## SALEM FIVE IS DEFEATED

LOCAL Y. M. C. A. WINS BASKET-BALL GAME, 27 TO 16.

Visitors Completely Outclassed at All Points, but Put Up Stubborn Fight to the Finish.

The Salem Y. M. C. A. basketball team met defeat last night at the hands of the Portland Y. M. C. A. by a score of 27 to 16. Although the boys from the valley town were completely outclassed, they did not give up, but put up a very hard fight for the game. The local team showed superiority in every part of the game, and the splendid training of the Portland team was evidenced throughout. Professor Henderson of the High School acted as referee, and though he was impartial, made a number of raw decisions. This angered the audience, and he received considerable abuse from the spectators.

In the latter part of both halves the game was slow, and both teams seemed indifferent. The game was marked also by the large number of fouls committed by both sides. Portland made 27, while Salem boys were credited with 16. Most of the points were made by foul throws. Steinback was the only member of the Salem team, outside of Jones, who made a basket.

For the local team Gates put up the best game, and while he made few spectacular plays, he was the mainstay of the team. He was always in the thickest scrimmage, and a number of the baskets made by the local team can be traced to his good work. Russell was another star and out of the nine baskets thrown by Portland, he made five.

Tonight the Portland Y. M. C. A. will play the Multnomah Club, at the latter's Gymnasium, and as this will be the first game between the two teams, it will be one of the best games of the season. The line-up: Salem Y. M. C. A. Russell.....Forward.....Rhodes Hartman.....Forward.....Basher Gordon.....Guard.....Rimton Gates.....Guard.....Steinback Forbes, Mackenzie, Carter.....Jones Referee, Henderson.

**Calendar Show at Y. M. C. A.**  
The annual calendar exhibit of the Y. M. C. A. boys' department was held last night in the reception room, and over 200 different kinds of calendars were shown. Glover Carroll took first prize, having 62 calendars entered;

## IDAHO KILLS LOCAL OPTION

HOUSE SLAYS MEASURE BY VOTE OF 30 TO 15.

Railway Commission Bill Also Laid on Shelf—Mormons Support Birth Registration Bill.

BOISE, Idaho, Feb. 8.—(Special.)—Local option met the same fate in the House today that befell the Railway Commission bill, yesterday, only the majority against it was greater. The bill was defeated, 30 to 15. There was a bitter debate on the measure, during which it was charged that the optional license bill had been introduced by Corbett, that the bill was entirely independent of party lines.

Another kick was given railway legislation by indefinite postponement of the Sewall bill for a Railway Commission. It was the Democratic measure. The bill was started with a report from the committee on corporations recommending its indefinite postponement. A motion to that effect was carried, 28 to 19. It was explained by Corbett that this action was taken to clear the calendar, but there were grave fears that the entire subject would be revived, with this bill as a fulcrum for those seeking to pry it open.

The House by unanimous vote passed the Lovejoy bill for a State Board of Health. This measure closely follows the lines of one that caused a great deal of trouble in the last session. It provides, among other things, for a complete registration of births and deaths. In the last session the measure was beaten through Mormon influence, so it is charged, the claim being made that they objected to the registration of births.

When the present session met, it was understood that this bill was to be one of the so-called Mormon measures to be put through to clear up every point over which there has been contention with respect to the attitude of these people.

**Not Doing Public Duty.**  
PORTLAND, Feb. 8.—(To the Editor.)—In the Morning Oregonian there is an account of my illness—which is simply "grip"—attributed to my double duties since Mr. Short's absence. It is said: "These include finding a minister to preach on Sundays and some one to conduct prayer meetings and Sunday school at Taylor Street Church." Allow me to say that this is an error. I have called upon many of the sick and conducted a few funerals during Dr. Short's absence, where he would have been called in instead if he had been here. But have had not one moment of time or thought given to any of the pastoral duties of that church otherwise. The committees in charge of public and prayer meetings are capable of doing their work thoroughly and I have never heard any suggestion of their needing my assistance from me and have never even been consulted about their night supplies.

Thanking you for making this correction, I am as ever, yours,  
CLARENCE TRUE WILSON.

## FEDERATED TRADES MEETS

Progress Reported in Labor Legislation at State Capital.

The Federated Trades Council discussed proposed legislative action at its meeting last night. C. H. Gram, a prominent labor leader and president of the Oregon Federation of Labor, who has been lobbying at Salem in the interests of bills favorable to the labor interests, reported progress and made a talk on legislative measures now pending.

The Council endorsed the pure food and full weight bill introduced by Representative Burns, of Multnomah. A resolution condemning Senator Bailey's bills, Nos. 11 and 112, providing for changes in the direct primary, was carried.

The Council reaffirmed its action condemning the bill introduced by Smith, of Umatilla, proposing changes in the initiative and referendum law. The bill met with the displeasure of organized labor some time ago and the author sent a letter to the Council, asserting that the members could not have understood it or they would not have acted unfavorably. The Council again examined the bill carefully, but found nothing new in it and so passed a condemnatory motion last night.

A mass meeting, to be held in the Armory February 20, to protest against holding Moyer, Heywood and Pettibone without trial, which is being planned by the Moyer, Heywood and Pettibone League, received the indorsement of the Council.

Paulinus McDonald was elected secretary of the Council for the coming year. Vice-president W. H. Fitzgerald resigned.

## Garbage Crematories Discussed.

Systems of garbage crematories in use in England were explained last night to city officials who have under consideration the erection of a new plant in Portland. As the meeting was called upon short notice, there were present only Dr. Esther Pohl, of the health board, and Councilmen Shepherd and Belding, of the health and police committees. The ways and means of public health is also a part of the joint committee, was not represented. H. Norman Leask, director of the firm of Heenan & Froede, contracting engineers of Manchester, England, outlined the system to the com-

## Send Cash for Starving Chinese.

WASHINGTON, Feb. 8.—The State Department yesterday cabled Minister Rockhill at Peking that the American Red Cross Society had sent, through Consul-General Rogers at Shanghai, \$40,000 for famine sufferers, of which \$25,000 was contributed by the Christian Herald. The Red Cross was today advised by T. B. Wilcox, of Portland, Or., of the donation of more than 5000 bushels of seed wheat.

## Salem Defeats Albany High.

SALEM, Or., Feb. 8.—(Special.)—Salem High School defeated the Albany High School in a well-played game of basketball in the Salem Y. M. C. A. gymnasium tonight, by a score of 12 to 8.
