STILL IN HANDS OF CONTRACTORS.—Dr.
C. H. Rafferty, of the water board, says
that the new water main laid from the
upper Mount Tabor reservoir is still in
the hands of the contractors, and for that
reason has not been turned over to the
distribution system. Some leaks were dis-
covered in the standpipe at Vernon,
which are being repaired. No defects
have been found in the pipe which
has been full of water. Commercial
street for over 10 days. Dr. Rafferty says
that the pipe line may be accepted at
the next regular meeting of the water
board. There will be a meeting for Bull
Run water at Piedmont, Wood-
lawn, Center Addition and Montavilla, for
which pipe will have to be laid from this
new main. Pettibone is being circulated
at Piedmont asking that the local plant
be taken over by the city. Probably a
12-inch main will be laid north on Union
avenue to supply these sections. For
Center Addition and Montavilla Dr. Raf-
erty favors laying a 12-inch main from
Wiberg lane to Hibbard street and thence
south to the base line road. He said
that the engineer of the waterworks is
engaged in preparing plans for these dis-
tribution systems, and that whatever they
are will probably be followed.

NO TROUBLE WITH C. D. PERKINS.—At
the Lewis and Clark Exposition, Wilson
H. Fairbank of the Massachusetts Com-
mission had with him as an assistant Mr.
C. D. Perkins now of Warren, Mass. The
man who made the accusations against
Senator Fairbank of mismanagement was
formerly secretary of the Massachusetts
board of commissioners for the St. Louis
Portland and Jamestown fairs, and his
name is James M. Perkins. His charges
grew out of some political matters. Sen-
ator Fairbank has sued both Moran, who
was running for office, and this James M.
Perkins for libel. Mr. C. D. Perkins and
his wife remained in Portland for more
than a year after the fair and were well
and favorably known. It is therefore
proper to correct the impression that may
have gone forth that he has had any
trouble with Senator Fairbank, for he
has had none whatever.

FOOT CRUSHED IN ELEVATOR.—S. F.
Bock, an employe of the Honeyman
Hardware Company, sustained painful
injuries yesterday having his foot
crushed between the basement elevator
and the sidewalk. Bock is employed in
the order department of the firm men-
tioned and at the time of the accident
was engaged in bringing a large lot of
goods from the basement to the street for
shipment. While ascending to the street
Bock's heel apparently extended over the
edge of the elevator and as it came up to
the level of the sidewalk the foot was
caught and jammed. The injured boy's
cries brought fellow workers to his aid
and he was quickly released and taken to
medical aid. No bones were broken but
it will probably be several weeks before
Bock can walk without the aid of crutches.

LEONARD A DETECTIVE.—Another clever
pickup was aided yesterday to the
Sheriff's office list of captures when
"Mike" Kelly, said to be a well-known
snack thief, was taken into custody by
Deputy Sheriff Archie Leonard. The
direct charge under which Kelly is held
is the larceny from the Union Depot of
a suitcase belonging to F. F. Marquis.
Deputy Leonard, after the theft was re-
ported found the suitcase in a Fifth-
street store where it had been sold. A
description of the man who sold it was
furnished and as a result Kelly was cap-
tured. Kelly is believed to have been
playing his trade industriously, making a
specialty of stealing valises and his
record is now being looked up.

HITS RESIDENCE STATE.—W. H. Harris
yesterday bought the old Hunt residence,
at the northeast corner of Twenty-second
and Everett streets, from the United
States Investment Company, through the
agency of Hartman & Thompson. It is
one of the most important residence sales
which has been made for some time, in-
volving a considerable sum of money.
The property will be improved by Mr. Harris
who will remodel the residence and build
a wing at the north side. When the al-
terations are completed, the dwelling will
be occupied as a bachelor apartment, the
which purpose it is under long lease to
Mrs. Frances J. Van Zandt.

APPOINTING NOMINATING COMMITTEE.—
Trustees of the Chamber of Commerce
yesterday appointed a nominating com-
mittee, composed of the following: W. D.
Wheelright, S. M. Mears and Robert
Livingstone. The committee will submit
the names of candidates to all the offices
during the coming year to the annual
meeting, which will be held December 30.
The report of the committee will be made
December 20. Two more members, Jay
Smith and Walter Burrell, were added to
the insurance committee, which is pre-
paring a bill requiring a uniform insur-
ance policy in this state by all com-
panies doing business here.

EAST SIDE BUILDING.—East Side archi-
tects are busy on plans for new buildings,
notwithstanding approaching winter.
Plans have been prepared for a \$200
dwelling at East Sixteenth and Pine
streets. Perry Rosensteel will erect a
bungalow on Leo avenue, Sellwood, at a
cost of \$200. A two-story flat is to be built
on East Washington and Twelfth streets
to cost \$600. Plans for W. H. Markell's
three story brick on Union avenue and
East Morrison street are being prepared
and work on the foundation will start in
a few days.

LADIES RELIEF SOCIETY.—The regular
monthly business meeting of the Ladies'
Relief Society was held yesterday after-
noon at the First Presbyterian Church
with the president, Mrs. P. J. Mann,
presiding. Committee reports showed a
generous response to the annual Thank-
sgiving appeal and the children of the
Children's Home were given a most sub-
stantial Thanksgiving dinner through
this public generosity. Mrs. T. L. Elliot
was appointed visitor for the month of
December.

ACCUSED BY WITNESSES.—A warrant for
the arrest of E. P. Boyd was issued out
of the Municipal Court, yesterday, on the
instance of Miss Florence Shaeffer, who
charges him with larceny of \$50, which she
alleges he took from her purse. She
is employed as a waitress and he is a
painter and decorator. Later Boyd was
arrested by Deputy Sheriff Bulger.

A QUARTER OF A
MILLION DOLLARS

would not cover the total deposits in this
bank on our
SHORT CALL CERTIFICATES OF DEPOSIT
which have proven so attractive to the
Merchants, Business Men and Investors
of Portland.

The exact amount of Deposits, at close
of business last Saturday evening, on
this form of certificate alone, was

\$259,123.00

and yet this short-time investment plan
was only adopted by us four months ago.
These certificates are issued on 10, 15
and 30 days' call, and bear interest at
the rate of 3, 3 1/2 and 4 per cent per
annum; respectively, and are ideal for
the placing of idle money which is await-
ing a permanent investment later.

Call and discuss it with us.

"The Wages of Sin" a Great Hit.
The Lyric Stock Company has scored another
decided hit in the latest and best of recent
melodramatic successes, "The Wages of Sin,"
which opened a week's run on Monday after-
noon. The house has been packed to the doors
at every performance, and the play has no
superior.
Southern Drama at the Star.
Southern dramas are always popular and
the play at the Star this week is one calcu-
lated to please everyone who is interested in
the South during the days of the reconstruction.
"A Girl Slave," the present offering of
the Allen Stock Company, is thrilling and un-
hackneyed.

DISORDERLY HOUSES CLOSED.—Detective
Sergeant Bate, acting under instructions
from Chief of Police Gritzmacher, closed
two disorderly houses, one at Fourth and
Couch and the other at North Fourth
street, last evening. The women were
ordered to move out and not return. This
closes every such resort in the block on
which is located the notorious Parlor
House, recently put out of business by
order of Mayor Lane. Other disreputable
establishments in that vicinity are
in line for removal soon.
