SAN FRANCISCO, April 30.—(Special.)—It took the Seals 12 innings to turn the trick on the Beavers this afternoon on the Oakland field, and had McCredie's menbeen a little more conscientious San Francisco never would have escaped with the

cisco never would have escaped with the major share of the runs. Street won the game for his team in the 12th. With Williams on second. Murphy on first and nobody down. Street walloped the ball into right and ended it all.

Fortland was leading 4 to 3 up to the last half of the ninth, when Hildebrand draw a pass, there were two stowed away, and everybody was getting ready for dinner when Williams leaned up against a fast one and sent it to the left field fence for two sacks. Hildebrand easily made the plate, tying the score.

Groom pitched nice enough ball for Portland, but in the earlier stages he was slow in handling bunts and very erratic in tossing them around to the bases. The Beavers were all slow on the sacks, for they came near outhitting the Seals two to one, they never seemed able to send their men around.

their men around.

A good sample of this sort of rough work was shown in the lith inning, when Portland gathered four hits and could not be be seen as a run. Casey started it off with a single and was thrown out stealing second. McCredie. Dunleavy and Donahue each responded with infield hits, but when it was needed most nobody was there with it so the four singles did no good.

McCredie's team is still in bad shape. The Portland magnate was forced to sign ip Bull Croli yesterday. Bull was played at third and did very nicely. The score: PORTLAND.

MISS SUTTON AND PELL WIN

California Girl Outshines Herself in Tennis Semi-Finals.

NEW YORK, April 30 .- Rarely has Miss Sutton played in better form than she showed in winning the final of the mixed doubles this afternoon. She kept the ball crossing the net at such a lively rate that William A. Larned, who was partnered by Miss Iselin, on the opposite side, was frequently outplayed at his own favorite shots. Miss Sutton was supported by T. R. Pell, and the pair won the contest in three straight sets other ports, to load.

The coastwise lumber fleet follows: by the score of 6-3, 6-2 and 7-5.

hy the score of 6-3, 6-2 and 7-3.

Miss Sutton's service was so speedy that Mr. Larned was wary of it, while Miss Iselin was several times unable to do anything with it. Mr. Larned and the girl had some hotly fought exchanges. Quick changes of pace often caught Mr. Larned off his guard, although he was able to retaliate by a number of splendidly played passes.

Lumber, foreign, 5,456,000 feet, value \$71,779.

During the month just passed foreign shipments far aurpassed those of the corresponding month of last year and are far in advance of any previous records for this season of the cereal year. The Oriental demand for foodstuffs has been heavy and the outlook or a record-breaking finish for the fiscal year is good. Flour shipments were 27% barrels in excess of those of the corresponding month of 1906 while wheat shipments were 237,545 bushels greater. Lumber to foreign ports aggregated 9,854,785 feet as compared with 5,450,000 feet of last year. Of this two cargoes of timber went to Port Pirle, Australia and two to Shanghai, China. All the flour went to the Orient and with the exception of three sailing cargoes, the wheat went westward.

The Michelet will finish tonight or tomorrow and will prob-ably lead the list for Continental cargoes. Coastwise lumber shipments have fallen off and were less last mouth than for any period since the disaster in San Francisco. The total shipments for April were 4,229,-900 feet as compared with 13,458,000 feet in February and 12,547,000 feet in March. This was largely due to the strike of the Industrial Workers of the World. During the progress of the trouble there were plenty of vessels for lumber but new charters were not made and a large num-ber of the regular carriers were sent to other ports, to load.
