ORGANIZATIONS WILL DISCUSS CHARTER CHANGES.

Programme for Meeting of United

East Side Push Club Tomorrow Night.

The Nolta Improvement Association will

The Nolta Improvement Association will

The Seventh Ward.

meet this evening on Killingworth avenue to take up the hall building project mue to take up the hall building project. The object is to secure ground and put up a building for public purposes that eventually will be used as an engine house. For a time a volunteer company, already in existence, will protect property in this section. The city will supply apparatus for the volunteers. The club will also consider the improvement of streets in that section of the city.

Tuesday night the United East Side Push Club will meet in the Eureau of Information, East Morrison and Second Running 50 Miles an Hour, Train Information, East Morrison and Second streets, to consider the charter amendments. Some of the amendments were discussed at the last special meeting, and this discussion will be continued until all the delicerate. this discussion will be continued until all the delegates are familiar with the provisions of these amendments. To the second Bull Run pipe line, the district street assessment pian, and the new Madison street bridge the United East Side Push Club is favorable, but on some of the other measures there is difference of opinion, especially on the "dry" mains extending from the river. The second fireboat, which is part of the amendment, the club favors, however. The park proposition is under discussion.

The Northeastern Improvement Asso-

The Northeastern Improvement Asso ciation has changed its time of meeting until Wednesday and will hold an important session next Wednesday night in the Vernon Presbyterian Church Chapel. At that time a report will be submitted on the

The Mount Tabor Improvement Asso-ciation will hold an important meeting to-night in the Woodmen of the World half to consider charter amendments, the oll-ling the Base Line Road, and the park appropriation. The Mount Tabor Club is greatly interested in the park propo-sition, and will take an active part in

ONE PASSENGER IS HURT

Hits String of Empty Cars. EL PASO, Tex., May 12.-Running 50 miles an hour, four miles this side of Lordsburg, N. M., Southern Pacific passenger train No. 7, westbound, at 10:50 last night, collided with a string of 12 runaway freight cars and was

The engine was thrown from the track and turned over, the tender was turned over and fell on its side, and

the express car was thrown across the track.

Only one passenger, Mrs. K. McCaskill, was slightly injured. Engineer Neal B. McGinnis, of this city, was caught under the tender and crushed to death. Pireman Suffixan is still alive, but is so badly scalded that he cannot survive.

Be sure and use that old and well-tried remedy, Mrs. Winslow's Soothing Syrup, for
children teething. It soothes the child, sortens the sums, allays all pain, cures wind
colle and distributes.

that time a report with 50 submitted on the proposed resistance to the assessment for the Irvington sewer, which the people of that section say they should not pay for, for the reason that they derive no direct benefit from it. A committee was appointed to raise funds and employ an attorney to fight the assessment in the country to fight the assessment in the state of the millinery at 250 states of t ughter sacrifice of fine millinery at 106 The committee has consulted an Washington street.

CONSUMERS' LEAGUE HOLDS AN OPEN MEETING.

Better Market Conditions and Strict er Laws Are Objects of Today's Session.

A cordial invitation is extended by the Consumers' League to all housektepers and dealers in meat, fish, groceries, vegetables or fruit to be present at the first of a series of open meetings to be held at the Unitarian Chapel, Seventh and Yamhill streets, at 4 P. M. today. invitation also extends to everyone interested in pure foods.

The National Pure Food and Drug Act. as well as the state law for the purity of codstuffs, has done much toward the desired end, but the members of the league sired end, but the members of the league believe that unless the consumers become active, both the National and state laws will sconer or later become a dead letter. For this reason, the league is putting fresh energy into its fight against harm-ful preservatives, adulteration and un-sanitary handling of foodstuffs. The league believes it lies with the consumers to say whether or not pure food shall

league believes it lies with the consumers to say whether or not pure food shall be served upon their tables.

Members of the state and county boards of health and others who have made a study of local foodstuffs and its handling will address the meeting. Among the medical men who will speak are Dr. Robert C. Yenney, secretary of the State Board of Health; Dr. Arthur C. Smith, also of the State Board of Health; Dr. C. H. Wheeler, City Health Officer; Dr. Ray Matson, bacteriologist for the City Board of Health; Dr. E. A. Pierce, of the Open Air Sanitarium. Mrs. Sarah A. Evans, Market Inspector, and Miss Ellian Tingle, domestic science teacher, will also speak and it is probable that Dr. Herman V. Tartar, of Corvallis, State Chemist, will be present.

