THE LACEY WAY
Is recognized to be the standard way of
bandling timber lands. The timber must
first satisfy us, and our croise reveals
every detail of the conditions surrounding
it. Our reports are prepared in such a
way that the buyer knows whether or not
the timber will satisfy him before he
visits the tract.

the timber will satisfy him before he visits the tract.

Twenty years' experience, and the clientage we represent, is a sufficient guarantee that our methods are right. You may waste your valuable time in looking up the tract you want. Take advantage of the results of our own constant efforts along this line and get the best.
