HOOD RIVER.
HOOD RIVER.
If once you see the Hood River Valley you'll agree with us that it's the paradise of Oregon.
No such returns come from any soil in Oregon, and the apples of the Valley are world-renowned and brins; the highest prices of any similar fruit in the universe. You don't see the best Hood River apples in Portland, because they are all shipped East. We want to sell you the choicest location in the Valley, part of our syndicate holdings.
Remember, you are dealing with owners. We have done just what we are asking you to do.

Sell you 40 acros of "Red Shot Land."
That's the finest soil of all, located 8 miles from the town of Hood River and 1½ miles from the railroad. All cleared, fenced and planted to apple trees of the finest Newtown and Spitzenberg varieties and growing thriftily; and will guarantee you 10 per cent yearly on your Investment for 5 years, we to take the crop in the meantime.

This means a good deal to a dweller of Pertiand who does not wish to bother with the details of apple culture.

This guarantee.

This guarantee is not real estate "hot air," but will be signed by men whose individual holdings in the Valley are worth their guarantee.

Come in and talk to us about Hood Biver.
