

HEARST IS READY TO ENTER RANKS

Accepts Result, but Will Continue War.

NO PEACE WITH CORPORATIONS

What New York Papers Say of Great Campaign.

PEOPLE FOUND OUT HEARST

Herald Says They Could Not Stand Buffalo Deal—Press Warns Special Interests That Hearstism Means Growing Radicalism.

NEW YORK, Nov. 7.—(Special.)—At 2:30 Hearst concedes his defeat, although the first edition of his paper claims his election by 20,000 and declares: "The trusts are doing their utmost to reverse the verdict rendered at the ballot-box."

Hearst said: "The people have decided to retain the Republican party in power. I will make my fight in the ranks, therefore, and, again a private citizen, do my best to promote the interests of my fellow-citizens."

"In view of the result I have only to repeat what I have said in my speeches. I am enlisted in this fight against the control of the Government by the trusts and corrupt corporations and I will fight it to the end. But I will serve in the lead or in the ranks just exactly as the people desire and as earnestly and loyally in one place as in the other."

Other New York newspapers make the following comments:

People Could Not Stand Hearstism.

Herald—The voters of New York have entered their verdict at the polls. Mr. Hearst is defeated. The people could not stand for Hearst or Hearstism. The infamous deal by which the Buffalo nomination was completed shocked loyal Democrats at the start and as the campaign progressed with its discoveries of the utter insincerity of the candidate, and his personality was revealed in his coarse personal abuse and vilification of all opponents, he grew steadily weaker. It is evident that, had the campaign continued for another week or two, his defeat would have been made even more emphatic.

Mr. Hughes made a characteristically dignified and courteous canvass, and the entire anti-Hearst campaign was based upon the public professions and acts of the pseudo-Democratic candidate and absolutely free from personal abuse or invasion on private life. The contrast made a striking impression upon all thoughtful observers, and contributed to the defeat of the mud-slinging candidate.

Warning to Special Interests.

Press—The meaning of the election in New York is that the American people are radical. Yet there were Republican managers so utterly ignorant of public opinion that they would have dared had they been permitted, to nominate for Governor some stinking horse of the special interests who would have been beaten as badly as the simple idiot of this campaign thought Hearst would be defeated, when, as a matter of fact, he had had polled the biggest vote ever polled by a Democratic candidate for Governor of New York. There was the headiness that on the very eve of election informed the robbers and the wretched policy-holders that the next Secretary of the Treasury would be G. B. Cortelyou, who had the spending of the money of the widows and orphans collected from the insurance grafters.

There was the folly that sent Elihu Root here to tell the voters how to cast their ballots, when he is regarded by Republicans as well as by the Democrats and Independence Leaguers as the faithful servant of the trusts. Well, Mr. Hughes won in spite of all this, as he deserved to win. But he has won by so narrow a margin, with Republican wreckage strewn all the states that we guess those who have been wont to defy public opinion will heed the lesson.

Crop From Seed of Riot.

Tribune—Hearst's campaign did not begin when he was nominated. He had for years been preparing the soil and sowing the seed of "riot" through the state. His inflammatory journals, sold wherever they would sell and sent free wherever they would not, had worked prodigiously to undermine public faith and prepare the way for the reckless acceptance of an incendiary. He has conducted such a campaign with the powerful aid of his unscrupulous newspapers as the Democracy has never been able to conduct in this state, and, with his great personal fortune, he has spent money to procure his election as his party has never been able to spend it. All of these things serve to explain why his defeat falls short of hopes of the best citizenship.

Expect Great Things of Hughes.

Sun—During the six weeks or so that have elapsed the stature of Mr. Hughes has increased by a cubit a day until this morning he comes out of the smoke and wreck of the battle, the most imposing, impressive and significant figure in all the empire state. The people expect great things of Mr. Hughes. He was born into public life in a momentous conjunction of the stars. He takes the trust from the hands of the whole people. He is master of his destiny and of the destiny of the state. It is a noble and an inspiring prospect. May he seize it in a master grasp.

Sobering Lessons in Victory.

