DEALS IN FACTORY SITES

Pacific Metal Works Buys Quarter on Everett Street.

A site for a new factory was purchased yesterday by the Pacific Metal Works. The company bought from Richard Nunn the quarter block at the northwest corner of Park and Everett streets for \$30,000. The sale was made by Jackson & Deering. The quarter block is at present covered by three old dwellings. These will be removed or torn down and a brick factory erected. It will be one or two stories in height and will cover the entire quarter. The company has decided to remove from its present location at Second and Everett streets because of the necessity of enlarging its plant.

J. D. Hart sold yesterday the inside lot on the west side of Sixth, north of Irving. The price was \$20,000 and the purchasers are local investors whose names are not announced. Although the property is improved only with small frame stores it is paying a revenue of \$ per cent.

It is probable that a brick structure will be erected by the new owners. The sale was made by the Hart Land Company. Grindstaff & Schalk report the sale of the southwest corner at Sixteenth and Petygrove streets by Maud Hudson to Samuel Bromberger and J. Lesser. It is a single lot, the site of a three-story frame building. The price was \$17,500, upon which a revenue of 10 per cent is now being returned. The same firm has sold one and a quarter acres on the White House road to C. C. Caples. It was owned by A. Tiernan and the price was \$3000. It is said that the land will be used as a factory site.

Emanuel May has paid \$45,000 for the site of the Portland Planing Mills at Twenty-second and Thurman streets. It consists of 14 lots, owned by Carl Jackson. The planing mills are not being operated at present, but one of the buildings is used as a mattress factory.

FRANK L. SMITH MEAT CO.

226-228 Alder St., Bet. First & Second "Fighting the Beef Trust." Said the Beef Trust to Smith: "We are going to drive you out if it takes \$50,000 to do so." Said Smith to the Beef Trust: "Try it, you've got lots of money. Spend 50 times \$50,000 and I'll still be here." "The race is not always to the 'SWIFT,' nor the battle to the strong."
