#### SQUABBLE OVER REWARD

Many Want Money for Catching Gas-Pipe Thugs.

SAN FRANCISCO, Nov. 11.-The ques tion of who shall receive the \$6500 reward offered for the apprehension of the mur-derers of John Pfltzner, William Friede and M Munakata and the robbery of the Japanese Bank, is likely to lead to a contest. By their own confession, John Siemsen and Louis Dabner, now in custody, are guility of all of these crimes. Half a dozen people were more or less involved in the capture of the gaspipe thuses.

A. Behrend, the jeweler in the robbing of whose store on Ellis street Dabner was gaught and Slemsen afterward taken through Dabner's confession, will be a ant for the reward, insamuch as he was largely instrumental in the latter's capture by clinging to Dabner while the latter beat him over the bead with a railway fishplate, and held him until assistance arrived. But for his interference Dabner would undoubtedly have es-

Then Chief of Police Dinan and Chief of Detectives Duke, who personally arrested Siemsen in his rooms after Dabtier had 'squealed' may think something is due them, although they have not made a statement of their stand in the matter.

It was the intention of the royal pair to return to Madrid at the expiration of their stay in Malaga.

A rumor of an alleged plot to kill King Alfonso was published in the morning papers of Madrid October 23.
