BUSINESS DIRECTORY.

30c-50c-30c H. R. JAMES, 189 6th st., near Yambill.

The fear of humbug prevents many peo-ple from calling upon a good medium. Mr. James, to prove his clairvoyant powers, gives

This Sworn Statemen to All He does hereby solemnly agree and guarantee to make no charge if he falls to tell your name, occupation and what you called for. He will tell you whom and when you will marry arisd how to win the one you love.

Mr. James, as a matter of advertisement this week, will give his celebrated Readings for 50 Centa.

Never before in the history of occult science has a man of Mr. James' professional standing consented to place his services at the disgosal of the public for such a nominal consideration. Realizing that the city has been overrum with pretenders and that many of its best citizens are anxious to visit a genuine clairvoyant and palmist. Mr. James has decided to place his consultation fee within reach of all.

Mr. James has made a life study of his work and is prepared to advise you and assist you no matter what your troubles are. In his capacity there is no successful in certain. If you have already made a mistake, thrown away your money and lost confidence through dealing with much advertised and self-sityled palmists and chairvoyants and their cheap clap-trap methods, start from the beginning and consult Mr. James. He will feel you frankly your condition and what you may expect. If nothing can be done for you, he will not take one cent of your money.

He does not advertise one thing and do another, but stands ready to make good every line of this advertisement.

Advice on Business, Love, Courtship and Marriage, He will teach you to fascinate any one you desire; even though thousands of miles away, how to make your enemies your friends; makes you successful in your business and positively completes your business in thirty-three days.

His extraordinary powers of second sight, combined with a superior knowledge of occuit forces enable him to read human life with unerring accuracy from infancy to old age. Learn What Is Before You.

Learn What is Before You.

His advice pertaining to love, law, business, wills, estates, busing or selling property, speculation, investments, marriages, divorces, etc. is unequaled. He reunites the separated, causes specily and happy marriages with the one yeu ever, gives trathful revelation of all love affairs, restores lost affection, settles lovers' quarrels, tells how to win the man or women you lave, makes your husband or wife true to you, overcome all ensemics and make a person at a distance think of you; tells you names of friends and enemies—who is troe and who is fairs; tells you whom and when you will marry, giving names, dates, faces and location, taking no fee in advance, accepting none unless satisfaction is given. In Confidence.

There is absolutely no accurate method whereby he can keep the full list of the wonderful things that have been accomplished and are now day by day being brought around to brighten the sad hearts of the many who have been fortunate enough to call on him, simply because the nature of the hundreds of different things that his wonderful power has accomplished, such as winning the love of your heart's device of the hundred of the hundred of power heart's device, or bringing about all manner of private affairs, is so astounding and of such a great

vate affairs, is so assounding and or such a great

Secret nature that after this strange power has once gained your desires you naturally feel a hesitancy about even trusting your lossem friend, knowing that your great happiness is simply the cause of his power had there have been many who, out of pure graditude and appreciation, have allowed there had appreciation, have allowed there in the help and the process of the power had taken him into their confidence of happiness. While he holds, all such information secret which is strictly professional, never revealing to a living mortal, yet he feels as though it is a duty to himself and to the virtues of the power he passesses to give you a little outline of his record which has been brought around during the last year ending December, 1904, by him. Yet he reveals no names or secrets, only the bare facility.

The marriages: 142 separations, without any little rouble, came by the mutual consent of opposing parties; located 16 buried treasures, located 19 wills and 11 deeds; success in gaining 810 pensions; reunited 118 separated; has helped 182 investors; there have been 714 cases of such private nature that he does not feel like classifying; in fact, it suffices to only say there is no heart so sad or wish too great that your hopes cannot be specifly realized by the force of this wonderful power.

Your Wish and Object in Life Can Be Obtained.

The All-Wise Creator did not endow you with high ideas, noble inspirations, desire for happiness and return for that great love craving within your heart without at the same time placing within your reach the means of attaining these desires. You would not desire a thing if you were not capable of attaining it.

A Secret You Should Know, the Power

Control.

There is a power latent within every individual, which, if properly applied, will enable each person to attain the height of his or her ambition.

Mr. James can teil you how to control and use that power to gain success and happiness. If you wish to succeed in any business undertaking, consult him now. He can put you on the right road, if you deside to win its love, or be reunited with some one from whom some trouble or estrangement separates you, he can and will help you to gain the desire of your heart. Are you tired of being poor and living a "from hand to mouth" existence? If so, consult him and he will show you a better way.

Are you anxious to meet some one who might bring happiness into your He? If so, he will introduce you. He is daily coming in contact with many who are as anxious as you are.

The wise use every means to compass vicas you are use every means to compass vic-tory: thousands have been helped. If you are in trouble of any kind, unhappy, not estimated in life, have domestic, love or hust-ness troubles, you will be told how to over-come them all. Call today.
