

DEFEATS THE RECALL

Vote Against Newell Resolution Decisive.

HOUSE WIELDS THE AX

Proposal Was for Constitutional Amendment Giving People Power to Unseat Unsatisfactory Public Officials by Petition.

SALEM, Or., Feb. 20.—(Special.)—Newell's joint resolution for a constitutional amendment giving the people power to recall an officer who has proved unfaithful, met an overwhelming defeat in the House today.

McCue of Clatsop assailed the amendment upon the ground that it gives too much power to interfere with the work of public officers.

Newell defended the amendment, saying that when 25 per cent of the people think an officer should resign it is time that something should be done.

Jackson of Douglas said he would wager that he could go into Washington County and get 25 per cent of the people to petition Newell to resign from the Legislature.

THIRD HOUSE IN SESSION.

Mock Legislators Make Fun for the Real Ones.

SALEM, Or., Feb. 20.—(Special.)—The "Third House" held a session in the Hall of Representatives tonight with W. H. Barry, of Portland, as Speaker.

The usual number of humorous bills and resolutions were introduced, among them a bill "to make it cheaper to be married than single."

The session of the Third House was not up to the standard of the first, for there was too much disorder and there were not enough good speakers on the floor.

Senator J. N. Smith made an ineffectual attempt this afternoon to secure reconsideration of the vote of yesterday by which the veto of his bill for two normal schools was sustained in the Senate.

Teutsch as the member from Eastern Oregon.