Times—There are sobering lessons enough in Mr. Hughes' victory to occupy the best minds of the country for a long time to come. Socialism stands just around the corner, and it is the aim of Socialism to beat it into the heads of labor that when the two make common cause their victory is won. Labor in this election has accepted Mr. Hearst. It has evidently paid little or

no attention to what was said against him. It will continue to listen to his appeals. It will cease to listen only when the material out of which he constructs them has been destroyed; when the minds in which his ideas now find lodgment have been enlightened and put on their guard against him. The work to be done is one of sad and wise reform and of public enlightenment.

Public Tired of Robbery.

World—Let nobody mistake the meaning of the narrow victory that Charles E. Hughes has won over William B. Hearst. Mr. Hughes' election by less than 50,000 plurality is morally a Republican defeat, a popular repudiation of the corrupt Republican machine and its alliances with corrupt corporations.

The Hearst vote is a striking illustration of the popular temper in regard to the abuses of corporations and the demand for effective regulation. The people of New York are tired of corruption piracy. They are tired of be-

ing robbed by the public service corporations that are the creatures of the state and of seeing this robbery continued at the hands of men who are supposed to be the servants of the public.

They are tired of being robbed by mill trusts and by trusts in traction, gas and water. They are tired of copartnership between corporations and political organizations and they have voiced their resentment at the polls. By an unexpectedly small plurality they have selected Mr. Hughes to do the work that Mr. Hearst was clamoring to do, but there can be no question as to their demand that the work shall be done.

Voicing Their Wrath.

Had anybody less clean and capable than Mr. Hughes been the Republican candidate for Governor, Mr. Hearst would have been elected by an overwhelming majority, in spite of his demagogism, in spite of his personal unfitness, in spite of his deal with Murphy, in spite of everything.

As it was, thousands of voters who had no respect for Hearst and none too much confidence in him, voted for him in the belief that it was time to resort to the measures and teach incorporated capital a lesson. They were not voting according to reason, but they were voicing their wrath.

The narrow defeat of Hearst and the election of Hughes is a plain notice both to Wall Street and to Republican politicians. The people want a house-cleaning at Albany, and they want it to be thorough.

Women Elect School Superintendent.

KALAMA, Wash., Nov. 6.—(Special.)—Inconceivable returns from various precincts throughout the county stated a total vote of about 2900. The county seat contest between the towns of Castle Rock, Kelso and Kalama has been fierce and overshadowed all other questions. The reports now in prove beyond a doubt that Kalama retains the county seat. Kelso has received some 1000 more votes than the vote and as a three-fifths vote is required to make a county seat, it is evident that Kalama has votes to spare. Powell, Republican candidate for School Superintendent, is evidently defeated by Miss Carrie Burham, his Democratic opponent. Kirby and Barnes, candidates for Sheriff and Commissioner respectively, have been badly scratched, but will be elected by small majorities. The Republican state ticket has carried the county by a majority of 600.

Print Columbia Boundary Evidence.

WASHINGTON, D. C., Nov. 6.—M. J. Gordon, of Spokane, today asked leave of the Supreme Court to print depositions, maps, etc., in the suit of Washington over Oregon over the boundary line in the Columbia River.

MACHINE HAS WON

Stuart Elected Governor of Pennsylvania.

FUSION BEATEN BY 100,000

Keystone State Remains Under Control of Penrose and Elects Legislature to Re-Elect Him Senator. Dalzell Kills Opposition.

PHILADELPHIA, Nov. 6.—The most exciting campaign in Pennsylvania in 25 years has ended in a triumph for Edw. S. Stuart, Republican, for Governor over Lewis Emery, Jr., Democrat and Lincoln party, by a plurality which late tonight the local Republican leaders claim will reach 100,000.

Aside from the contest for state officers, the chief interest centered in the battle in Philadelphia for District Attorney, and a few of the Congressional districts. Members of the House of Representatives and county officers were elected in every county and State Senators were chosen in 25 of the 50 districts.

