ish at its own sweet will, without according to the defendant the right of trial by jury. Our own State Supreme Court has held that the inherent power of a court of justice to punish parties for contempt who commit acts which have a direct tendency to obstruct or embarrass its proceedings in matters pending before it, or to influence decisions regarding such matters, is undoubted, the only limitation being that the contempt proceedings must be brought by affidavit and not upon the initiative of the court.

THE STEINBERG MURDER. A black crime was committed in the murder of ex-Governor Steinberg at Caldwell, Idaho. The perpetrators were criminals of the hardest sort and their deed was one of the foulest credited to the Western Federation of Miners.

SALMON HATCHERY ON MACKENZIE. The Oregon Fish Commission is about to erect a 19,000,000 egg salmon hatchery on Mackenzie River, because of the large supply of salmon eggs on that stream and the very favorable conditions there for hatching big quantities of fry.

THE MINNESOTA LEGISLATURE HAS PASSED AN AUTOMOBILE LAW WHICH PROVIDES THAT WHEN A CHAFFER RUNS OVER A PEDESTRIAN HE MUST STOP AND GIVE THE NUMBER OF HIS MACHINE. ALFONSO, IT IS SAID, SEEKS RECREATION IN GOLF. BY AND BY HE'LL HAVE ALL HIS WANTS HOLDING THE BABY.

FOR THE INFORMATION OF MASSACHUSETTS IT MAY BE SAID WITH UTMOST FRANKNESS THAT WE ARE YET EXPERIMENTING WITH THE DIRECT LEGISLATION AMENDMENT THAT WE FIND IT HAS SOME DEFECTS THOUGH NONE MORE SERIOUS THAN THOSE POSSESSED BY REPRESENTATIVE LEGISLATION, THAT IT IS INTENDED MERELY AS A LAST RESORT WHEN LEGISLATURES PROVE UNFAITHFUL, AND THAT WE HOPE TO LIMIT ITS USE TO THOSE IMPORTANT MEASURES WHICH CAN BE ENACTED OR DEFEATED IN NO OTHER WAY.

THE KILLING OF TWO POLICE OFFICERS BY DRUNKEN ITALIANS IN NEW YORK CITY HAS STARTED A CRUSADE THERE AGAINST THE EVIL OF CARRYING CONCEALED WEAPONS. THE POLICE BEGAN FIRING ON THE SAME DAY SOME DRUNKEN ROWDIES ON A STREET INTERFERED TO PROTECT THE WOMEN AND CHILDREN ON THE CAR THEY WERE SHOT AND MORTALLY WOUNDED.

THE HEAVY COTTON CRISIS OF LAST YEAR HAS SERVED TO MAINTAIN THE BALANCE OF TRADE BETWEEN THE UNITED STATES AND EUROPE. THE EXPORTS OF COTTON AND COTTON GOODS IN MARCH, 1907, WERE \$162,689,560, IMPROVING \$1,322,000 OVER THE EXPORTS OF \$161,367,560, FIGURES FOR THE SAME MONTH IN 1906.

DEVIL TELLS DOCK NEEDS. PORTLAND, Or., April 22.—(To the Editor)—The time is opportune for discussion of the advisability of the city owning and maintaining docks. What are the benefits to be derived therefrom? Is it a proper field for municipal ownership? Will the end justify the expenditure? Are the conditions here such as to make the ownership of docks by the city of importance in the larger growth of the city?

BORAH SHOULD FACE THE LIGHT. From Investigation. Spokane Spokesman-Review. United States Senator Borah's assertion that the movement to bring about his indictment by the Federal grand jury at Boise for alleged land frauds is prompted by the supporters of Mayor, Haywood and Pettibone may or may not be based on fact.

THE TRUTH ABOUT OREGON. The Oregonian has invited a large number of well-informed persons to tell what they know about the different phases of life and industry in Oregon, in the Special TOURISTS' AND HOMESEKERS' EDITION, Monday, April 29. They will cover every subject about which a visitor or a prospective homebuilder would naturally inquire. He will be told all about WHAT HE CAN DO AND HOW HE CAN LIVE.

WHERE THE TRUTH WILL DO GOOD. believed the deer was the same that will Scott in the same neighborhood last winter. Mr. Boswell refuses all offers to sell the dog, but intimates that he might give some friend a tip note to get another from the same litter.

THE SOLID NINE'S RECORD. PORTLAND, April 21.—(To the Editor)—To settle a dispute as to whether any of our East Side Councilmen were members of the "solid nine," you will kindly publish a list of those who were members and also a list of those who were not, together with the parts of the city represented by each?

SECRETARY TAFT FOR CUBA. Secretary Taft has made such a hit in reconciling all the parties in Cuba—Liberals, Conservatives and Republicans—to his plan of delay in starting the new republic, that he would seem to be the logical candidate for President. It looks as if he might go to unanimously if he would consent to serve. But can we spare him?

GLOOMY FOREBODINGS. Within a few years our harbors will be crowded and under present conditions dock rates may be so increased that much commerce may be diverted from us to other cities. The present system of placing a vessel lengthwise beside a dock requires an unnecessary amount of space. We must have piers and dredge inland. The better plan would have been for the city to have purchased Guild's Lake and dredged it out, making it a great basin, skirted by a system of docks, railways and warehouses, and we would have had the finest fresh water harbor in the world with the most economical and convenient system of docks.

THE DOG A GREAT STAYER. Joe Boswell owns a dog which he is having trained for a hunter in the Butte Falls country that he believes to be the best canine in Oregon. According to reports recently received from there, the dog struck a deer track a few weeks ago and followed it for seven days, finally bringing the deer to bay and holding it for three days longer until the trainer went out and called the dog off and took him home to get something to eat. It is

KATHLEEN MAUVOURNEEN. Kathleen Mauvourneen: The song is still ringing as fresh and as clear as the trill of the lark in world-weary hearts. It is sobbing and sighing in the sweetest of the tenderest words. Oh, how I've forgotten the one who first breathed it— Oh, how I've forgotten his rapturous air— Our music to the master whose genius bequeathed it? Oh, why art thou silent, thou voice of the heart?
