
Hughes' Victory Marked by Surprises on Many Sides.

NEW YORK, July 6.—According to complete returns from all over the state received up to 10:30 P. M., Charles E. Hughes, the Republican candidate, has been elected Governor of New York State by William Randolph Hearst, the nominee of the Democratic party and the Independence League, by approximately a plurality of 50,000. Two years ago Governor Higgins was elected on the Republican ticket by 30,000.

Some doubts were expressed tonight as to the facts of the Democratic and Independence League tickets outside of Mr. Hearst, several of the New York newspapers which have been supporting Mr. Hearst declaring that there was a chance the subordinate officers of the Democratic and Independence League combination having been elected.

Where Hughes Got the Votes.
The latest figures seem to indicate that Mr. Hughes' plurality above the next exceeded 115,000.

In offset this, Mr. Hearst's plurality in Greater New York will probably be from 50 to 60,000.

In Brooklyn, where Senator Patrick H. McCarren made a bitter fight against Mr. Hearst, the latter carried the borough by a small plurality, probably 400. At that time it seemed that Hughes had been successful in Brooklyn, but the late returns were all strongly in favor of the Democratic candidate.

Hearst has been given a majority of nearly 70,000 in Manhattan and the Bronx, Queens County, which includes Long Island City, has gone for Hearst by 6,000 to 8,000, and Richmond, Staten Island, has also given the Democratic candidate a plurality.

Hearst Gains in Cities.
As was generally expected, Mr. Hearst won his greatest strength in the cities throughout the state, and took out of the Republican column a number of the more important municipalities which heretofore have been Republican. Among these were the city of Albany, where he won by a large majority, Rochester, Utica, Troy, Elmira, Little Falls and Johnstown. All these, except Utica and Rome were

Republican two years ago. Mr. Hughes did not gain a single city.

The Republican ticket was successful, but sustained various losses in Syracuse, Gloversville, Amsterdam, Ithaca, Schenectady, Watertown and Plattsburgh. As a result of the scratching and the voting for the same candidates under different party emblems, the returns for the subordinate offices on the various tickets are so complicated as not to be available tonight.

Tammany Judges Elected.
Great interest centered in New York in the campaign waged for the judiciary ticket named by a committee of lawyers headed by Joseph H. Choate and ex-Judge Alton B. Parker. The Tammany and Independent League joint ticket has won over the non-partisan candidates by big pluralities.

State Senator Thomas F. Grady, of Tammany Hall, has been re-elected over Thomas Rock, who has been known in the campaign as "Eight-hour" Rock and who claimed he had been "tricked" by the Independence League.

Throughout the state there has been a notable falling off in the vote of 1904, which was a Presidential year. The Republican ticket showed the greatest loss in this respect, especially in the cities.

Hughes Does Not Feel Elation.
In claiming the election of Mr. Hughes tonight by a large plurality, Republican State Chairman Woodruff said:

"I knew all along we had lost the labor vote. Every possible thing was done to recover it, but I think without avail."

Mr. Hughes said:
"I am very much gratified if I am elected, as now seems to be the case. Whatever my plurality may be, my feeling is not of elation, but of responsibility."

Hearst Does Not Admit Defeat.

Nether Max F. Ihmsen, chairman of the Independence League; W. J. Conners, chairman of the Democratic State Committee, nor Mr. Hearst was willing to admit defeat at a late hour tonight.

There were many odd turns to the balloting. Here in New York it was Richmond Borough that defeated Mr. Hearst for Mayor a year ago, and it was Brooklyn, with a big plurality, which helped him to make the race so close. Mr. Hearst barely carried Brooklyn today, but ran ahead in Richmond.

In Schenectady, one of the best organized labor cities in the United States, it was expected Mr. Hearst would have a substantial plurality. The Republican ticket was successful by 271 votes, as against a Higgins plurality of 122, two years ago.

Republicans Control Legislature.

While both the State Senate and Assembly will be strongly Republican, the Democrats are claiming that they have made gains. The complexion of the New York congressional delegation, it is believed, will undergo but slight changes.

Hearst Gains in Cities.
BUFFALO, N. Y., Nov. 6.—City complete gives Hughes 3,146; Hearst, 2,847. In 1904 Hughes won 2,815 and Hearst 3,050. The Democratic gain over 1904 is 215.

GLOVERSVILLE, N. Y., Nov. 6.—City complete gives Hughes, Rep., 223; Hearst, 198.

ELMIRA, N. Y., Nov. 6.—Elmira complete: Hughes, 3,146; Hearst, 2,847. Net Republican loss over 1904 is 105 votes.

ROME, N. Y., Nov. 6.—Rome complete gives Hughes 170, and Hearst 155, compared with 194 for Higgins and 213 for Herrick in 1904.

