## A SERIES OF BARGAIN WONDERS

## Fancy Silks

For Less Than Same Grades Ever Sold

THOUSANDS OF YARDS, miles and miles of shimmering, shining silks, in weaves and patterns such as were never before offered for anywhere so little a price as this. Fancy Louisine, taffeta and Tuscan weaves, in stripes, checks, and figured effects.

We bought this lot of Silks at a price that makes them the best silk bargain we've ever had offered to us, but we had to take an enormous quantity to get the low price. But knowing our public, and remembering what a great silk year this is to be,

we snapped up the lot, and now you may buy silks worth from \$1.25 to \$1.75 the yard for **87c**.

THE COLOR EFFECTS ARE the new russet brown stripes, striped effects in old rose colorings, handsome Dresden stripes, gray and black graduated checks, stripes, and checks in the new apple greens, woven figures in the new jasper grays, black and white checked designs with Persian mixtures, ombre stripes, black and white graduated stripes, invisible checks in color effects, pinhead shepherd checks with colored outlines, lavender, blues in raised and woven figures, blue and white outline stripes, blue and Persian stripes, apple greens in graduated checks, black and white checks, and plaids, regular plaids in which blue and gray predominate, tan shades, dark mixtures and the new browns combined with the swaggar pastel shades. Every yard in this assortment is of a late pattern, none of anything but this season's goods, and though the regular retail price is \$1.25 to \$1.75 the yard, today it all goes on sale, choice of nearly 5000 yards, at the astounding low price of the yard

## Embroideries

A Fourth to Half Regular Prices

ANOTHER of those embroidery sales that set the town a-talking. Embroidery values that are equalled by no store on the Coast. The sale that wise women wait for every season. Ready today to repeat the values of former sales, and even to surpass those famous bargain achievements. From the best manufacturers of Switzerland—the embroidery producers of the world. All new crisp, clean goods, that you'd gladly pay the regular prices for, but you get them at the same tremendous savings that we secured them.

They come in widths of six to twenty-two inches, all superb qualities and patterns, in edges and insertions. Swiss or Nain-sook, and there is an almost endless variety of patterns. The daintiest patterns and the most dependable qualities that go into any embroidery sale in all the West. Eight big counters on Washington and Fifth Streets corner given up to these goods, and the prices average only one-fourth to one-half regular.

Those who shared in the bargains we gave at former sales, need no telling of these embroidery values, to customers who have not yet profited by these events, we say that the assortment is so vast that to choose wrong is impossible. Embroideries in patterns so rich and dainty that they would grace any garment on which they might be used. All come in 4½ and 6½-yard strips and sell like this.

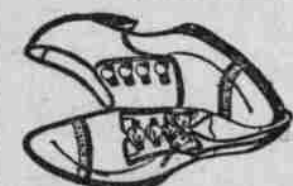

The regular prices are from 25c to \$3.50 the yard, and they are all in strips of four and one-half, or six and one-half yards. Choose them for, yard—

4 1-2 yards for 68c, \$1.13, \$1.67 and \$2.16

6 1-2 yards for 98c, \$1.63, \$2.41 and \$3.12
