"Miss Hobbs" Again. "Miss Hobbs," which has been pronounced by many as the most delightful comedy ever seen in Portland, will be presented by the Baker Stock Company next week, beginning with the Sunday matinee. "Miss Hobbs" will be remembered as the phenomenally successful vehicle which Anna Russell starred in one season. It fairly scintillates with cleverness and repartee and will prove entertaining to everyone.

Coming to the Lyric. Next week the Lyric Stock Company will produce the famous German-American comedy-drama of Civil War times, "Struck Oil," which will elicit the same amount of scenic features up to the Lyric standard.

AS DISTINCTLY American as a G. A. R. reunion is George Ade's comedy of country town life called "The County Chairman." My admiration for the Indiana humorist is not stinted by any slight visible to the naked eye. Notwithstanding the fact that he has fallen down somewhat of late because he has become Too Rich by his Pen, I still insist that when he wrote "The County Chairman" he did nobly by immortalizing the real life of a real country town in this play of politics and rural manners and love. It is as sweet as the morning air at 6 A. M. in corn-busking time, and as genuine as the emotions which play on the heart-strings of the true and simple people who live their lives near the virgin soil.

THEATRE TREAT AT PANTAGES. Pantages has more than its share of good vaudeville acts this week and the crowd headed that direction on mass last night. At the head of the list are the Gilmans, sisters of Mabel Gilmán, the actress who is to marry W. E. Corey, the Pittsburgh millionaire. They have a clever and original sketch, "The Christmas Tree," which is taking well. Other acts are good.

Many pioneer Oregonians will learn with regret of the death in Chicago on February 18 last of Mrs. Mary Ellen Jacobs, wife of the late George Jacobs, of Boise, Idaho. CAIRD OF THANKS. I desire to thank the many friends for their kindness and during my recent bereavement, attendant upon the loss of those dear to me, and assure each and all of them that they have my most sincere gratitude. FRANK E. MA CHETTE.

WHITE PLAGUE. Its Extermination Is Prevention. There are a great many articles now appearing in print on the subject of consumption, whose ravages are on the increase, not only in America, but also in Europe. There should be a systematic and determined warfare against this awful disease, which is now becoming evident to all persons having a heart for the welfare of the human race. A well-known physician, who has made tuberculosis a study for a number of years, states emphatically that the majority of cases of consumption originate in a neglected cold or cough. This causes inflammation and weakening of the lungs, and renders them liable to the attacks of the tubercle germ, which at present is very prevalent. He also states that the new soluble form of pine is probably the most powerful active agent ever known for the quick relief of acute and chronic colds and for healing and stimulating the lungs and bronchial tubes. Inquiry at a leading druggist's elicited the information that the pine product above referred to is known as Concentrated Oil of Pine, and the formula for its use is as follows: One-half ounce of Concentrated Oil of Pine; two ounces of glycerine, half pint of whiskey; mix and shake thoroughly and use in tablespoon doses every four hours. The Concentrated Oil of Pine comes put up for medicinal use only in half-ounce vials, enclosed in round air-tight screw-top cases, which protect it from atmospheric changes and retain all the original ozone. It should not be confused with some patent medicines that are put in under similar names and styles of packages. These, owing to their impurities and the fact that they are not soluble are liable to produce permanent kidney disorders.

What the Press Agency Say. "THE UMPIRE" TONIGHT. Popular Comedian, "Fred Mace," in Tunesful Musical Comedy at Hellic. "The Umpire" comes to the Hellic Theatre, Fourth and Washington streets, tonight, and a special Saturday matinee in a comedy satire on baseball, with ten musical numbers, all hits. It also includes football features in a variety of costumes, dressed in complete football armor, and it is as much in earnest as many intercollegiate games. Fred Mace, pleasantly remembered for his Sandman in "Pitt. Pat. Foot," will be seen as the umpire. Seats are selling at theater box office for the entire engagement.

LARGE AUDIENCES AT BAKER. "Brother Officers" Proved Great Magnet to Lovers of Good Comedy. "Brother Officers," which the Baker stock Company is presenting to crowded houses this week, is quite in keeping with the high-class production of the past season. The production has offered all winter, and is proving more than ordinarily acceptable to patrons. It has a military atmosphere, and the plot is well defined and extremely interesting, and the various company members are highly cast. "Brother Officers" has been introduced in this country by Charles Frohman and proved quite as much of a success in New York as it is doing here. There will be a Saturday matinee.

EMPIRE'S MUSICAL COMEDY. "My Wife's Family" Is Full of Laughter and Song. If you haven't seen "My Wife's Family" at the Empire this week don't put it off any longer for it is the funniest, most laughable farce comedy ever put on the stage. In addition to its unusually refined comedy features it is brim full of snappy, up-to-date music and the songs are the kind one remembers the next day. Without doubt there has been more genuine, wholesome laughter at the Empire this week than ever before in its history. There will be another matinee Saturday.

A GOOD BREAKFAST. Some Persons Never Know What It Means. A good breakfast, a good appetite and good digestion mean everything to the man, woman or child who has anything to do, and wants to get a good start toward doing it. A Mr. man tells of his wife's "good breakfast" and also supper, made out of Grape-Nuts and cream. He says: "I should just like to tell you how much good Grape-Nuts has done for my wife. After being in poor health for the last 18 years, during part of the time scarcely eating, she has gained weight, stomach long enough to nourish her, finally at the suggestion of a friend she tried Grape-Nuts.
