WASHINGTON, March 27 .- Mr. Creel, the Mexican Ambassador, today con-firmed the press dispatches of this morning that Salvador has expressed a desire for peace in Central America and is anxious to have Mexico exert its good influence in ending the war. This desire of Salvador is regarded by diplomatists as an indication that war is practically ended, because Hon-duras is not strong enough to con-tinue it singlebanded. This action of Salvador will doubtless prevent Guatemala or Costa Rica from taking any part in the support of Honduras. Mr. Creel had a conference with Mr. Corea, the Nicaraguan Minister, today, and probably will confer tomorow with Secretary Root as to how Mexico and the United States can best exert their efforts to restore peace.
