WILL BUILD SKYSCRAPER

BOARD OF TRADE TO ERECT TEN-STORY BUILDING. Structure Will Cost \$500,000 and Occupy 100x100 Feet at Fourth and Oak Streets. It was definitely settled yesterday that the Board of Trade Building Association will add another to Portland's list of skyscrapers by erecting a modern 10-story building, 100x100 feet, on the lots recently secured on the southeast corner of Fourth and Oak streets. Architect David C. Lewis, who has been selected by the board, yesterday completed two sets of plans, one calling for steel and the other reinforced concrete construction, and the building committee will select between the two within a few days. Both estimates contemplate the expenditure of \$500,000, making it one of the most expensive business structures in the city. It will contain store rooms on the first floor, the remaining floors to be occupied as offices, with the exception of one floor, to be occupied by the board.

SLASHES HIS OPPONENT

Charles Kelly Stabs Dave Curtin During Drunken Quarrel. A cutting affray which resulted in Dave Curtin being sent to the Good Samaritan Hospital with three deep gashes in the abdomen occurred at the corner of Grand avenue and East Davis streets last night at 11 o'clock. Charles Kelly, aged 64, a resident of the Winters block, which is charged with assault with intent to kill the two men roomed in the same building and had been friends, but both were drinking last night, and from an argument a fight resulted. No one saw the cutting, but Curtin charges Kelly with being the aggressor. Officers Hendicut, Sergeant Cole and Annundson were sent out with the patrol wagon and Kelly was found in bed. Curtin's wounds are not serious.

COVERS BABE WITH BODY

YOUNG ITALIAN MOTHER SHOT BY AGED HUSBAND. Frank Distafano Kills Himself in Oakland Lodgings, Believing He Had Committed Murder. OAKLAND, Cal., Nov. 19.—Frank Distafano, an Italian, aged 79 years, this morning attempted to murder his bride of 23 years because she would not receive company and lead a fast life. He shot her twice as she covered their two-month-old babe, one ball entering the nose and piercing the cheek, the other passing through her hand. He supposed her to be dead and committed suicide by shooting himself in the temple. The shooting occurred at 442 Rose street, where the couple had apartments. The woman will recover.

OBJECT TO LOOP PLAN

Property-Owners Want Cars Run Both Ways on First Street. The plans of the Oregon Water Power & Railway Company to improve its schedule by sending its cars north on Second street from the Madison-street bridge and bringing them south on First on the return trip may be frustrated by the First Street Improvement Association, which wants the cars operated in both directions on that street. The association took action last night to ascertain what rights the property-owners along First street have under the terms of the Glass, Dekum & Smith franchise, by virtue of which the O. W. P. occupies First street. It is the contention of some who are interested on the street that the franchise contemplated the operation of cars in both directions and that the operation of cars over the loop to Second street, now being built by the railway company, is in violation of the franchise. Assistant Secretary Gambell was directed to look up the franchise and report at the next meeting. A petition to the Mayor and the Executive Board was prepared last evening pointing out that when First street, between Madison and Burnside, was paved with wooden blocks in 1903 the city guaranteed that the improvement would be kept in repair for ten years. It is pointed out in the communication that the street is in bad repair in places and it is asked that the city keep its contract by making the necessary repairs. It was also decided to ask the O. W. P. Company to repair the pavement between its tracks. The association decided to ask that the proposed improvement of First street between Stark and Burnside streets be changed from being in macadam to stone blocks. Improvement of the thoroughfares by the former material has already been planned by the city and a demonstration will be presented by the property-owners in the association and a petition circulated this week asking for the paving of the street with stone blocks. The association outlined other plans for the improvement of First street and will meet again in two weeks. The members show a good deal of enthusiasm and the organization promises to accomplish much good for the street.

DRIVEN INSANE BY DRINK

REV. S. M. DRIVER IS COMMITTED TO THE ASYLUM. Methodist Minister, Formerly of Oregon, Developed a Suicidal Mania, and Took Poison. LOS ANGELES, Cal., Nov. 19.—(Special.)—Rev. S. M. Driver, formerly one of the best known Methodist ministers in the West and for several years a resident of Los Angeles, was today committed to Patton insane asylum. The ground for his commitment was suicidal mania, alleged to have been brought on by alcoholic excesses. For a time the missionaries were loath to send the minister to the hospital for the insane unless Mr. Driver consented to such commitment, and he said that he would go willingly to the hospital so that he can overcome his craze for liquor. Throughout the examination the minister talked rationally and his conduct was perfect. It is said a three months' rest cure to ease his nerves is all that the minister needs and that only melancholia caused his attempts to end his life. Driver graduated from Willamette University at Salem, Or., and soon entered the Union Army as a volunteer. He served throughout the war and then entered the ministry, serving until a few
