Bassey Scores in Third, and Two-Bagger by Schimpf in Fourth Brings in Carson—One Visitor Gets as Far as Third.

Portland, 2. Oakland, 0. The Oakland team fell off the Southern Pacific train yesterday afternoon with just time enough to get into uniforms and get another fall when they met Erny Califf. The Oregon City wonder earned forgiveness for his Sabbath nap and he pitched a game that would have taken a major league team to have beaten. Only two hits were made off his hand and these were made by Truck Eagan. He walked three men and only once during the nine innings a Commuter got his tribbles on third.

Bassey scored the first run in the third canto and he also spiked Catcher Elias as he romped over the plate and in spite of his error. Bassey was not under the collar. The spike cut through his shoe and he had to retire. Dashedwood finished the game. Oldfield Arrives in City. Automobile Racer Will Enter Meet at Irvington This Week. Barney Oldfield arrived in Portland yesterday and began practicing on the Irvington track for the big race meet Saturday and Sunday. Oldfield makes it a practice of going over the course thoroughly, and before he races he knows every foot of the track. In addition to the Green Dragon in which he races he carries with him a private touring car. On the Green Dragon there is but one speed, and that is the high forward. Consequently the machine is unfit for anything but racing. The committee in charge of the meet

is preparing a list of local cars that will be entered in the races. Special classes will be made for the cars and cups and other trophies will be offered the winners. There will be about ten classes, and about six machines in each class. This will involve the most and create a great deal of competition between local drivers. Bob Inman's big 70-horse-power Thomas racer will be entered against Oldfield and Sibley. The other machines will be placed in classes according to their horse-power.

Little Woods, at 10 to 1, Wins at Gravesend. Little Woods has been racing here since the season opened, but never had shown anything to warrant a play, and he has on several occasions been sold as high as 150 to 1. Eleven horses started. Results: Five and a half furlongs—General Russell won, Smoker second, Harcourt third, time, 1:02 4/5.