Samuel P. Rotan, Republican, was elected District Attorney in Philadelphia by a vote which his friends claim will exceed 40,000, defeating D. Clarence Giboney, who had the support of the reform forces and the Democrats.

The incoming Legislature will be strongly Republican, although not so overwhelmingly for that party as it was two years ago. Of the Congressional contests the hottest was that against John Dalzell, one of the Republican floor leaders. Thomas D. Nichols, district president of the United Mine Workers, was the Democratic nominee against Dale in the Lackawanna district. Beemer, in the Fifteenth District, was opposed by W. B. Wilson, Democrat, National secretary-treasurer of the Mineworkers. President John Mitchell made speeches for Nichols and Wilson in their districts.

The State Senators who were elected today will serve in the next two regular sessions of the Legislature, and will vote for United States Senator in the session of 1909, which a successor to Boies Penrose will be chosen. The state was apportioned by the Legislature at the extra session, and today's election was the first under the new apportionment.

MISSOURI CLAIMED BY BOTH

Republican Candidates Lead Opponents in St. Louis.

ST. LOUIS, Nov. 7.—At 1:30 Secretary McCoy of the Republican State Committee expressed confidence that Missouri has gone Republican by a small majority. He stated that returns had been received from only 25 of the 114 counties in the state, but basing his estimates on these returns, the indications point to a small Republican majority.

At the same hour Chairman Evans, of the Democratic State Committee, said:

"Missouri has gone Democratic by at least 15,000 majority. Of that I am sure, although less than half the counting have been heard from. The full returns may show a Democratic majority of 25,000 to 40,000."

In St. Louis, 335 precincts out of 405 give for Supreme Judge, leader of the state ticket, Kenneth, Rep., 26,522; Woodson, Dem., 30,000. Same for Circuit Judge, leader of the circuit ticket, give Shields, Rep., 37,107; Bishop, Dem., 33,997.

CUMMINS WINS BY 10,000.

Lacey Defeated for Congress and One District in Doubt.

DES MOINES, Ia., Nov. 6.—Returns now coming are reducing Cummins' loss as shown by earlier returns. If these keep up, the Republican claims of at least 10,000 plurality will be substantiated.

Iowa will have ten Representatives in its next Congressional delegation. It is believed that Major J. F. Lacey, for many years Representative of the Sixth District, has been defeated. In the First District, both Republicans and Democrats claim victory.

The next Legislature will be safely Republican, and the contest will probably re-elect Jonathan P. Dolliver to the United States Senate.

Father Hughes Proud, Son Tired.

NEW YORK, Nov. 6.—The Rev. Dr. David C. Hughes, father of C. E. Hughes, says he has been the proudest of fathers ever since the candidate started his work with the insurance investigation committee. Dr. Hughes said he was hopeful of the outcome, and that he told his son he would win.

"How does the candidate feel?" he was asked.

"Oh, well, he is confident; but he is awfully tired. He is not a young man. Father, I don't think I would go through it all again, through all the turmoil and work, for all the Presidencies, for all the Governorships or for any other office."

INDIANS FIRE ON WHITES

MUCH DISORDER AT ELECTION AT TOPPENISH.

W. R. Laidler Is Wounded in the Leg by a Party of Intoxicated Aborigines.

NORTH YAKIMA, Wash., Nov. 6.—(Special.)—There was much disorder at Toppenish today. Indians were intoxicated on the streets, and fired repeatedly at white men. W. R. Laidler was wounded in the leg. A party of Indians fired at some white men, but no one was hit.

Want Boycott Lifted.

HONGKONG, Nov. 6.—American flour manufacturers are protesting against the continuance of the boycott, as the Indo-China flour trade is suffering seriously. The Canton Chinese have given no indication of discontinuing the boycott, and the flour dealers of Indo-China continue to endure their losses to save appearances.

Automobile's Two Hours' Agony.

PARIS, Nov. 6.—Special dispatches from Monto de Montmartre say that Justus C. Strawbridge, of Philadelphia, who was injured in an automobile accident near Biarritz yesterday, was pinned under the machine for two hours owing to the delay in obtaining assistance, causing him great suffering before being released.