INCREASE WATER SUPPLY

Helen Wilson. These officers are assisted by Mrs. A. E. Rockey, chairman of the League's pure-food committee.

Astoria Consults Portland Engineer Regarding Enlarged System.

W. B. Chase, ex-City Engineer of Portland: returned Saturday from Astoria, where he was inspecting the city waterworks there with a view to enlarging the reservoir for storage of water for that city. While the water supply is still ample, it is deemed advisable to make preparations for a larger supply for future needs. Astoria gets its water from Bear Creek, the head works being out from the city a distance of 12 miles. Mr. Chase will make his recommendations to the Astoria Council and among these will urge the general adoption of meters. He maintains that the absence of meters and the abundance of water at the time a W. B. Chase, ex-City Engineer of Port-

and the abundance of water at the time a water plant is first built tends to cause a waste both by factories and in the homes, which is felt as the city grows and consumption naturally increases.

Mr. Chase says that he finds that nearly all the cities in Oregon and Washington have come to a point where they must increase their water supply on account of increase in population.

LONE CASE OF SMALLPOX

Victim Isolated in Pesthouse-Attack a Mild One

Smallpox has joined spinal meningitis in the list of unusual diseases with which the Rose City is afflicted. An isolated case of the former disease was discovered jesterday, when City Health Officer Wheeler was called to attend Mrs. East-gate, residing at 34: Flanders street. Mrs. Elastgate was found to be suffering from a slight attack and was removed immedi-

Arr Sanitarium. Ars. Sarah A. Evans, Market Inspector, and Miss Lillian Tingle, atcly to the pesthouse.

domestic science teacher, will also speak and it is probable that Dr. Herman V. Tartar, of Corvallis, State Chemist, will be present.

The officers of the Consumers' League are: President, Miss May Montgomery; secretary, Miss K. L. Trevitt; treasurer, in downtown lodging-houses, and it was into ominion of the health officer that the

disease was contracted while performing this work. Ten days ago two transients were taken in charge by the health offi-cers at Salem and placed in the peathouse, both having the smallpox. Two nights before they occupied a room in a local odging-house in which Mrs. Eastgate

worked. b Dr. Wheeler says the principal danger from this disease is from the traveling public, who spread the contagion. There is an epidemic of smallpox all over the is an epidemic of smallpox all over the Coast, and the health authorities will adopt every precaution to prevent its further introduction in this city.

"There is no occasion for the people of Portland to become frightened over the disclosure of yesterday's case of smallpox." said Health Officer Wheeler, last night. "The case is a mild one and it is improbable that other cases will result,

WASHINGTON ST: PORTLAND MENS

A rigid quarantine has been established stamp out the disease at the start. It may be considered only surprising that smallpox has not appeared in this locality earlier this Spring. There have been a number of these cases in Walla Walla and other Washington towns and the Rose and other washington fowns and the Rose City cannot expect to be entirely immune from epidemics of this character that are common all over the Coast. We expect to be able to keep this new and unwelcome visitor under control." Centralia to Have Races.

CENTRALIA, Wash., May 12,-(Special.)—The race track of the Centralia Driving Association promises to be the scene of considerable activity this season. scene of considerable activity this season. The track is being placed in condition for driving, and the indications are that there will be a string of about 30 horses from outside the city tracked here this Summer. Centralia has one of the finest race tracks in the Coast country, and it is a great favorite with all the horseit is a great favorite with all the horse

Don't believe the Beef Trust's story of its heart-burning love for the Government. The Beef Trust doesn't care 25c for the Government, or the man at the head of the Government, nor all the people under the Government. It would like to bring Washington to Chicago, begad, and make it a part of the "Jungle"; it would like to ship Roosevelt to Panama-and the people? Why, bless you, the Trust would like to grab us all by the throats and shout: "The people be punctured, if they don't eat our meats!"-That's what the Beef Trust thinks of us.
