INSTALL FIRE COMPANIES.—According to
Battalion Chief Holden, fire companies
will soon be installed in the Brooklyn
and East Twenty-eighth street engine
houses. Both houses are ready and bids
were received yesterday for supplying
them with furniture. There has been some
doubt as to securing men for these
engine houses, but Battalion Chief
Holden said yesterday that the men will
be forthcoming, as the department always
has men ready to put into companies, al-
though not on the eligible list. At Sell-
wood the changes in the building prepa-
ratory for the incoming hose company
are nearly completed, and will be finished
this week. Work will then start on the
Highland engine house, where a fire
engine is soon to be installed.

WILL CONSIDER VALUATIONS.—Tomorrow
night the East-Side Business Men's Club
will take up the question of property
valuations on the East Side. Assessor
Sizler is expected to be present and
answer questions as to methods of
making assessments. All push clubs are
invited to send representatives to this
meeting. The subject is considered an
important one, and will bring out in-
formation of interest to all property
owners. One of the objects of this meet-
ing is to ascertain the difference between
the assessments of the larger acreage
tracts and those of the smaller ones, or
lots and blocks.

WILL HOLD APRIL MEETING.—The
Ladies Aid and Literary Society of the
First Congregational Church will hold its
April meeting at the church on Wednes-
day at 2 P. M. Miss M. S.
Barlow will give a paper entitled, "A
Postal Trip Through Europe." Miss
Grace Campbell as local soloist and Mrs.
Oliver Thornton as pianist, the afternoon
promises well for all who may attend.
The social hour will be in the hands of
the hostesses, Mesdames Palmer, Parker,
Frait, Prehu, Rockwood, Shank, Shark,
Showers, Sigler, A. N. Smith, Hare and
M. W. Smith.

WORKING FOR IMPROVEMENTS.—The
Waverly-Richmond Improvement Associa-
tion is working to secure a water main
on Clinton street to supply the Richmond
tract. The organization is also trying
to secure a new schoolhouse, as many of
the children must attend the Clinton
Kelly building, which is a long way
off. The next meeting of the club will
be held at the home of Dr. Hickman,
Thirty-second and Clinton street, Friday,
April 12. Allen R. Joy is president, and
M. M. Montgomery is secretary and
treasurer.

TAKEN BACK FOR TRIAL.—A Westman,
a soldier, was turned over to the Nebraska
authorities yesterday and will be returned
at once to a small agricultural settle-
ment in that state to face a charge of em-
bezzlement. It is said he stole \$300 a year
ago, came to Portland, spent the money
and then enlisted in the Army rather than
go to work. He disclosed his identity to
a former Nebraska man, who betrayed
him and his capture promptly followed.
Westman was stationed with an infantry
regiment at Ft. Stevens.

WILL BE DORMANT.—The funeral
of Mrs. Amanda Elizabeth Good and
Harry W. Tackett will be held this after-
noon from Zeller-Byrnes undertaking
chapel, Russell street and Williams ave-
nue, and interment will be in Wivoryville
cemetery. Mrs. Good was the mother-in-
law of Mr. Tackett. She died a few
days ago at her home in Albina, and the
next day here non-law died. It was
decided to hold a double funeral instead
of separate ones. A wife survives Mr.
Tackett.

WILL LECTURE ON LOGGING.—Frank H.
Lamb, of Hopedale, Wash., will deliver
a lecture tonight at the Y. M. C. A. on
"Modern methods of logging." Mr.
Lamb is a pioneer in modern logging
methods on the Coast and was the first
to introduce the overhead system of
cables in the Pacific Northwest. The
public is invited to the lecture, for which
there will be no charge. Stereopticon
views will be used to illustrate the
lecture.

COMMERCIAL CLUB DINNER.—"District
Paving" will be the subject for discussion
at the regular monthly dinner of the
Commercial Club next Tuesday night.
President C. W. Hodson, of the club, is
arranging an interesting programme of
addresses. Interest in these informal
monthly dinners is growing and Manager
Tom Richardson reports that a large
number of reservations have been made
already for next Tuesday night's affair.

BROKEN WIG, MEET WITH AMEN.—
Something in the way of an innovation
will be introduced at the Portland Ad
Men's League meeting tonight in the
Board of Trade rooms, Chamber of Com-
merce building. It will be real estate
night, and the real estate dealers
of the city are expected to be out
in force. Some able addresses will be
made by members of the league and also
by real estate brokers.

FUNERAL OF SUCRE.—The funeral of
Roscoe H. James, who killed himself
after shooting and killing Miss Grace N.
Diney Sunday night, will be held this

at the close. All friends will be wel-
comed.

Rev. F. C. Williams on "Bon Eux"
Thursday night at Trinity parish house
is not free, as has been stated. The
lecture is under the auspices of the
daughters of the parish and an admis-
sion fee will be charged.

SPANISH WAR VETERAN DEAD.—Captain
W. S. Steep, a veteran of the Spanish-
American War, died of heart failure Mon-
day afternoon while he was being taken
from his residence in this city to the
Good Samaritan Hospital. He was aged
61 years and leaves a wife and three sons,
Walter, Willis and Ernest, all of this
city. Captain Steep went to the Philip-
pines in May, 1898, as Captain of Com-
pany C, 61st Iowa Volunteers. Returning
to America at the close of the war, he
located with his family in this city in
March, 1899. Besides being a member of
the Spanish-American War Veterans, he
belonged to the Knights of Pythias, the
Modern Woodmen of America and the Modern
Brotherhood of America. The funeral will
be held at Finley's undertaking parlors
at 2 o'clock tomorrow afternoon, con-
ducted by the Modern Woodmen of
America, assisted by the other fraternal
orders. The services at the grave will
be under the auspices of the Spanish-
American War Veterans.

