

Advice to Women

Mrs. Pinkham's Standing Invitation to Women

All sick women are invited to write Mrs. Pinkham, Lynn, Mass., for advice. She is the Mrs. Pinkham who has been advising sick women free of charge for more than twenty years, and before that she assisted her mother-in-law, Lydia E. Pinkham, in advising. Thus she is especially well qualified to give advice to sick women. Write today, don't wait until too late.

Mrs. Pinkham never violates the confidence thus entrusted to her, and although she is constantly receiving testimonials from women who have been benefited by her advice and medicine, never in all her experience has she published such a letter without the full consent, and often by special request of the writer. Neither has she ever disposed of her confidential letters in any other way. Every one of the hundreds of thousands of letters written to her by confiding women she has to-day under lock and key in the Company's laboratory at Lynn, Mass. Remember, the best medicine for women is

Lydia E. Pinkham's Vegetable Compound.

EVERY WOMAN SHOULD CONSIDER THESE FACTS

First, that almost every operation in our hospitals, performed upon women, became necessary because of neglect of such symptoms as Backache, Irregularities, Displacements, Pain in the Side, Dragging Sensations, Dizziness and Sleeplessness.

Second, that Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, has overcome more cases of female ills than any other one medicine. It regulates, strengthens and restores women's health and is invaluable during the period of Change of Life.

Third, the great volume of unsolicited and grateful testimonials on file at the Pinkham Laboratory at Lynn, Mass., many of which are from time to time being published by special permission, give absolute evidence of the power of Lydia E. Pinkham's Vegetable Compound over the illnesses of women.

BROTHERS IN COURT

Three Figure in Phillips Divorce Suit.

ALL ARE PAST 55 YEARS

Charles J. Phillips is Defendant, R. E. Phillips is Named as Co-respondent, E. J. Phillips Testifies Husband Made Threats.

Three brothers, all gray-haired and past 55 years, figure in an unusual divorce case which was put on trial before Circuit Judge Frazer late yesterday afternoon. The oldest brother, Charles J. Phillips, is defendant in the suit, R. E. Phillips, the youngest, is named in a cross-complaint as co-respondent, and the third brother, E. J. Phillips, is appearing to testify that the oldest brother threatened to kill all parties concerned within the next 30 days.

Fearing that the husband would carry out his threats, this phase of the case was called to Judge Frazer's attention before the taking of testimony was commenced. The court summoned the defendant before him and demanded to know if he had threatened the lives of his wife and brothers. Phillips denied having any idea of killing them.

"Are you armed at this time?" asked the court. "I have no weapons on me," was the response. "Charles has threatened my life and I am afraid of him," said the younger brother, stepping forward. "He said he wanted to live just 30 days longer and that when he went, some others were going with him. He has made other threats. I hate to be here saying these things about my own brother."

"No more of these threats will be tolerated," said Judge Frazer. "I shall not hesitate to send you to jail and keep you there if you make statements of that kind concerning your brothers or anyone else."

The divorce case is to be bitterly contested and will probably occupy several days of the court's attention. Elizabeth Phillips is the complainant and she bases her suit on Phillips' cruelty and his threats to kill her. It appeared that they have been living apart for several months and that Mrs. Phillips has been working for \$25 a month, out of which amount she has been compelled to support herself and daughter and save money to conduct her divorce suit. A corporal's squad of lawyers is engaged in the suit.

Mrs. Phillips took the stand yesterday and attempted to tell her married life, which has extended through 22 years, she was unable to make a coherent statement owing to her nervous condition, which kept her in tears most of the time she was on the stand. The taking of testimony will be resumed this morning at 10 o'clock.

Single blessedness does not appear to agree with Ray Newell, a young clerk. Ten days ago he secured a divorce from his wife on the grounds that she was an excessively flirtatious person. Yesterday his brief period of domestic liberty was ended when the law seized upon him and directed that he be stowed away in the County Jail for a period of three months. He was sentenced by Circuit Judge Frazer under a statutory charge to which he pleaded guilty.

CITY EMPLOYEES ALARMED.

Attorneys in Isakson Case Ask That Judgment Be Entered.

The scrape of 178 city employees were indirectly demanded yesterday by Oscar P. Isakson, an ex-policeman. Through his attorneys, Isakson filed a petition with the State Circuit Court asking that judgment be entered in the case decided by Judge Frazer last Fall, wherein Police Captain Bruin was declared to be illegally in office. The court held that Bruin's examination before the Civil Service Commission was not regular from the fact that the commission failed to give ten days' notice of the examination, as is required by law.

