Glorifier Wins Handicap, Roseben Wins Glory.

RUSHES AHEAD FROM RUCK

Exciting Struggle for Carter Prize at Aqueduct—Roseben's Dash to Front Without Help From Sapine Jockey.

NEW YORK, April 15.—Glorifier, J. H. McCormick's best chestnut horse, fresh from a successful winter campaign at New Orleans and a second choice in the betting, won the \$10,000 Carter handicap at Aqueduct today, beating Roseben a length and a half. Don Diego was third. Demund, the favorite, finished fourth and Crawford, also heavily played, followed closely on his heels in fifth position. The time for the seven furlongs was 1:23 1-5. Twenty thousand persons saw the race. Roseben, a doubtful starter until the last hour, furnished the excitement. To the fall of the flag Molcan, Demund, Glorifier, Roseben, Ampedo and Marster zoned well, getting away in the first section, though the others were close on their heels. In the first furlong Jockey Beckman on Roseben allowed his mount to be shouldered out of his forward position and he quickly dropped back to eighth place in the line. Demund went to the front at once, closely pressed by Glorifier, Don Diego, Marster and Avauiter. Another furlong and there was a quick shifting of colors as jockeys swung their mounts around the turn. Demund widened the gap that separated him from Avauiter. The next horse as he turned into the long stretch with Rye third, Oxford fourth, Glorifier fifth and Don Diego sixth. Roseben was still in eighth place, but got through a run on the outside of the field, while Jockey Mountain began to ride Glorifier. Out of the dust cloud that almost obscured the horses came Glorifier, two lengths in front of Demund, with Don Diego, Oxford and Avauiter in the order named. Roseben, carrying his impost of 125 pounds as if it were of no importance, was fairly running over the straggling field. A furlong from home he was in sixth position, then fifth, fourth and third in rapid succession. However, Glorifier's lead could not be overcome and Roseben finished second on his own courage, getting little assistance from his jockey. Glorifier was heavily played at 5 and 4 to 1. Roseben opened at 6 to 1 and went to 10, closing at 8 to 1. Summary: Five furlongs—Athlete won, Keator second, Dr. Hollis third, time, 1:30 2-5. About two miles, steepchase—Jimmy Lane won, Duclan second, Sandalwood third, time, 4:00. Four and one-half furlongs—Thomas Calhoun won, Jersey second, Sweet Tact third, time, 0:47 1-5. Seven furlongs, the Carter handicap, \$10,000—Glorifier, 119 (Mountain), 4 to 1, won; Roseben, 125 (Beckman), 8 to 1, second; Don Diego, 106 (McDaniel), 19 to 1, third, time, 1:23 1-5. Seven furlongs—Bellincker won, Klitchan second, Durbar third, time, 1:28. One mile—Orphan Lad won, Alpenmarchen second, Claxador third, time, 1:14 2-5.

GOES OUT IN 19TH ROUND

Mike Schreck Victor Over John Willie in Grilling Fight.

TENOPAH, Nev., April 15.—Mike Schreck tonight knocked out John Willie in the 19th round of what was scheduled for a 20-round go. The fight was hard and fast from the first round, but at no time did Schreck seem to be in danger. He was cool and aggressive from the start. Willie displayed remarkable gameness and came back strong, but was unable to land forcibly on Schreck. Willie made frequent rushes, but was always stopped by Schreck who fought aggressively, yet took few chances. In the 19th Willie went down and under a rain of hammer-like blows. Schreck finished strong.

Stanfords Declare It Is Utterly Impossible to Meet Northerners.

UNIVERSITY OF OREGON, Eugene, Or., April 15.—(Special.)—University track enthusiasts met with a severe damper this afternoon when Manager McCarty revealed the fact that the Stanford team would be unable to meet Oregon either on May 3 or on a later date. Today McCarty telegraphed Stanford for a

ACQUIRING BIG FORTUNE

COOPER'S ST. LOUIS SUCCESS IS PHENOMENAL.

Statements Verified—Parasites Are the Cause of Much Ill-Health.

