McKenna Junction

McKenna Junction is located on Co-lumbia boulevard, at the approach of the tunnel through Dana street and under University Park, at the crossing of the main line of the O. R. & N. from the east with the main line of the Har-riman system to Puget Sound.

Nork has commenced on the laying of the tracks for Swift and Armour Companies' packing plants. The Sound and the Troutfale lines and the tunnel under University Park will be pushed to completion.

McKenna Junction will be a manu-facturing city with large pay rolls,

McKenna Junction has the greatest future of any suburb in Portland.

FOR SALE-TIMBER LANDS.

THE LACEY WAY

Is recognized to be the standard way of handling timber lands. The timber must first satisfy us, and our critise reveals every detail of the conditions surrounding it. Our reports are prepared in such a way that the buyer knows whether or not the timber will satisfy him before he visits in tract. Years experience and the ellentage we represent is a sufficient guarantee that our methods are right. You may waste your valuable time in looking up the tract you want. Take advantage of the results of our own constant efforts along this line and get the best.