FORTER STABBED IN LEG.—H. C. Lacey,
colored, a Pullman car porter, was stab-
bed in the left leg by Archie Williams,
also colored, and of the same occupation,
in a car on Southern Pacific train stand-
ing at the Union Depot about 7:30 o'clock
last night. The two men became involved
in a dispute over a woman, and hot words
followed. Williams, who was under the
influence of liquor, pulled out his pocket
knife and inflicted a deep gash two inches
long in Lacey's left leg. City Physician
Zeigler temporarily dressed the wound
and had Lacey conveyed to the Good
Samaritan Hospital, where it was an-
nounced that the wound was not serious.

UNTAHAN WOMAN'S ALLIANCE TODAY.—
Mrs. Elijah Loomis, who has spent sev-
eral years in the Philippines, will tell
this afternoon in the Unitarian chapel,
something of her life and studies of the
habits and customs of the Filipinos.
Mrs. Loomis, who taught in the Manila
schools, had a rare opportunity to make
observations; she traveled about the
country and visited other towns and is
highly qualified to treat her subject with
intelligence and interest. The Alliance
members cordially invite strangers as
well as friends to be present at 2:30
o'clock.

CLUB MEETING POSTPONED.—The meet-
ing of the Union Republican Club to
ratify the consolidation of the Portland
and Beaver clubs, will be held Friday
night. The meeting was set for tonight
but a suitable hall was not available.
The meeting place has not yet been
selected.

At the Theaters

What the Press Agents Say.
Miss Lawrence as "Leah Kleschna"
The work of Miss Lillian Lawrence in
"Leah Kleschna" at the Baker Theater this
week is said by many to compare most fa-
vorably with that of the celebrated em-
otional actress, Mrs. Pike, who created the
role. She has an individual interpretation
of her own and the concentrated force of
her delineation is most impressive. The
play will run all week with a Saturday
matinee.

Old Friends Greet "Ole Olson."
"Ole Olson," the famous Swedish dialect
comedy, is being greeted nightly by hundreds
of old friends and many new ones who love
a few hours of unexcelled enjoyment and
entertainment. There is something about
this favorite that attracts old and young
alike. There will be a special matinee
matinee today and another one Saturday
afternoon.

"Winchester" at the Star.
Quaint Civil War costumes are worn by
the women of the Allen Stock Company this
week at the Star Theater in the production of
the famous military drama, "Winchester." It
is one of those exciting plays in which the
conflict between the North and South is pre-
sented in an unbiased manner and through a
story which departs only in the details from
facts which every student of history is famil-
iar with. "Winchester" has its home-true, a
sentiment more realistic than any of the other
familiar war dramas. There are matinees
Thursday, Saturday and Sunday.

"Carmen" at the Lyric.
"Carmen" is one of the greatest operas
ever written, and the dramatic version is one
of the greatest plays ever produced. The
Lyric is giving the great drama this week
at popular prices. It is a gorgeous production,
with accurate scenery, splendid costumes and
delightful stage effects. Matinees every day;
seats now on sale for the entire week.

BLANCHIE WALSH TOMORROW
Favorite Actress Will Present "The
Straight Road" at the Heilig.
Blanchie Walsh, following her successful
run at the Astor Theater, New York, in
Clyde Fitch's newest play, "The Straight
Road," has been sent on a brief tour by Man-
agers Waggonhall & Kenner, with the same
production and the same specially selected
company which held the piece to the attention
of the New York play-goers for many weeks.
She will be seen at the Heilig Theater tomor-
row (Thursday), Friday, Saturday nights,
April 4, 5, 6, with a special matinee Saturday,
April 6, at 2 o'clock. She will have the oppor-
tunity of witnessing the Madonna scene,
which in its terrible intensity is said by met-
ropolitan critics to have no counterpart in the
theatricals of today. Seats are now selling
for entire engagement at box-office, Heilig
Theater.

"Mrs. Wiggs of the Cabbage Patch."
It would be impossible to imagine a more
welcome theatrical attraction for local amuse-
ment lovers than "Mrs. Wiggs of the Cabbage
Patch," which comes to the Heilig Theater
next Monday, April 8, for an engagement of
three nights, with a special matinee Wednes-
day. The name itself is a synonym for all
that is bright and cheerful, optimistic, char-
itable and courageous in a woman, albeit there
is sounded at times in this play, as in the
book, the world-old note of pathos and pain
which comes home to us all. The cast is the
same this season as last, with one or two
exceptions. Seat sale will open next Friday.

"The Judge and the Jury."
Next week the Baker Company will pre-
sent Oliver Morosoff's great Western suc-
cess, "The Judge and the Jury." This play
was given at the Burbank Theater, in Los
Angeles, first on the Coast, and played three
straight weeks to packed houses. Portland
will now see this big success presented in a
most complete manner. First performance
next Sunday matinee.

"A Stranger in Town" Coming.
The Empire Theater has secured the com-
pany presenting "A Stranger in Town" for
next week's attraction, and the announce-
ment that a musical comedy is coming will
be enthusiastically greeted. Frank Beam-
ish, who is starting with the company, is a
thorough leading man and a splendid vo-
calist. It opens next Sunday matinee.

for Friday evening, when six fast local
skaters will skate a three-mile relay race
against a big auto. The event promises
some royal excitement and is being
anxiously anticipated. Thursday evening
there will occur a race against a motor
cycle, as an exerciser for the Friday eve-
ning big speed event.
