THE LACET WAY

Is recognized to be the standard way of handling timber lands. The timber must first satisfy us, and our cruise reveals every detail of the conditions surrounding it. Our reports are prepared in such a way that the buyer knows whether or not the timber will satisfy him before he visits the tract.

Twenty reary experience, and the clientage we represent, is a sufficient guarantee that our methods are right. You may waste your valuable time in looking up the tract you want. Take advantage of the results of our own constant efforts along this line and get the best.
