DR. BOUCHELLE

Dr. L. B. Bouchelle of Thomasville, Ga., a physician well known in the South, is very enthusiastic over the cod liver oil preparation Vinol. He says: "I have used Vinol in my family and in my general practice with the most satisfactory results. It is exceedingly beneficial to those afflicted with bronchial or pulmonary diseases and to create strength."

The reason Vinol is so far superior to old fashioned cod liver oil and emulsions, is because it is a real cod liver preparation from which all the useless oil has been eliminated and tonic iron added.

We ask every weak, thin, run-down, nervous and aged person in town, and all those suffering from chronic colds, coughs and weak lungs, to try Vinol on our guarantee.