NOT ELATION, RESPONSIBILITY

Hughes Describes Feeling Produced by His Election.

NEW YORK, Nov. 6.—When seen at his home at 9:30 o'clock tonight Mr. Hughes said:
"I am very much gratified if I am elected, as now seems to be the case, but I am not accustomed to speak in detail upon matters about which there may be any uncertainty."

"I understand, however, that my election is pretty well assured, but whatever my plurality may be, my feeling is not one of elation, but of responsibility. That is all that I care to say at present."

GOOD WEATHER, HEAVY VOTE

Hearst Refuses to the End to Admit Defeat.

NEW YORK, Nov. 6.—More perfect weather for an election never favored the voters of Greater New York. The day was bright and the early poll was unusually heavy in every section of the city.

Of the 400 persons arrested for alleged violations of the election law, 343 were in Manhattan, according to Superintendent of Elections Morgan's statement.

Up to midnight neither Mr. Hearst nor

GREAT PARTIES HOLD THEIR OWN

Election Struggle Has Proven Drawn Battle.

NEW YORK IS STORM CENTER

Fusion Beaten in Keystone and Bay States.

REPUBLICANS GAIN IN OHIO

Colorado Probably Republican and Paterson Will Lose Senatorship. Babcock and Wadsworth Beaten. Longworth Goes to Congress.

IMPORTANT RESULTS OF ELECTIONS.

New York—Republican Governor and Legislature. Probably no change in Congressmen.
Pennsylvania—Republican Governor, no change in Congressmen; Republican Legislature.
Massachusetts—Republican Governor, state ticket and Legislature; no change in Congressmen.

Colorado—Claimed by both parties, although indications favor Republicans; Republican Legislature.
California—Republican throughout. Idaho—Governor in doubt; Congressmen and Legislature probably Republican.

Montana—Republican Congressmen and majority of Legislature.
Illinois—Republican state offices and Legislature; probably no change in Congressmen.
Nebraska—Republican Governor and no change in Congressmen.
Washington—Wadsworth, of New York, and Babcock, of Wisconsin, defeated for Congress.

Elections were held yesterday in 42 states and, with the exception of a number of instances were of unusual interest. It may be said that, generally speaking, there were no great surprises. Throughout the South the Democratic state and congressional tickets have been elected by the usual majorities. In the West and East the states that were aligned two years ago in the Democratic or Republican columns show no material change, the Democrats making gains in some instances and the Republicans in others.

Country Vote Elects Hughes.

The Republicans retain control of Congress by a good majority. Perhaps the widest general interest in the elections centered in the remarkable fight for Governor which has been waged in New York State between Charles E. Hughes, the Republican candidate, who throughout the campaign has had the support of President Roosevelt, and William Randolph Hearst, who has been running as the regular Democratic and Independence League nominee. The latest returns available show that Mr. Hughes, while losing nearly all of the principal cities of the state, was successful by about 50,000 plurality. The rural districts brought about the Republican victory.

In New York City the Tammany Hall-Independence League Judiciary ticket was successful, with possibly one exception, over the candidates named by the non-partisan "Judiciary nominators."

Moran Loses in Bay State.
Massachusetts has re-elected Curtis Guild, Jr., Republican, as governor over District Attorney John B. Moran, of Boston, who was the candidate of the Democratic party, the Independence League and the Prohibitionists.

In Chicago it is estimated that the Independence League ticket polled 40,000, but there was a heavy Republican plurality for the state officers.

Pennsylvania has elected Stuart, Republican, Governor, over a Fusion opposition by the usual Republican plurality.

Michigan, Iowa, New Hampshire, North Dakota, Connecticut, Indiana and Wisconsin have rolled up Republican pluralities, although there was some falling off from the usual vote in Iowa.

In Minnesota, Governor Johnson, Dem., was re-elected by the largest majority ever given a Democrat in the state.

Nebraska shows big Republican gains.

Republican Gains in Ohio.
Ohio also shows Republican gains over the Pattison vote of last year. The Republicans expect a plurality of 75,000 in the state.

The constitution of the new State of Oklahoma will be written by Democrats. The Indians voted the Democratic ticket almost solidly. Oklahoma also went strongly Democratic in choosing delegates to the constitutional convention.

Governor Hoch is probably re-elected in Kansas by a greatly reduced majority.

The result in Missouri was in doubt at a late hour. The Democrats regained some of the Congressional districts they lost two years ago.

Longworth Wins, Wadsworth Loses.
Congressman Nicholas Longworth was re-elected in Cincinnati.

Congressman J. W. Wadsworth, for many years chairman of the House Committee on Agriculture at Washington, was defeated in the Thirty-fourth New York district.

