GETS ITS MAN AT SECOND ATTEMPT

Mob at Las Animas Overpowers Sheriff and Jail Officials and Hangs Leberg.

LAVENMEYER IS AVENGED

Murderer Calmly Prepares for Death on Hearing Mob Approach. Leader Makes No Attempt at Disguise.

PUEBLO, Colo., Dec. 27.—A special to the Chieftain from Las Animas says: Lawrence Leberg was lynched here tonight by a mob of masked men for the murder of Henry Lavenmeyer. About 40 men entered the jail shortly before 9 o'clock and easily overpowered the Sheriff, Undersheriff and two other officers and locked them securely in a room of the building. The men then went to the cell occupied by Leberg, struck the shackles from his limbs and took him from the jail. A larger body of men and boys was waiting outside the walls and, when the prisoner and his captors appeared, formed a procession and went a short distance from the jail and hanged the man to a telegraph pole. The self-confessed murderer made no resistance and made no statement. The mob offered no violence and no shots were fired during the entire affair. Before the mob reached the jail Leberg heard it coming. He arose from his cot, dressed himself coolly and awaited the coming of the avengers of Lavenmeyer's death. The leader of the mob made no effort to disguise himself and it is declared that the ringleaders are known to the jail officials.

FLINGS WOMAN INTO STREET

Insolent Negro Soldier Says Sidewalk Belongs to Him.

EL RENO, Okla., Dec. 27.—Race feeling is at white heat and threats of lynching are heard on every hand as a result of an assault committed on Mrs. T. S. Clifford, wife of a prominent physician, this afternoon by a negro soldier of the Twenty-fifth infantry. Mrs. Clifford and her sister, Mrs. S. H. Clarke, were attempting to pass the soldier, when he viciously grabbed

Mrs. Clifford around the waist and threw her into the street, exclaiming that the sidewalk belonged to him. Mrs. Clarke screamed for assistance, and the assailant fled, escaping before help arrived. News of the attack spread rapidly through the entire police department, reinforced by several hundred men and boys, searched the town and surrounding country, but this evening the chase was given up, as the negro was in uniform and he must return to the post or soon become a deserter. Word was sent to Fort Reno and all absentees noted. Mrs. Clifford and her sister are positive they can identify the man, and will go to Fort Reno tomorrow and attempt to pick him from the soldiers who were out of the post today when the assault occurred.

MURDERED BY HOODLUM MOB

Alabama Authorities Indignant at Wahalak Race War.

NEW ORLEANS, Dec. 27.—That white men protected innocent negroes and that every effort is being made by the whites to punish those "hoodlums" of their own race who were responsible for the Christmas riots in Kemper County, Mississippi, was the information in detailed accounts arriving early today from the little towns which were the scene of the bloodshed. "A conference has been held," these dispatches say, "between the civil and military authorities, at which evidence was produced that will establish the identity of five white men of good families of the county who took part in the lynching. District Attorney Currie has made a public statement, in which he says: "I found upon an investigation that the trouble was caused by a lot of hoodlums and outlaws who openly violated all laws of God and man and decency. The four men killed Christmas day were not connected with the affair in any manner and I am informed that the houses burned were occupied by negroes who were not even in sympathy with any of those who were connected with the riot. These men will be captured if it is in the power of the State of Mississippi to do so. The dispatches say that the total death list is probably 12; that the mob element among the whites has mostly fled toward the Alabama state line, while negroes in terror have gathered at Scooba, and Wahalak to place themselves under the protection of troops or of citizens. The killing of a negro named Calvin Nicholson reported as "one of the most brutal which has occurred since the days of Reconstruction." Nicholson was a negro of the best class. While a posse was searching for a negro named Simpson, who had killed a deputy, they entered Nicholson's house, and several persons began shooting at him. Deputy Sheriff Alexander and two others rushed to the negro, shielding him with their bodies. They protected him until overpowered, after which he was shot and his house burned. District Attorney Currie says he has fixed the blame for this murder upon three men and will arrest them if they are still in the state. Three companies of the troops left for their homes today, leaving the situation to be taken care of by the remaining command. Governor Vardaman left for

BULLETS FOR FOUR NEGROES

Whites in Florida Return Fire With Deadly Effect. MARIANA, Fla., Dec. 27.—In a shooting affray at Delwood, a small town in the interior, Christmas night, two white men and four negroes were wounded, two of the latter seriously. Early in the night four negroes, brothers, named Bell entered the store of J. W. Nichols, and being intoxicated, were ejected by Nichols. Later Nichols, accompanied by a Mr. Dykes, started home. They were fired on by the negroes and both slightly wounded. They returned the fire, wounding all four of the negroes, two probably mortally.

BURNED TO DEATH IN HIS FORT

One Killed Three Wounded in Battle With Black Desperado. SELMA, Ala., Dec. 27.—At Nicholasville, Alex Jones, a negro, after shooting another negro, barricaded himself in his house. Leo Pope and Zeke Pope, white men, attempted to arrest Jones and were shot, but not killed. Then a body of white men besieged the house. Jones' father tried to carry ammunition to him and was shot dead. Finally a negro, for a reward of \$5, set fire to the home and Jones was burned to death.

Purdy Begins His Inquiry.

BROWNSVILLE, Tex., Dec. 27.—M. D. Purdy, assistant United States Attorney-general, accompanied by Major Augustus B. Blockson, of the Inspector-General's department, and W. W. McCrell, a confidential law clerk to Secretary Taft, arrived here last night to investigate the rioting of negro soldiers here last August. Only four witnesses were examined today, and it will probably require several weeks to complete the inquiry. The examination is conducted privately.

Brownsville Court-Martial Delayed.

SAN ANTONIO, Tex., Dec. 27.—It was announced by Brigadier-General McCaskey at Fort Sam Houston today that the court-martial in the cases of Major Penrose and Captain Macklin in the Brownsville case had been postponed. The action was taken because of the illness of Captain Macklin, who was recently shot by an unknown negro. See Each—Original Photographs—See High-art genuine photos, Pacific Northwest scenery. Mexican troops are now in pursuit of the band and it is believed that the Indians will soon be run down and captured. Soldiers are being rushed to the troubled district in large numbers, as the government is determined to make short work of this latest outbreak. It is believed that the outbreak will not prove general and that the trouble has all been caused by one large renegade band. MEXICANS KILLED BY INDIANS Another Party of Twelve Massacred Near Guaymas. Lencho is one of the smallest stations on the Cananea, Yaqui River & Pacific Road. About 25 men under Thompson are employed there, engaged in well-boring. No sentries had been posted, and the first intimation of the attack was a volley of rifle shots fired into the tent houses. Immediately afterward the houses were set on fire, and by the light of the flames the Yaquis shot at the frightened Mexicans, who were trying to escape. Court Ceases to Show Favors to Crooked Chicago Banker. CHICAGO, Dec. 27.—W. J. Atkinson, proprietor of the defunct Lincoln Bank, of Morton Park, was today sent to jail in default of \$5,000 bail. It was reported to Judge Landis that Atkinson had not given the receiver any material aid in adjusting affairs of the bank and the United States Marshal declared that his office could not spare a deputy to remain with Atkinson night and day.