Judge Frazer's decision caused consternation among city employees last Fall, but as time passed and judgment was not entered in the case those affected concluded they would not lose their heads. They succeeded in having a curative measure passed by the legislature and this curative measure goes into effect next month. Word that Isakson had asked to have the decision of last Fall made effective

quickly reached police headquarters and other city departments. Attorneys Montague and Green were shortly advised and they went before the Circuit Court early in the afternoon with the request that they be allowed 10 days in which to file application for a new trial. This request was granted.

The purpose of this move would seem to be obvious, inasmuch as 10 days will bring the date when the curative measure becomes effective close at hand. A succession of brief delays thus will place the case beyond the possibility of further litigation.

SUES FOR BREACH CONTRACT

San Francisco Firm Demands \$16,625 of Oregon Lumbermen.

The La Moine Lumber & Trading Company, plaintiff, vs. H. G. Keesterson and A. W. Shisby, defendants, is the title of a new case filed yesterday in the United States District Court. The La Moine company is a San Francisco firm and the defendants are sawmill men of Grant's Pass. Griffin & Shelley, of San Francisco, had a contract with the Grant's Pass firm to furnish lumber, which they assigned to the La Moine company, and the suit filed yesterday is for damages alleged to have been sustained by the latter company by reason of the failure of the Grant's Pass firm to fulfill the assigned contract. The La Moine people ask as damages \$16,625 and for the costs and disbursements of the suit. Platt & Bayne and W. D. Fenton are attorneys for the La Moine concern.

SEEK THE CONSUL'S SCALP

PORTLAND CHINESE ON MOY BACK HIN'S TRAIL.

Man Hop, of Seattle, Comes to Circulate Petition for Wealthy Merchant's Removal.

A movement, having for its object the removal of Moy Back Hin as Imperial Chinese Consul for Oregon, Washington, Idaho and Montana, has been started in Chinatown, with Man Hop, a wealthy Seattle merchant, as its leader. A petition will be prepared, signed by all who care to affix their names, and forwarded to the Chinese Minister at Washington.

The action will be of the same character as the one sent to the Chinese Minister at Washington by the Seattle Chinese, who charged Consul Moy Back Hin with misdeeds of a dark and unseemly nature, among them the levying of tribute on his countrymen, engaging in the slave trade and dealing in pauper contract labor.

At the time the Seattle Chinese forwarded their petition, Moy Back Hin anticipated them by making a trip to the National Capitol to call upon the Imperial Minister. Moy Back Hin returned to Portland still holding his commission, and announced that he had heard nothing of any movement to oust him. He declared he had never spoken to the Minister about any such matter.

Failure of the Chinese Minister to act upon the petition from Seattle is said to have caused considerable uneasiness among certain of his countrymen, who are said to be still determined to force action. The sensational action of a large number of Portland Chinese at a mass meeting in a Second street jobhouse last Friday night, produced a fresh burst of indignation and anger from the Chinese who regard Moy Back Hin unfavorably, and brought about the present active preparations for a petition for his removal.

Consul Moy Back Hin now stands accused by about 200 of his countrymen in Portland of blocking their plans for the purchase of a site at Fourth and Everett streets, upon which they proposed to erect a building to cost \$80,000 and which was to be designed to house all who should desire space within its walls. At the last minute, an agent, said to have been employed by Moy Back Hin, spoiled the plans by offering more money for the property.

At the mass meeting, Moy Back Hin's name was hissed and he was denounced as a traitor to his countrymen. Chinese declare he wishes to force them all to move to property on Second and Salmon streets, recently purchased by him. He has entered a complaint against the hearing of the feeling against the Consul here. Man Hop came to Portland and started a campaign for Moy Back Hin's removal. Man Hop reached Portland last Sunday night.

POLICE TREE CROW

Tin-Cup Vagrant Denies Begging Charge.

MARK SCHLUSSEL FINED

Arrested for Disorderly Conduct in Connection With Slot Machine Case, He Discharges Attorney and Conducts Own Defense.

Tom Crow was in the Municipal Court yesterday morning to answer a charge of vagrancy and begging. He denied the charge. Schlusssel wished to cross-question Kay at length, but Ralph E. Moody, attorney for Schlusssel, would not consent. Schlusssel avoided that difficulty by discharging Moody and taking the case into his own hands. "I'll be my own attorney and handle this case in my own way," shouted Schlusssel, as Lawyer Moody rushed out in a rage.