The Republicans carried Utah, Wyoming and Washington, and seem to have lost Nevada, while both parties are claiming Colorado.

Montana seems to have been carried by the Republicans, and Texas takes its usual place in the Democratic column.

Babcock Knocked Out.
Congressman Babcock, of Wisconsin, formerly chairman of the Republican Congressional Committee, failed of election.

In Rhode Island, James K. Higgins, Democrat, was elected Governor.

Joint stateships for New Mexico and Arizona is defeated in Arizona, which defeats the proposition.

JOHNSON MAKES BIG GAIN.

Runs Far Ahead of Ticket in Minnesota.

ST. PAUL, Nov. 7.—At 2 o'clock this morning the indications are that Governor John A. Johnson, Dem., is re-elected by 50,000 plurality and that as later returns are received, this plurality will be materially increased. A. L. Coe, Republican candidate for Governor, ran far behind the rest of his ticket, the election of which is claimed by from 25,000 to 30,000 plurality.

The Democrats, however, maintain that if Johnson's plurality goes above 50,000 he will still through one or two of the candidates for other state offices.

The returns on the Legislature, which will elect a successor to Senator Nelson, are meager, but indicate that the Republican majority will be much reduced. Eight of the nine members of Congress from the state are Republicans.

TELEGRAPHS OHIO VICTORY

Chairman Dick Claims the State by 75,000.

COLUMBUS, O., Nov. 6.—At 1 o'clock this morning Senator Dick, chairman of the State Republican Committee, sent the following telegram to President Roosevelt and to the chairman of the Congressional Committee:

"Ohio Republican by not less than 75,000 and elects 17 Republican Congressmen, three Democrats, with one district in doubt."

Chairman Garber, of the Democratic committee, still refuses verbally to concede the election of the Republican ticket, the nearest to that being a statement that the Republican plurality would not exceed 25,000.

Figures are yet incomplete, but such returns as have thus far been received indicate a Republican plurality of not less than that secured by Pattison (Dem.) last year, when he won by 46,000.

Republicans Win in Delaware.

WILMINGTON, Del., Nov. 6.—It was stated at 11 P. M. that the Republicans have carried Delaware and elected Burton for Congress over Marvel, Dem. They will also control the Delaware Legislature that will elect a successor to United States Senator Allee, Republican.

A vote was taken today throughout Delaware on the initiative and referendum. It was not opposed to any extent and will be adopted.

Democrats Win in Tennessee.

NASHVILLE, Tenn., Nov. 6.—Reports from all over the state indicate a large falling off in the Republican vote and that the majority of Patterson, Democrat, for Governor will approximate 30,000.

North Dakota Goes Republican.

FARGO, N. D., Nov. 6.—Scattered returns indicate that Fisk has been elected Judge of the Supreme Court over Knauft, the Republican nominee. For Governor, Sargent, Republican, and the rest of the Republican ticket are elected.

GOODING MAY BE ELECTED IN IDAHO

Republicans Claim Plurality of 6000.

BIG SLUMP IN THE NORTH

Present Governor Is Said to Have Lost Home County.

DEMOCRATS ARE CONFIDENT

Stocklager Says He Has a Plurality of Over 7000, and That the Democrats Have Captured the Legislature.

BOISE, Idaho, Nov. 6.—(Special.)—It has been impossible up to this hour to get any satisfactory returns from the southern part of the state, while those from the northern part of the state are meager. It is shown that Ada County has gone against Governor Gooding by about 500, though the Legislative and county tickets carried by some 2000.

Washington went against Gooding by about 1000 and elected the entire Democratic ticket. Boise County is Democratic, also Owyhee and Elmore, though the latter seems to elect one member of the Legislature Republican.

Canyon County is very close on Governor, with the chances that the Republican Legislative ticket is elected. Custer and Lemhi have not been heard from. They are conceded to the Democrats. Cassia is close, with chances favoring the Republicans, as is Blaine. Lincoln has not been heard from, but it is claimed by the Republicans. Dubois claims the election of his American party ticket in Bingham. The other southeastern counties have gone Republican, Omeida by 500 and Bannock by 100. Bingham is claimed by the Republicans by 1500 and Fremont by 500.

The figures indicate the reelection of Governor Gooding by perhaps 4000, though it may be lower than that. On the Legislature the Republicans seem to be safe. A summary of the Republican claim is as follows:

Ada	4
Bannock	2
Blaine	1
Cassia	1
Elmore	1
Fremont	1
Gooding	1
Kootenai	1
Justice	1
Latah	1
Lincoln	1
Nez Perce	1
Owyhee	1
Shoshone	1
Teton	1
Washington	1
Woods	1
Yamhill	1
Total	40

The chances favor the Republicans gaining that list more than they stand to lose from the others.

