RACE SUICIDE.

A resolution to disestablish and disendow the national church has passed the English House of Commons by a vote of two to one. Thirty years ago and other special protected interests, a similar resolution was lost by a vote hit him, and hit him hard. That's vote of two to one. Thirty years ago five to one. This indicates that in e meantime there has been some one way to cure legislative evils. On the other hand, if a member of change of opinion in the mother counthe Legislature has made good-if his try. Still the change has not been sufrecord as a representative of the people has been satisfactory, don't forget that ficient to warrant the belief that dises-ablishment is at hand. Some time the fact. Church of England will be relieved of as important as punishing the unfaith its injurious connection with the gov ful. If a member has given the people square deal in the House, insist upon rnment, but it will not be just yet.

The English church, in the last resort is ruled by laymen. This may not be wholly to its disadvantage, but it is anomalous. Even questions of discioline and theology must be determined by the government finally, and the covernment often includes men whose piety is not notable. To this strange fact may perhaps be due the extraor-dinary sanity which has generally char-

keep it sharp for the man who won't perform the duty for which he was acterized the Episcopalian Church. It has persecuted other denominations when it had the opportunity; it has been exasperatingly exclusive of rights human beings does not lead more directly to that end than the artificial restriction of births. Dispatches from New York announce that rival cigar stores will be started in Portland. This does not necessarily nean two-bit cigars at two for 5.

When it comes to telling of local graft, Lincoln Steffens could make his magazine, unpopular with Portland's first families ----

Increase of 2000 in attendance at the public schools since last March is unmpeachable evidence of Fortland's rapid growth. -----

In honor of St. Patrick the forests and fields of Oregon and Washington will be decked in Erin's colors next will Sunday.

As in Oregon, so in California, Mr Heney has made himself very unpopular with certain types of political leaders.

Let us hope Lincoln Steffens will not eglect to record that Oregon's big land England. steal has come to an end.

Hill says his road could not be re-roduced for \$60,000 a mile. Assessor will please not take notice.

----Good morning! Have you paid you

persons who have decome involved in litigation or who have suffered injuries that may form the basis of lawsuits. In view of the remark by a Judge that he was aware of the system that ex-ter a solution of the system that exwhich he emphasized by flaying her hands with a ru

provided by law, will be graded in the same way. The increase will affect 42,433 carriers throughout the country. Of this number 130 will be promoted from \$000 to number 130 will be promoted from 3000 to \$800, \$355 from \$550 to \$300, 1013 to \$1000 from \$300. The increase in the aggregate will amount to nearly \$1,500,000.

RESCINDS PATENT HOLD-UP Roosevelt Will Allow Settlers to Get

Title Without Delay.

WASHINGTON, March 13. - President WASHINGTON, Match is - resulting Roosevelt, finding the order holding up titles to land is working a hardship on settlers, has sent the Secretary of the In-terior a letter cancelling his order of Feb-ruary 12, relative to the issuance of evifully 12, relative to the issuance of evi-dence of title under the public land laws. The renson for the cancellation is that Congress did not appropriate a sufficient amount for the carrying out of the pur-poses of the order. In lieu of this order it is proposed to have the Commissioner of the General Land Office detail all of his available force in such a manner as to handle the work most rapidly and pre-vent fraud. his available force in such a manner as

WILL ENFORCE 8-HOUR LAW

Taft's Instructions Will Reduce Work on Rivers and Harbors.

WASHINGTON, March 12 .- Secretary Tark has given orders to the engineer officers of the War Department to en-force to the letter the eight-hour law as applied to public works under their direction. This order, which was in-sued with the permission of the President, will be far-reaching and, it is predicted, will greatly reduce the amount of river and harbor work that can be accompliated under the appr-priations made by the last Congress.

Lahm to Teach Army Ballooning.

LEAVENWORTH, Kan., March 13 .---Lieutenant Frank P. Lahm, Sixth Cav-alry, U. S. A., has been detailed as instructor of ballooning at Fort Leavenworth. Lleutenant Lahm in 1906 wor the Gordon-Bennett cup in the inter-national balloon race from Paris to

Will Not Yet Abolish Barmaids.

LONDON, March 11.-The barmaids of Great Britain have received a respite. According to an announcement made the bill to do away with the employment as barmaids will not be introduced at this session of Parilament.

Train Crew Arrested.

NORTH YAKIMA, Wash., March 13. (Special)-Charged with violating a city ordinance and also the franchise of the Northern Pacific Railroad here, T F. Banks, engineer, and James B. conductor, of an extra freight tra

today arrested and lodged in the City Jail. The train remained for more than 20 minutes on Quince street, blocking the highway completely. After the road had been blocked for two hours and all trains HAVANA, March 13 .- The idea that foreigners shall be allowed to vote at municipal elections has greatly incensed the Liberals. They are sure that such the Laborais. They are sure that such a course would revive the bitterness be-tween the Cubans and the Spaniards. The matter has been temporarily set aside by the Electoral Commission, which has rec-ommended that a general census be taken so that proper electoral lists may in both directions held, the Northern Pa-cafic attorny, Ira P. Englehart, made ar-rangements to have the men released.

Peabody's License Suspended.

SAN FRANCISCO, March 13 .--- United be prepared A plan for this proposed census has been laid before Governor Magoon, so that the census may be be-gun without delay, since the work will SAN FRANCISCO, Marcia Is.-Contra-States Supervising Inspector Birming-ham has sustained the judgment of In-spectors Bolles and Bulger In suspend-ing for six months the license of Cap-tain Thomas Peabody. Peabody was charged with negligence in allowing the transport Sheridan to run ashore at Destendar Data Cabu leand last Au-Barber's Point, Oahu Island, last Au-

President's Son Recovering.