The charges of gambling will be before Judge Cameron this morning on demurrer, filed yesterday afternoon by Mr. Moody. The fight of the defense, it is understood, will be technical throughout. The police will produce the names of several men who, they say, played the slot machines while the devices were on the counter at Wickham's cigar store.

allegations brought against him by the police, and asked for time in which to secure evidence. He was given until this morning.

"Crow, you're a bird to come into this court on a vagrancy charge," remarked Deputy City Attorney Fitzgerald. "There is plenty of work to be had, and no excuse for any man who wants to work."

"I've been hunting for work, and would have secured it by this time, but the police tread me," replied Crow. "What makes you beg for a livelihood?" asked Judge Cameron. "I don't beg," was Crow's reply. "I never asked anyone for a cent."

"No, but you held out a tin cup for the public to drop cents in," said Mr. Fitzgerald. Crow thereupon announced he would clear himself later.

Having succeeded in causing the arrest of himself and Alfred Wickham on charges of gambling by operating slot machines contrary to the state law, Mark Schlusssel distinguished himself in the

Municipal Court yesterday morning by conducting his own case on a charge of disorderly conduct and getting himself fined \$25 by Judge Cameron. Following out his custom, Schlusssel made known his intention of continuing the fight by giving notice of an appeal to the Circuit Court. The fine as originally assessed was \$20, but upon special request of Schlusssel it was increased to \$25 to permit an appeal. The charge against Schlusssel was dis-

FIRST GUN FIRED TONIGHT

CITY AUDITOR DEVLIN WILL OPEN CAMPAIGN.

Candidate for Mayor Will Address South Portland Republican Club. Initiative Bills to Be Discussed.

City Auditor Devlin, aspiring to be Mayor of Portland, will fire the first Republican primary gun in the campaign tonight. Mr. Devlin will be the invited guest of the South Portland Republican Club and he will, according to rumor, make his first stump speech. The gathering of the south town Republicans will be held at Front and Gibbs streets and in addition to Mr. Devlin's speech, there will be music by an orchestra and songs by campaign minstrels.

This gathering being the first of its kind this campaign will be watched with a great deal of interest, not only by those who do not intend to become candidates, but those who are thinking of doing so. W. P. Lillis, president of the club, and the committee assisting him in the arrangements, have invited a number of speakers. Aside from the race for Mayor, the initiative bills that will be voted on by the people in the June election will also be discussed.

A. G. Rushlight, at present one of the city fathers from the Seventh Ward, yesterday filed his petition to become a candidate for re-election. For some time past it was known that Mr. Rushlight wished to succeed himself and the fact that he has filed his petition will not surprise the residents of the Seventh Ward. Thomas Gray, Councilman-at-large, whose term expires at this election, has also filed his petition and is now seeking re-election.

Among the various men who are being talked of as possible candidates for Councilman-at-large, the latest is Thomas E. Hulme, the well-known plumbing inspector. Hulme has not filed his petition yet and he may not enter the race, but his friends are trying hard to have him make the fight. Friends of James Allard are talking of running him for Councilman of the Fifth Ward.

Common Sense Treatment For Consumption and Lung Troubles

There is a great deal appearing in print at present regarding the universal effort to check the increasing ravages of the dread disease of tuberculosis, commonly known as consumption.

A noted doctor who has made this branch of human ailment his special study and who conducted the famous open air camps for consumptives in the pine forests of Maine, in a recent interview gave some very interesting comments on the subject. He says that the treatment of consumption is very simple but that it must be continuous and diligently pursued by the patient and if this is done it is sure to cure in the primary stages and frequently even where far advanced. The main part of the treatment is exercise and the constant inhaling of pure fresh air into the lungs in such a manner as to force it into the deepest cavity and air cells of that organ.

This can be done by the habit of deep breathing drawing in the abdomen and expanding the lungs to their fullest capacity and then exhaling slowly. This at first will cause a little dizziness but with a few days' practice will entirely disappear. There is now an oil of this kind which is condensed and purified. It is known to the profession as the Concentrated oil of pine. The doctor gives his famous formula for the use of this oil combined with a blood stimulant and

day if possible, so that the best possible equipment can be secured and the law governing special excursions of this kind be complied with. There will be within a few days, it is thought, twice as many business men desiring to go as can be accommodated.
