HIGH MASONS WILL MAKE SEMI-ANNUAL PILGRIMAGE.

Degrees Will Be Conferred Upon Candidates Today and Tomorrow—Banquet Will Be Held Tomorrow Night.

The semi-annual reunion of the Scottish Rite bodies of Masonry will be held in the cathedral, this city, today and tomorrow. The only Consistory in Oregon, which is the highest body of Scottish Rite Masonry, is the Consistory of Portland, High Masons from all parts of Oregon make their semi-annual pilgrimages to Portland to attend the reunions that are held here twice each year. In addition to the large numbers of Oregon Masons who will attend the exercises at the cathedral here tomorrow, there will be delegations of visiting Masons from all parts of the United States. The inspector-general active for Oregon, the highest office of the Scottish Rite bodies in the state, is Irving W. Pratt, 33d degree. The office of venerable master of Oregon Lodge of Perfection of the Scottish Rite bodies in Oregon, and that of venerable master of the Hudson Oregon Consistory No. 1, the highest body of Scottish Rite Masonry, is held by Philip S. Malcolm, 33d degree. To Mr. Malcolm is due the credit for the upbuilding in the state of the institution of Scottish Rite Masonry. The cathedral here, which was

completed largely as the result of his personal effort, is the finest Scottish Rite cathedral in America.

The reunion committees named for the ceremonial session today and tomorrow are: Reception—Irving W. Pratt, 33d degree; T. M. Anderson, 33d degree; C. A. Dolph, 33d degree; C. W. Lowe, 33d degree. Candidates—J. M. Hodson, 33d degree; Henry E. Pitcock, 33d degree; R. G. Whitehouse, 33d degree; E. G. Jones, 33d degree. Candidates will report at the cathedral this morning at 9 o'clock sharp. The hour from 9 to 10 this morning will be given up to the reception of candidates and the visiting of delegations of High Masons. The actual work of the session will begin at 10 o'clock A. M. sharp. The fourth, fifth and sixth degrees will be conferred at the morning session today. The presiding officer of the fourth degree is J. Frank Drake. The presiding officer of the fifth degree is J. W. Newkirk. In the sixth degree, P. S. Malcolm is presiding officer. The 14th degree will be conferred upon candidates at 3 o'clock this afternoon, P. S. Malcolm presiding. At 5 o'clock the 15th degree will be conferred, D. S. Sells Golden, P. S. Malcolm and J. L. White carry the principal parts of the 15th degree. The 18th degree will be conferred tomorrow morning at 9 o'clock, Wallace McCredie presiding. The 21st degree will be conferred at 11 o'clock tomorrow, E. G. Jones presiding. At 2 o'clock tomorrow afternoon, the 25th degree will be conferred, Thomas Gray presiding, and at 3 o'clock candidates will receive the 30th degree, Louis G. Clarke presiding. The work of the reunion will close tomorrow night, with the 32d degree, P. S. Malcolm presiding. Following the reunion exercises tomorrow evening a banquet will be served to candidates and to visiting Masons.

IS TO BECOME OUTLAW

LUCAS MUST DO SO OR LOSE PRESIDENCY.

Dugdale Admits Ironclad Agreement to Stand by Russ Hall—McCredie Meets With Encouragement.

BY W. G. MACRAE.

SEATTLE, Wash., Jan. 16.—(Staff Correspondence.)—President Lucas, D. E. Dugdale, Russ Hall and the rest of the Northwest League, all are to become outlaws. President Lucas, the man who virtuously declared in public print recently that he had been too long identified with organized baseball to consider for a moment any outlaw proposition is going to be forced to become an outlaw or be kicked out of the position he holds as president of the Northwest League. This is the condition that he will confront at the big session of the Northwest league that is to be held at Spokane early in February. If Lucas does not consent to become an outlaw, he will be denounced and Dugdale, in order that the league, "Lucas' bread and butter comes from baseball, so it is reasonable to conjecture that he will surrender and become a baseball bandit in order that Dugdale may have a team in Seattle. Judge McCredie has met with encouragement here and will not lack Seattle financial backing for a Coast League team. He will close the deal for his ball park tomorrow morning and an

architect will start work on the plans for the grandstand at once.

The league, which has lasted several hours this afternoon between Judge McCredie and Dugdale, it developed that the reason Dugdale is not with the Coast League is because he is contenting himself with Russ Hall that if Hall quits the Coast League, Dugdale will not join it. Dugdale admitted this himself.

EAST SIDE REALTY DEAL

Half Block Bounded by East Salmon, Second and Third Sold for \$20,000.

Local investors have purchased from H. J. Fisher and M. G. Thorsen a half-block on the East Side. It is the south half of the block bounded by East Taylor, East Salmon, East Second and East Third streets, and the price was \$20,000. The sale was made by the Hart Land Company.

This property adjoins the half-block recently sold to the Western Electric Company, and both properties are to be improved. Work will soon be in progress upon two large brick warehouses to cover the entire block.

Reception to W. J. Bryan.

The Young Men's Democratic Club is preparing to join in the reception to W. J. Bryan. The club has been invited by the County Central Committee to participate in the reception and President John Montag is working out plans in conjunction with the general committee and will in due time announce the reception committee to represent the club.