Republican: Adams.....2
Blaine.....1
Boise.....1
Canyon.....1
Elmore.....1
Kootenai.....1
Total.....12

At Democratic headquarters at 1 o'clock this morning the leaders claimed that Stocklager had been elected by from 3000 to 7000 majority in the state and Dubois controls the legislative votes to the state. Judge Stocklager telephoned from Halley to the Democratic headquarters at 12:30 saying: "I have just received word from Dubois to the effect that I am elected by a big majority, and that he is assured of being returned to the United States senate."

2:30 A. M.—It now looks as though Gooding's plurality would reach 2500.

CHALLENGERS ARE ARRESTED

Democratic Watchers Question Right of Judges to Vote.

BOISE, Idaho, Nov. 6.—(Special.)—The election in the southeast appears to have passed off very smoothly. In two places challengers were arrested, but so far as can be learned, there were no other arrests. During the day a great many were claimed by the Democratic managers and all denied by the Republicans.

The cases verified were at Rexburg and Sugar City in Fremont County. At the

former place A. H. Buchanan, American party candidate for Sheriff, and J. A. Kinney, candidate for Surveyor, were arrested for challenging the right of the judges to vote. At Sugar City John Hopkins and Will Moulton, challengers for the American party, were arrested. In both cases the men were locked up. It is said those at Rexburg have been released.

It has been reported that arrests were made at other points, but information from Idaho Falls is to the effect that they have no knowledge there of any others.

GOODING LOSES HOME COUNTY

Head of Republican Ticket Turned Down in Northern Idaho.

BOISE, Nov. 6.—Scattering returns indicate that a landslide has overtaken the head of the Republican ticket in the north and central portions of the state. This (Ada) County has gone against Governor Gooding by a majority of a few hundred Kootenai and Latah Counties in the north are claimed by the Democrats. County Attorney Gooding, while Washington, Elmore, Boise, and other central counties appear to have gone the same way.

Nothing has been heard from the southeast, the Mormon section of the state, but it now seems quite certain that Gooding will be defeated unless he makes up his losses in the Mormon counties. The remainder of the Republican ticket seems to have run well, but how the Republican legislative ticket is affected is not clear. In Ada County it is elected by a good majority.

Gooding Carries Nez Perces.

LEWISTON, Idaho, Nov. 6.—(Special.)—At 12:30 this morning, fragmentary returns from throughout Nez Perce County indicated Gooding and the whole ticket carried the county by majorities ranging from 600 to 1000. Scratching of the ticket has defeated Munroe (Rep) for Sheriff by about 300. Neidham (Dem) may be elected County Attorney over Crow, incumbent, by half the majority.

The Legislative ticket is Republican by a safe majority. Majority figures are impossible this morning, owing to the rain-storm making the use of telephone wires to outlying precincts impossible.

Nothing Definite in Idaho.

BOISE, Idaho, Nov. 6.—(Special.)—Everything is in doubt at midnight. It will require figures not in yet to determine which wins either on the Governorship or the Senate. Until the north is heard from more definitely, and the southeast it will be impossible to make a definite statement of the net result.

Idaho County Votes for Gooding.

GRANGEVILLE, Idaho, Nov. 6.—(Special.)—Republicans concede the Democrats have carried Idaho County by majorities ranging from 50 to more than 100. Gooding has carried the county by 250, making the remainder of the state ticket with him. The Legislative ticket is Democratic.

DEMOCRATS WIN IN NEVADA

All Offices Go to Allied Ticket by Big Vote.

RENO, Nov. 6.—Vote counting, which is progressing slowly, indicates Democratic-Silver party victory. Sparks, for Governor, is running ahead of Mitchell in all quarters. Returns show Barnett, for Congress; Sweeney, for Supreme Justice, in the lead.

The Democratic landslide in other sections of the state is being repeated in Reno and vicinity, which is, up to midnight, swinging large majorities to the Democratic-Silver party ticket. At midnight the vote stood 300 to 150 in favor of Barnett, Democratic, for Congress, as against I. J. Smith, Sparks, for Governor, who has 135 votes against 125 for Mitchell, Republican. James G. Sweeney, for Supreme Justice, has 111 votes against 100 for Dodge, Democrat, and present incumbent, has 71 votes against 60 for Sweeney, Republican, for Attorney General, beats Springmeyer, Republican, and James T. Boyd, for State Senator, who is pledged to vote for Francis G. Newlands, is ahead, at this hour, of his Republican opponent, R. W. Parry.

The 19th and 24th Illinois districts were re-elected as normally Democratic districts and had been marked off for recapture. The returns indicate that Caldwell and Foster, Democrats, are undoubtedly elected in these districts.

Whistler Knocked Out.

In the Fourth Missouri district, Representative Whistler was defeated.