ST. LOUIS, Mo., April 15, 1907.—The remarkable results that are being accomplished in St. Louis by L. T. Cooper have become a topic of universal interest during the past week. Reports that preceded his visit to this city, told of Mr. Cooper's great success in the east. But the man and his medicine did not attract widespread attention until the beginning of this second week here. Then, the interest in him became very noticeable and has steadily gathered headway until his preparations are now being sold in enormous quantities and his headquarters in a most interesting place in which to spend a half hour. People are coming from all parts of the city to see him. The young man and his assistants are surrounded by swarms of humanity from early until late, so that it is difficult to get a glimpse of them by the Cooper medicines; others to buy the remedies has done more to arouse this interest than Mr. Cooper's statements. The Cooper medicines are not new, but they are new to the people who are suffering from the parasites which are the cause of much of the ill health of this generation. All chronic stomach trouble was caused by worms, which were the cause of the ill health. The Cooper medicines have been growing into greater prominence each day. These statements seem to have been cordially received. During the past two weeks hundreds of people who have been taking the Cooper preparation for some time, have been relieved of their troubles. One of these parasites, in consequence, Cooper and his theories have been growing into greater prominence each day. A Cooper's statement that a general lassitude was the surest indication of this trouble seems to be correct. Statements by people who have been relieved of their troubles seem to be very much alike. All saying that a feeling of extreme weakness and lack of energy which they attributed to stomach trouble, had afflicted them. A statement of this character, which is almost identical with all those given by people who have had the same relief, is as follows: Mrs. B. Prengel, living at 409 St. Clair street, who was relieved of one of these parasites by the Cooper preparation, when seen by a reporter, said: "I have been in poor health for several years. I was in a general rundown condition. I attributed this to stomach trouble, but it was not. I had a bloating sensation in my stomach, and I felt tired all the time. Even in the morning after a night's sleep, I would feel as if I had not slept at all. When I went to bed, I had dizzy spells and would see spots before my eyes, and the least exertion would tire me. I was an effort to attend to my duties and even my mind seemed dull and sluggish. My eyesight has been getting poorer lately, and I noticed that my memory was not as good as it used to be. If I stood for any length of time I would have a dull pain in the lower part of my back and I ascended the stairs quickly my heart beat very rapidly. I tried every sort of preparation, hoping to throw off this dull feeling. I heard so much about this man Cooper, that I decided to try his medicine. I bought two bottles of New Discovery. I took only a few doses of the preparation and a tapeworm left my system. It was about 50 feet in length, as near as I could judge. The tapeworm that had been the matter with me all these years and I am sure I will be all right again." "I had more rheumatism in St. Louis. It is confined largely to cases of stomach trouble, but the medicine seems to be remarkably successful in cases of rheumatism. Mr. Cooper ascribes this to the fact that stomach trouble is the cause of many diseases, rheumatism being among them."

POLICE WILL PLAY FIREMEN

Patrolmen Begin Practice Today for Baseball Contest.

At 2 o'clock this afternoon about 25 members of the Portland police department will assemble at the baseball grounds at East Eleventh street and Hawthorne avenue to practice for their proposed game with a team representing the fire department today. The organizing of a police baseball team has been agitated among the officers for some time and yesterday it was agreed to hold the contest tomorrow. The announcement met with the hearty approval of all the candidates for the team. Many patrolmen will practice merely for the physical benefit to be attained by the exercise, even though they have no idea of making the team. The proposal to have an annual contest between the two departments has been agitated for years, but something occurred to lessen the interest and the scheme was abandoned. The firemen have been practicing for years, each time with the hope of securing a game with the police, but so far have always been disappointed. When informed of the present plans of their rivals, the fire-fighters were gladly received, as the athletic fire-fighters have many ball-players among their number. Last night the officers of the first and second night reliefs came into the station with baseball bats, gloves and baseballs and the quarters resembled a counter in a sporting goods house in Spring. All three reliefs will be represented in the practice, and in addition several of the detectives are expected to participate. Some time next week the police team will elect a captain and Wm French, the former Portland league pitcher, will coach the players.

SUTTON DRIVEN FROM PARIS

Anti-Gambling Law Catches Champion American Billiardist.

PARIS, April 15.—George Sutton, the American billiard champion, recently conducted a school for billiards in this city, and against whom the police issued an expulsion order under the law for the prevention of gambling, left Paris today. A number of expulsion orders were issued in 1906 against foreigners who kept billiard rooms in Paris, where there was extensive betting on games. The order against George Sutton was dated April 26 of that year. Sutton was not notified of this order, as he had left Paris to fulfill engagements in Chicago, since which time he has been touring Europe. He only returned to Paris the end of last week, when he was due to play with the Spanish billiard champion at the Grand Cafe. As he was commencing this game Saturday afternoon, two inspectors entered and stopped the playing. They then informed
