

SENDING OUT WHEAT

Shipments Being Made Daily From Eastern Washington.

CARS ARE IN BIG DEMAND

Efforts Made to Clear Warehouses in Time for Coming Summer's Crop—Fifteen Cars From Walla Walla Yesterday.

SPOKANE, Wash., April 29.—(Special.)—The wheat crop in Eastern Washington shows that there is a general movement of the grain which was held in warehouses all winter on account of car shortage.

General reports in the Palouse country show that the wheat crop is coming on well. Five cars of wheat were shipped from Sprague today, averaging 100 bushels a car.

At Colfax the movement of wheat started slowly today when five cars were sent out. Probably 15 cars will be sent during the week.

Four cars of wheat were loaded at Davenport today. The balance will follow as soon as cars are secured.
